5. To transact any other business as may properly come before the Annual Meeting or any adjournments or postponements thereof

These materials are first being delivered to stockholders on or about April 17, 2025.

The Board of Directors recommends that you vote in favor of each of the nominees for director (Proposal 1) and in favor of Proposals 2, 3, and 4, each as described in the accompanying proxy statement.

Under the rules of the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials by notifying you of the availability of our proxy materials on the internet. Proxy Statement for
2025 Annual Meeting of Stockholders

The Board of Directors (the “Board”) of Local Bounti Corporation, a Delaware corporation (“Local Bounti,” “we,” “us,” or “our”), is soliciting your proxy to vote at the 2025 annual meeting of stockholders (the “Annual Meeting”) of Local Bounti to be held exclusively via live audiocast at virtualshareholdermeeting.com/LOCL2025 on June 11, 2025, at 9 a.m. Mountain Time, including at any adjournments or postponements of the Annual Meeting. The Annual Meeting will be held in a virtual-only format. You are invited to attend and vote your shares electronically at the Annual Meeting and submit questions by following the instructions available on the meeting website.

You are encouraged to log in to the website above before the Annual Meeting begins. Online check-in will be available approximately 15 minutes before the meeting starts. If you encounter any difficulties accessing or participating in the Annual Meeting through the meeting website, please call the support team at the number listed on the website log-in screen.

We are mailing copies of the proxy materials, which include this proxy statement, a proxy card, and our annual report on Form 10-K for the year ended December 31, 2024, to stockholders beginning on or about April 17, 2025. You do not need to attend the Annual Meeting via live audiocast to vote your shares. Instead, you may vote your shares by proxy via the internet or by completing, signing, and returning the enclosed proxy card.

Questions and Answers

Why have I received these materials? The Board is soliciting proxies to vote at the Annual Meeting to be held on June 11, 2025, at 9 a.m. Mountain Time. You are receiving this proxy statement and proxy card from us because you owned shares of our common stock on April 14, 2025, which we refer to as the record date. As a stockholder of record as of the record date, you are invited to attend the Annual Meeting via live audio webcast, and we request that you vote on the proposals described in this proxy statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may vote your shares by proxy by the internet or telephone or by completing, signing, and returning the enclosed proxy card.

How do I attend the Annual Meeting? The Annual Meeting will be held on June 11, 2025, at 9 a.m. Mountain Time exclusively via live audiocast at virtualshareholdermeeting.com/LOCL2025 and logging in using the 16-digit control number found on your proxy card or voting instruction form. Once you are admitted as a stockholder to the Annual Meeting, you may vote and ask questions by following the instructions available on the meeting website. You are encouraged to log in to this website before the Annual Meeting begins. Online check-in will be available approximately 15 minutes before the meeting starts. If you encounter any difficulties accessing or participating in the Annual Meeting through the meeting website, please call the support team at the numbers listed on the website log-in screen.

Who may vote? You are entitled to vote if our records show that you held one or more shares of our common stock at the close of business on April 14, 2025, the record date. On the record date, there were 10,677,002 shares of common stock outstanding and entitled to vote, and 44 holders of record. Each share entitles you to one vote at the Annual Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner? If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are considered a “stockholder of record” with respect to those shares.

You are a beneficial owner if, at the close of business on the record date, your shares were held by a broker, bank, trustee, or nominee and not in your name. Being a beneficial owner means that your shares are held in “street name.” As the beneficial owner, you have the right to direct your broker, bank, trustee, or nominee how to vote your shares by following the voting instructions your broker, bank, trustee, or nominee provides. If you do not provide your broker, bank, trustee, or nominee with instructions on how to vote your shares, your broker, bank, trustee, or nominee will not be able to vote your shares with respect to any of the proposals except for routine proposals as described below.

TABLE OF CONTENTS

What am I voting on? There are five matters scheduled for a vote and for which we are soliciting your proxy:

1. The election of three Class I directors to serve on our Board for three years and until their successors are elected and qualified or until their earlier resignation or removal
2. The ratification of our appointment of WithumSmith+Brown, PC as our independent registered public accounting firm for the year ending December 31, 2025
3. The approval for purposes of complying with the rules of the NYSE, the issuance of shares of our common stock upon the conversion of our outstanding Series A Preferred Stock
4. The approval of an amendment to the 2021 Plan regarding share increase

You may vote “FOR” all the nominees to the Board, or you may “WITHHOLD” your vote for any nominees you specify. You may vote “FOR” or “AGAINST” Proposals 2, 3, and 4 or abstain from voting.

The Board recommends a vote “FOR” each nominee for director (Proposal 1) and “FOR” Proposals 2, 3 and 4.

We do not know of any business to be presented at the Annual Meeting other than the five proposals discussed above. If other business comes before the meeting and is proper under Delaware law, the proxy holders will use their discretion in casting all of the votes that they are entitled to cast.

How do I vote if I am a stockholder of record? If you were a holder of record of our common stock on April 14, 2025, the record date for the Annual Meeting, you may use the following methods to vote your shares at the Annual Meeting:

- **By Mail.** You may vote by completing, signing, dating, and returning your paper proxy in the accompanying postage prepaid envelope. Please allow sufficient time for us to receive your proxy card if you decide to vote by mail.
- **By Telephone.** You can vote your shares by telephone by calling the phone number on the proxy card and following the voice instructions.
- **Via the Internet.** You can vote your shares by the internet by following the instructions in the enclosed proxy card. The internet voting procedures are designed to authenticate your identity, allow you to vote your shares, and confirm that your voting instructions have been properly recorded. If you vote via the internet, you do not need to mail a proxy card.
- **Virtually at the Annual Meeting.** If you virtually attend the meeting, you may vote by going to virtualshareholdermeeting.com/LOCL2025 and logging in using the 16-digit control number found on your proxy card or voting instruction form. Once you are admitted as a stockholder to the Annual Meeting, which will be held as a live audio webcast, you may vote and ask questions by following the instructions available on the meeting website. You are encouraged to log in to this website before the Annual Meeting begins. Online check-in will be available approximately 15 minutes before the meeting starts. If you encounter any difficulties accessing or participating in the Annual Meeting through the meeting website, please call the support team at the number listed on the website log-in screen.

How do I vote if I hold my shares in street name? If, on the record date of April 14, 2025, your shares were held in a stock brokerage account or by a bank or other stockholder of record, you may use the following methods to vote your shares at the Annual Meeting:

- **By Mail, Telephone, or the Internet.** You should receive instructions from your bank, broker, or other nominee explaining how to vote your shares by mail, telephone, or the internet. If you wish to vote your shares by mail, telephone, or the internet, you should follow those instructions.
- **Virtually at the Annual Meeting.** If you attend the meeting virtually, you will need to follow the instructions included on your broker-provided notice or proxy card.

If you do not provide instructions with your proxy, your bank, broker, or other nominee (collectively referred to as a “broker”) will determine if it has the discretionary authority to vote on the particular matter.

TABLE OF CONTENTS

Under applicable rules, brokers have the discretion to vote on routine matters but do not have the discretion to vote on non-routine matters. For example, if you do not provide voting instructions to your broker, the broker could vote your shares for the ratification of the appointment of WithumSmith+Brown, PC (Proposal 2) because it is deemed to be a routine matter, but the broker could not vote your shares for Proposal 1, the election of Class I directors, because it is deemed to be a non-routine matter.

If you do not provide voting instructions to your broker and the broker has delivered a proxy card indicating that it does not have discretionary authority to vote on a particular proposal, your shares will be considered as “broker non-votes” with regard to that proposal. Broker non-votes will be counted for the purpose of determining the existence of a quorum but generally will not be considered as entitled to vote with respect to that proposal. Broker non-votes are not counted for purposes of determining the number of votes cast with respect to a particular proposal. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the vote on a proposal that requires the affirmative vote of a majority of the shares present and entitled to vote.

How are votes counted? Votes will be counted by the inspector of election appointed by the Board for the meeting, who will separately count “FOR” and “WITHHOLD” votes and any broker non-votes for the election of directors. Broker non-votes will not count for or against any nominees.

With respect to Proposals 2, 3 and 4, the inspector of election will separately count “FOR,” “AGAINST,” or “ABSTAIN” votes. Abstentions and broker non-votes will not have an effect on Proposals 2, 3 and 4.

How many votes are needed to approve each of the proposals? Provided that a quorum is present, approval of the proposals described in this proxy statement will require the following affirmative votes (among votes properly cast virtually or by proxy):

- **Proposal 1 – Election of our three nominees for Class I directors.** The three nominees receiving the most “FOR” votes will be elected.
- **Proposal 2 – Ratification of the selection of WithumSmith+Brown, PC as our independent registered public accounting firm for the year ending December 31, 2025.** This proposal will be approved if the holders of a majority of votes cast affirmatively vote “FOR” the proposal.
- **Proposal 3 – Approval for purposes of complying with the rules of the NYSE, the issuance of shares of our common stock upon the conversion of our outstanding Series A Preferred Stock.** This proposal will be approved if the holders of a majority of votes cast affirmatively vote “FOR” the proposal.
- **Proposal 4 – Approval of an Amendment to the 2021 Plan regarding Share Increase.** This proposal will be approved if the holders of a majority of votes cast affirmatively vote “FOR” the proposal.

What is the effect of abstentions? Abstentions are counted as shares that are present and entitled to vote for the purposes of determining the presence of a quorum and will have no impact for purposes of determining the approval of Proposals 1 through 4.

TABLE OF CONTENTS

A summary of the voting provisions for the matters to be voted on at the Annual Meeting, provided a valid quorum is present or represented at the Annual Meeting, is as follows:

How will Local Bounti's representative proxy holders vote for me? Kathleen Valiasek, our President, Chief Executive Officer, and Chief Financial Officer, and Margaret McCandless, our General Counsel and Corporate Secretary, or anyone else that they choose as their substitutes, have been appointed by the Board as proxy

holders to vote in your place as your proxies at the Annual Meeting. The proxy holders will vote your shares as you instruct them. If you sign, date, and return the enclosed proxy card and do not indicate how you want your shares voted, the proxy holders will vote as our Board recommends. If there is an interruption or adjournment of the Annual Meeting before the agenda is completed, the proxy holders may still vote your shares when the meeting resumes. If a broker holds your common stock, they will ask you for instructions and instruct the proxy holders to vote the shares held by them in accordance with your instructions.

Why is Local Bounti submitting Proposal 3 (the “NYSE Approval Proposal”) to its stockholders? Our common stock is listed on the NYSE, and we are subject to the rules set forth in the NYSE Listed Company Manual (the “NYSE rules”). Section 312.03 of the NYSE rules requires stockholder approval prior to the issuance of common stock, in any transaction or series of related transactions, that (i) involves issuances to directors, officers, substantial security holders, their affiliates or entities in which they have a substantial direct or indirect interest (312.03(b)); (ii) exceeds 20% of the voting power or the number of shares of our common stock outstanding immediately prior to the issuance of the common stock upon conversion of the Series A Preferred Stock (as defined herein) (312.03(c)); or (iii) will result in a “change of control” of the issuer (312.03(d)).

Because the issuance of common stock upon conversion of the Series A Preferred Stock would implicate Sections 312.03(b), 312.03(c) and 312.03(d), we must seek stockholder approval prior to making such issuance.

The NYSE Approval Proposal requires the affirmative vote of a majority of the votes cast on the proposal.

Who will control the voting power of the Company following the change of control if the NYSE Approval Proposal is approved?

U.S. Bounti, LLC (“U.S. Bounti”), an entity controlled by Charles R. Schwab, will hold the voting power over 56.2% of our outstanding common stock following the conversion of the Series A Preferred Stock upon approval of the NYSE Approval Proposal. Mr. Schwab, through his control of other entities which hold shares of our common stock, will beneficially own 61.5% of our outstanding common stock. Although we are not a “controlled company” within the meaning of the corporate governance standards of the NYSE, Mr. Schwab, through his control of U.S. Bounti and other entities holding shares of our common stock, is able to significantly influence our decisions, including the election of directors (and U.S. Bounti has the right to appoint two of our directors), the approval of significant corporate transactions, such as mergers and related party transactions. Mr. Schwab, through his control of U.S. Bounti and other entities holding shares of our common stock, has the ability to delay or perhaps even block, by ownership of our stock, an unsolicited tender offer. This concentration of ownership could have the effect of delaying, deterring or preventing a change in control of our company that stockholders might view favorably. Additionally, our largest stockholder’s interests may not align with the interests of our other stockholders. Our largest stockholder may make investments in companies and may acquire and hold interests in businesses that compete directly or indirectly with us and our largest stockholder may also pursue acquisition opportunities that may be complementary to our business, and, as a result, those acquisition opportunities may not be available to us.

What will happen if the NYSE Approval Proposal is not approved? If we are unable to obtain approval of the NYSE Approval Proposal, we will be unable to issue shares of our common stock upon conversion of the Series A Preferred Stock. If we are unable to issue shares of our common stock upon conversion of the Series A Preferred Stock on the terms currently contemplated, we may consider strategic alternatives to strengthen our liquidity position. These alternatives may include (subject to market conditions) capital markets transactions, repurchases, redemptions, exchanges or other refinancings of our existing debt, the potential issuance of equity securities, the potential sale of additional assets and businesses and/or other strategic transactions and/or other measures. These alternatives involve significant uncertainties, potential significant delays, costs and other risks, and there can be no assurance that any of these alternatives will be available on acceptable terms, or at all, in the current market environment or in the foreseeable future. Furthermore, until the NYSE Approval Proposal is approved by stockholders, we are obligated under the SPA (as defined herein) to hold an additional stockholder meeting every six months until such approval has been obtained. If the NYSE Approval Proposal is not approved by stockholders within a year of the date of the Annual Meeting, we may have to repay the purchase price of the Series A Preferred Stock if requested by the purchasers of the Series A Preferred Stock.

Does the Board and Local Bounti’s management support the NYSE Approval Proposal? The Board and our management support the NYSE Approval Proposal and believe it to be in the best interests of Local Bounti and our stockholders. Pursuant to certain voting support agreements dated as of March 31, 2025, entered into by

TABLE OF CONTENTS

and between Local Bounti and certain stockholders representing the majority of the voting power (the “Voting Agreements”), certain stockholders of Local Bounti have agreed that they will vote in favor of the NYSE Approval Proposal. As a result of these commitments, we expect that the NYSE Approval Proposal will receive a sufficient number of votes at the Annual Meeting to ensure that they are each approved.

Can I change my vote after I have returned my proxy card? Yes. After you have submitted a proxy, you may change your vote at any time before the proxy is exercised by submitting a notice of revocation or a proxy bearing a later date. Accordingly, you may change your vote either by submitting a proxy card prior to or at the Annual Meeting or by voting virtually at the Annual Meeting. The later submitted vote will be recorded, and the earlier vote will be revoked. You also may revoke your proxy by sending a notice of revocation to our Corporate Secretary, which must be received prior to the Annual Meeting. If your shares are held by your broker, you should follow the instructions provided by your broker.

What constitutes a quorum for purposes of the Annual Meeting? To carry on business at the Annual Meeting, we must have a quorum. A quorum is present when a majority of the shares entitled to vote, as of the record date, are represented virtually or by proxy. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker) or if you vote virtually at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is not a quorum at the Annual Meeting, our stockholders may adjourn the meeting.

Who pays for this solicitation? We will pay the cost of preparing, assembling, printing, mailing, and distributing these proxy materials and soliciting votes. We may, on request, reimburse brokerage firms and other nominees for their expenses in forwarding proxy materials to beneficial owners. In addition to soliciting proxies by mail, we expect that our directors, officers, and employees may solicit proxies virtually or by telephone or email. None of these individuals will receive any additional or special compensation for doing this, although we may reimburse these individuals for their reasonable out-of-pocket expenses. We have the option, but do not expect, to retain a proxy solicitor.

What does it mean if I receive multiple proxy cards? If you receive more than one proxy card, it means that your shares are registered in more than one name or are registered in different accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.

What happens when two stockholders share the same address? We may satisfy the SEC rules regarding delivery of proxy statements by delivering a single proxy statement to an address shared by two or more of our stockholders. This delivery method is known as “householding” and can result in meaningful cost savings for us. To take advantage of this opportunity, we may deliver only one proxy statement to multiple stockholders who share an address unless contrary instructions are received prior to the mailing date. Similarly, if you share an address with another stockholder and have received multiple copies of our proxy materials, you may write us at the address above or call us at 800-640-4016 to request delivery of a single copy of these materials in the future. We undertake to deliver promptly, upon written or oral request, a separate copy of the proxy statement to a stockholder at a shared address to which a single copy of these documents was delivered. If you hold stock as a record stockholder and prefer to receive separate copies of a proxy statement either now or in the future, please contact us.

What happens if other business not discussed in this proxy statement comes before the meeting? We do not know of any business to be presented at the Annual Meeting other than the proposals discussed in this proxy statement. If other business comes before the meeting and is proper under Delaware law, the proxy holders will use their discretion in casting all of the votes that they are entitled to cast.

How can I find out the results of the voting at the Annual Meeting? We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K filed with the SEC within four business days after the Annual Meeting.

When are stockholder proposals due for next year’s annual meeting of the stockholders? Our stockholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of our bylaws and the rules established by the SEC.

Under Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), if you want us to include a proposal in the proxy materials for our 2026 annual meeting of stockholders, we must receive the proposal at our executive offices at 490 Foley Lane, Hamilton, MT 59840 by December 18, 2025.

TABLE OF CONTENTS

Under our bylaws, a stockholder who wishes to present a proposal, including director nominations, before an annual meeting of stockholders but does not intend for the proposal to be included in our proxy statement must provide notice of its proposal not earlier than February 11, 2026, and not later than March 13, 2026. If we hold our 2026 annual meeting of stockholders more than 30 days before or more than 60 days after the one-year anniversary of the Annual Meeting, the deadline will instead be the later of the close of business on the 90th day prior to the 2026 annual meeting or the close of business on the 10th day following the first public disclosure of the 2026 annual meeting date. The notice and proposal should be addressed to the attention of our Corporate Secretary at our executive offices at the address listed on the cover of this proxy statement, and we suggest that it be sent by certified mail, return receipt requested.

In addition to satisfying the requirements under our bylaws, stockholders who intend to solicit proxies in support of director nominees other than Local Bounti's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act (including a statement that the stockholder intends to solicit the holders of shares representing at least 67% of the voting power of Local Bounti's shares entitled to vote on the election of directors in support of director nominees other than Local Bounti's nominees) to comply with the universal proxy rules, which notice must be postmarked or transmitted electronically to Local Bounti at our principal executive offices no later than 60 calendar days prior to the anniversary date of the annual meeting (for the 2026 annual meeting, no later than April 12, 2026). However, if the date of the 2026 annual meeting changes by more than 30 calendar days from the anniversary date, then notice must be provided by the later of 60 calendar days prior to the date of the 2026 annual meeting and the 10th calendar day following the day on which public announcement of the date of the 2026 annual meeting is first made.

Any proposal that you submit must comply with our bylaws and SEC rules.

Whom can I contact for further information? If you would like additional copies of this proxy statement, free of charge, or if you have questions about the Annual Meeting, the proposals, or the procedures for voting your shares, you should contact our Corporate Secretary at 800-640-4016.

Proposal 1 – Election of Directors

Pursuant to our certificate of incorporation and bylaws, our Board is divided into three classes with staggered three-year terms. The total number of authorized directors on our Board is currently fixed at seven.

Our Board consists of three Class I directors—Pamela Brewster, Michael Molnar, and Matthew Nordby; two Class II directors—Mark J. Nelson and Charles R. Schwab, Jr.; and two Class III directors—Craig M. Hurlbert and Travis M. Joyner. The Class I, Class II, and Class III directors will serve until our annual meetings of stockholders to be held in 2025, 2026, and 2027, respectively, or until the director’s successor is duly elected and qualified or until the director’s earlier death, resignation, disqualification, or removal. Upon the recommendation of the Nominating and Corporate Governance Committee, our Board has nominated Pamela Brewster, Michael Molnar, and Matthew Nordby as Class I directors at the Annual Meeting. Pamela Brewster, Michael Molnar, and Matthew Nordby are current Class I directors and standing for re-election at the Annual Meeting. Stockholders cannot submit proxies voting for a greater number of persons than the three nominees named in this Proposal 1. Each director to be elected will hold office until the annual meeting of stockholders to be held in 2028 and until their successor is elected and qualified or until the director’s death, retirement, resignation, or removal. Each nominee is currently a director of Local Bounti and has agreed to serve if elected, and we have no reason to believe that any nominee will be unable to serve.

There are no family relationships between any of our directors, nominees, or executive officers. There are also no arrangements or understandings between any director, nominee, or executive officer and any other person pursuant to which the person has been or will be selected as a director or executive officer.

Required Vote

The three nominees receiving the highest number of affirmative “**FOR**” votes will be elected as Class I directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named above. If any nominee becomes unavailable for election due to an unexpected occurrence, shares that would have been voted for the nominee will instead be voted for the election of a substitute nominee proposed by our Board and the Nominating and Corporate Governance Committee. Under applicable rules, brokers are prohibited from giving proxies to vote on elections of directors unless the beneficial owner of the shares has given voting instructions on the matter. This means that if your broker is the record holder of your shares, you must give voting instructions to your broker with respect to the three nominees in this Proposal 1 if you want your broker to vote your shares on the matter. Otherwise, your shares will be treated as broker non-votes. Broker non-votes will have no effect on the outcome of the vote.

The Board recommends a vote “FOR” each nominee named in Proposal 1.

Director Compensation

Nonemployee Director Compensation Policy

Our Board has adopted a Director Compensation Policy, which sets forth the annual cash and equity compensation to which nonemployee directors are entitled, as summarized below:

Pay Component	Annual Fees
Annual Cash Retainer	\$87,500
Annual Equity Retainer	\$87,500*
Annual Committee Chair Retainers:	
Audit	\$20,000
Compensation	\$15,000
NCGC	\$10,000
Annual Lead Independent Director Premium	\$15,000

* Taking into account a recommendation from the Compensation Committee's independent compensation consultant, the independent directors agreed to reduce the value of their 2024 equity retainer by 50% from \$87,500 to \$43,750 due to Local Bounti's financial condition and constraints on the share reserve under the 2021 Equity Incentive Plan.

With respect to the annual equity retainer, at each annual stockholders' meeting, nonemployee directors receive an award of restricted stock units ("RSUs") under our 2021 Equity Incentive Plan, as determined by the Board, with a grant date value of \$87,500 (\$43,750 for 2024), which RSUs will vest in full upon the earlier of the first anniversary of the date of grant or the next annual stockholders' meeting, subject to the director's continuous service through the applicable vesting date. For each nonemployee director who remains in continuous service as a member of the Board until immediately prior to the consummation of a "change in control" (as defined in our 2021 Equity Incentive Plan), any unvested portion of an equity award granted in consideration of the nonemployee director's service as a member of the Board will vest in full immediately prior to, and contingent upon, the consummation of the change in control.

The Board has the discretion to grant additional equity awards to certain nonemployee directors for services to Local Bounti that exceed the standard expectations for a nonemployee director or for other circumstances determined to be appropriate by the Board. We also reimburse directors for their reasonable out-of-pocket expenses in connection with attending Board and committee meetings.

Nonemployee Director Compensation Table

The following table sets forth information concerning the compensation of our nonemployee directors for the year ended December 31, 2024.

Matthew Nordby	\$ 87,500	\$43,747	\$131,247

You can find information about the assumptions used to calculate grant date fair values in Note 12 to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2024. On June 13, 2024, each nonemployee director received 14,880 RSUs that vest in full upon the earlier of the first anniversary of the date of grant or the next annual stockholders' meeting, subject to the nonemployee director's continuous service through the vesting date. As of December 31, 2024, each nonemployee director held 14,880 RSUs.

(2) Jennifer Carr-Smith and Edward C. Forst each resigned from the Board in March 2025.

Corporate Governance

Board Composition

Our Board is comprised of seven directors. Five of our current directors—Pamela Brewster, Michael Molnar, Mark J. Nelson, Matthew Nordby, and Charles R. Schwab, Jr.—qualify as independent under NYSE listing standards. Our Board has appointed Craig M. Hurlbert, our Executive Chairman, to serve as Chairman of the Board and Matthew Nordby to serve as our lead independent director.

Our Board is divided into three classes with staggered three-year terms. Only one class of directors will be elected at each annual stockholders' meeting, with the other classes continuing for the remainder of their respective three-year terms. Upon the expiration of the term of a class of directors, a director in that class will be eligible to be elected for a new three-year term at the annual stockholders' meeting in the year in which their term expires.

Our directors are divided among the three classes as follows:

Director	Class	Term Expires at the Annual Stockholders' Meeting in This Year
Pamela Brewster	I	2025
Michael Molnar	I	2025
Matthew Nordby	I	2025
Mark J. Nelson	II	2026
Charles R. Schwab, Jr.	II	2026
Craig M. Hurlbert	III	2027
Travis M. Joyner	III	2027

Board Meetings

Our Board held 10 meetings during 2024.

Board and Committee Meeting Attendance

During 2024, each director attended at least 75% of the meetings of the Board and the committees on which the director served. Under our Corporate Governance Guidelines, directors are expected to regularly attend meetings of the Board and committees on which the director sits and to review prior to meetings material distributed in advance for the meetings.

Attendance at Annual Meeting

Under our Corporate Governance Guidelines, directors are invited and encouraged to attend our annual stockholders' meetings, either in person or by teleconference or video conference. All directors attended our 2024 annual stockholders' meeting.

Communication with Directors

Stockholders and other interested parties who wish to communicate with our Board as a whole, Chairman of the Board, lead independent director, or independent directors as a group may do so by submitting the communication in writing to our Board, c/o our Corporate Secretary.

All communications are opened and reviewed, and communications that relate to matters that are within the scope of the responsibilities of the Board will be forwarded to the Chairman of the Board, lead independent director, or independent directors as a group, as applicable. If the correspondence is addressed to the Board, the Chairman of the Board will share it with the other Board members as the Chairman determines is appropriate for the Board to review the correspondence. Director Independence

Our Board has undertaken a review of its composition, the composition of its committees, and the independence of each director and considered whether any director has a material relationship with us that could compromise their ability to exercise independent judgment in carrying out their responsibilities. Based on information provided by each director concerning their background, employment, and affiliations, including family relationships, our Board has determined that each of Pamela Brewster, Michael Molnar, Mark J. Nelson, Matthew Nordby, and Charles R. Schwab, Jr. does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is independent as that term is defined under SEC rules and NYSE listing standards. In making these determinations, our Board considered the current and prior relationships that each nonemployee director has with Local Bounti and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each nonemployee director and the transactions involving them described below under the heading “Certain Relationships and Related Person Transactions.”

Board Leadership Structure

Our Board has determined that it should maintain the flexibility to select the chairperson of the Board and adjust its Board leadership structure based on circumstances existing from time to time and based on criteria that are in our best interests and the best interests of our stockholders, including the composition, skills, diversity, and experience of the Board and its members, specific challenges faced by us or our industry, and governance efficiency. Our Board has adopted Corporate Governance Guidelines, which provide for the appointment of a lead independent director at any time when the chairperson is not independent. Craig M. Hurlbert, our Executive Chairman, has been elected to serve as Chairman of the Board. Matthew Nordby serves as lead independent director and is responsible for, among other matters, calling and presiding over each executive session of the independent directors and briefing the Executive Chairman and Chief Executive Officer on issues arising from executive sessions and serving as a liaison between the chairperson and the independent directors. Our Board believes that this overall structure of an Executive Chairman, combined with a lead independent director, results in an effective balancing of responsibilities, experience, and independent perspectives that meets the current corporate governance needs and oversight responsibilities of the Board.

Risk Management

One of the key functions of the Board is informed oversight of our risk management process. This oversight function is administered by the full Board or through its various committees. In particular, the Board is responsible for monitoring and assessing strategic risk exposure. The Audit Committee oversees our major financial risk exposures and steps that management takes to monitor and control financial risk exposures, including risk assessment guidelines and policies. The Audit Committee also oversees our enterprise risk management program and internal controls, monitors compliance with legal and regulatory requirements, and reviews the adequacy and effectiveness of our information and cybersecurity policies. The Compensation Committee assesses and monitors whether our compensation plans, policies, and programs comply with applicable legal and regulatory requirements. The Nominating and Corporate Governance Committee monitors the effectiveness of our Corporate Governance Guidelines and other corporate policies.

Code of Business Conduct and Ethics

Our Board has adopted a Code of Business Conduct and Ethics that applies to all directors, officers, and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Business Conduct and Ethics is available on our

website at localbounti.com under the heading “Investors – Governance – Governance Documents.” In addition, we intend to post under the investors section of our website all disclosures that are required by law or NYSE listing standards relating to any amendments to, or waivers from, any provision of the Code of Business Conduct and Ethics.

Succession Planning

Our Board plans for chief executive officer succession and reviews senior management selection and succession planning to facilitate the orderly functioning and transition of management. The Compensation Committee periodically reviews and discusses succession plans for senior management positions, including our leadership pipeline and talent strategies. Directors also become familiar with potential successors for key positions through other means, such as presentations at meetings.

Governance Guidelines

Our Board has adopted Corporate Governance Guidelines as a general framework to assist the Board in carrying out its responsibilities. Our Corporate Governance Guidelines are available on our website at localbounti.com under the heading “Investors – Governance – Governance Documents.”

Insider Trading Policy

We are committed to promoting high standards of ethical business conduct and compliance with applicable laws, rules and regulations. As part of this commitment, our Board has adopted an Insider Trading Policy governing the purchase, sale, or other disposition of our securities by our directors, officers, employees, and designated contractors, that we believe is reasonably designed to promote compliance with insider trading laws, rules, and regulations and the exchange listing standards applicable to us. A copy of our Insider Trading Policy was filed as Exhibit 19.1 to our Annual Report on Form 10-K for the year ended December 31, 2024.

Policy Against Hedging and Pledging

Our Insider Trading Policy prohibits directors, officers, and employees from taking any of the following actions:

- Purchasing any financial instruments (such as prepaid variable forward contracts, equity swaps, collars, or exchange funds) or otherwise engaging in any transactions that hedge the risk of stock ownership in Local Bounti
- Holding Local Bounti securities in a margin account or pledging Local Bounti securities as collateral for a loan unless the pledge is approved by our compliance officer
- Engaging in short sales of Local Bounti securities
- Trading in derivatives of Local Bounti securities

Compensation Recovery Policy (Clawback Policy)

Our Board has adopted a Compensation Recovery Policy, sometimes referred to as a clawback policy, which applies to our current and former executive officers, including our named executive officers. In the event of an accounting restatement due to material noncompliance with financial reporting requirements under securities laws, Local Bounti will seek to recover incentive compensation paid in excess of what would have been paid if the amounts had been determined based on the restated financial reporting measures. Incentive compensation includes any compensation that is granted, earned, or vested based wholly or in part upon the attainment of financial reporting measures. The policy applies to incentive compensation paid during the three completed fiscal years before the decision to restate. Any recovery is made without regard to whether the individual had knowledge of or responsibility for the restatement. The Compensation Committee may determine that it is impracticable to recover compensation in a particular circumstance based on all relevant facts and circumstances. We may seek recovery by way of reimbursement of compensation, withholding of unpaid compensation, setoff, or the rescission or cancellation of unvested stock. The policy applies to compensation received on or after October 2, 2023.

Policies and Practices Related to the Grant of Certain Equity Awards Close in Time to the Release of Material Nonpublic Information

We do not grant stock options or similar awards as part of our equity compensation programs. If stock options or similar awards were granted, our policy is to not grant stock options or similar awards in anticipation of the release of material nonpublic information that is likely to result in changes to the price of our common stock, such as a significant positive or negative earnings announcement, and not time the public release of such information based on stock option grant dates. In addition, it is our policy to not grant stock options or similar awards during periods in which there is material nonpublic information about our company, including (i) during “blackout” periods or outside a “trading window” established in connection with the public release of earnings information under our insider trading policy (each, a “Blackout”) or (ii) at any time during the four business days prior to or the one business day following the filing of our periodic reports or the filing or furnishing of a Form 8-K that discloses material nonpublic information (each, a “Filing Window”). If stock options or similar awards were granted, our executive officers would not be permitted to choose the grant date for their individual stock option grants. These restrictions do not apply to RSUs or other types of equity awards that do not include an exercise price related to the market price of our common stock on the date of grant. During the period covered by this report, we have not timed the disclosure of material nonpublic information for the purpose of affecting the value of executive compensation.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our directors, executive officers, and persons who beneficially own more than 10% of our common stock to file with the SEC reports of ownership regarding the common stock and other Local Bounti equity securities. These persons are required to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of these forms furnished to us and written representations from our directors and executive officers, we believe that all Section 16(a) filing requirements were timely met in 2024, except that Jennifer Carr-Smith filed late a Form 4 reporting the sale of Local Bounti common stock in December 2024.

Committees of the Board

Our Board has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Our Board may establish other committees from time to time.

Audit Committee

Our Audit Committee is comprised of Mark J. Nelson (Chair), Pamela Brewster, and Michael Molnar. Each of Mark J. Nelson, Pamela Brewster, and Michael Molnar meets the requirements for independence and financial literacy under SEC rules and NYSE listing standards. In addition, each of Mark J. Nelson and Michael Molnar qualifies as an audit committee financial expert as defined under SEC rules. Our Audit Committee held five meetings in 2024.

The Audit Committee’s responsibilities include, among other things, the following:

- appointing, compensating, retaining, evaluating, terminating, and overseeing our independent registered public accounting firm
- reviewing the adequacy of our system of internal controls and the disclosure regarding this system of internal controls contained in our periodic filings
- preapproving all audit and permitted non-audit services and related engagement fees and terms for services provided by our independent auditors
- reviewing with our independent auditors their independence from management
- reviewing, recommending, and discussing various aspects of the financial statements and reporting of the financial statements with management and our independent auditors
- establishing procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls, or auditing matters

Our Audit Committee operates under a written charter, which satisfies SEC rules and NYSE listing standards and is available on our website at localbounti.com under the heading “Investors – Governance –

Governance Documents.” The Audit Committee approves in advance all audit services and permissible non-audit services, other than de minimis non-audit services, to be provided to us by our independent registered public accounting firm.

Compensation Committee

Our Compensation Committee is currently comprised of Pamela Brewster (Chair) and Matthew Nordby. The composition of the Compensation Committee meets the requirements for independence under SEC rules and NYSE listing standards. Each member of the Compensation Committee is a nonemployee director, as defined in Rule 16b-3 promulgated under the Exchange Act. Our Compensation Committee held four meetings in 2024.

The Compensation Committee is responsible for, among other things, the following:

- setting the compensation of our Chief Executive Officer and, in consultation with our Chief Executive Officer, reviewing and approving the compensation of our other executive officers
- reviewing on a periodic basis and making recommendations to the Board regarding nonemployee director compensation
- reviewing on a periodic basis and discussing with our Chief Executive Officer and the Board the development and succession plans for senior management positions
- administering any cash and equity-based incentive plans that are stockholder-approved or where participants include our executive officers and directors
- providing oversight of and recommending improvements to our overall compensation and incentive plans and benefit programs

Our Compensation Committee operates under a written charter, which satisfies NYSE listing standards and is available on our website at localbounti.com under the heading “Investors – Governance – Governance Documents.” The charter provides that the Compensation Committee may, in its sole discretion, retain or obtain the advice of a compensation consultant, legal counsel, or other adviser and is directly responsible for the appointment, compensation, and oversight of the work of the adviser. However, before engaging or receiving advice from a compensation consultant, external legal counsel, or any other adviser, the Compensation Committee will consider the independence of the adviser, including the factors required by SEC rules and NYSE listing standards.

Our Compensation Committee retains Meridian Compensation Partners (“Meridian”) as its independent compensation consultant. Meridian periodically collects and analyzes market data to provide a competitive reference on pay levels, structure, and performance alignment for executives and directors. Meridian may also advise the Compensation Committee on other executive and director compensation matters and general compensation trends. Outside of its role as independent compensation consultant, Meridian does not provide any other services to us or our management and does not have any other direct or indirect business relationships with us or our management. The Compensation Committee has assessed the independence of Meridian and concluded that its engagement does not raise any conflicts of interest.

While market data provided by an independent compensation consultant can be a useful guide in setting executive compensation, the Compensation Committee believes that a successful compensation program also requires that the Compensation Committee apply its own judgment and subjective determination to reconcile the program’s objectives with the realities of rewarding and retaining our executives and to measure the individual performance of our executives. In this regard, the Compensation Committee asks certain executives, including our Executive Chairman; President, Chief Executive Officer, and Chief Financial Officer; and General Counsel, to make recommendations about the compensation to be paid to other executives and employees. The Compensation Committee believes it is valuable to consider the recommendations of these executives because of their knowledge of our operations, industry, and day-to-day responsibilities of our other executives. The Board or Compensation Committee makes all compensation decisions with regard to our Chief Executive Officer without the participation of our Chief Executive Officer. While the Compensation Committee is solely responsible for the appointment of the independent compensation consultant and for approving executive compensation, management supports the work of the Compensation Committee and the independent compensation consultant. The members of the Compensation Committee meet regularly in executive sessions outside the presence of management.

TABLE OF CONTENTS

The Compensation Committee has authority to form, and delegate authority to, one or more subcommittees, comprised of one or more committee members. Any subcommittee will have the responsibilities and authority delegated to it, including, if so designated, the full responsibility and authority of the committee with respect to delegated matters, unless otherwise prohibited by applicable laws or listing standards.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is comprised of Matthew Nordby (Chair) and Mark J. Nelson. The composition of the Nominating and Corporate Governance Committee meets the requirements for independence under SEC rules and NYSE listing standards. Our Nominating and Corporate Governance Committee held three meetings in 2024.

Our Nominating and Corporate Governance Committee is responsible for, among other things, the following:

- identifying, evaluating, and making recommendations to the Board regarding nominees for election to the Board and its committees
- developing and making recommendations to the Board regarding our Corporate Governance Guidelines
- overseeing our corporate governance practices
- reviewing our Code of Business Conduct and Ethics and approve any amendments or waivers
- overseeing the evaluation and the performance of the Board and individual directors

Our Nominating and Corporate Governance Committee operates under a written charter, which satisfies NYSE listing standards, and which is available on our website at localbounti.com under the heading “Investor Relations – Governance – Governance Documents.”

Our Nominating and Corporate Governance Committee is responsible for reviewing with the Board, on an annual basis, the appropriate characteristics, skills, and experience required for the Board as a whole and its individual members. Although the Nominating and Corporate Governance Committee does not have a specific policy on diversity, in evaluating the suitability of individual candidates (both new candidates and current members), the Nominating and Corporate Governance Committee, in recommending candidates for election, and the Board, in approving (and, in the case of vacancies, appointing) the candidates, may take into account many factors, including diversity of personal and professional background, perspective, and experience; personal and professional integrity, ethics, and values; experience in corporate management, operations, or finance; experience relevant to our industry and with relevant social policy concerns; experience as a Board member or executive officer of another public company; relevant academic expertise or other proficiency in an area of our operations; practical and mature business judgment; and any other relevant qualifications, attributes, or skills. While the Nominating and Corporate Governance Committee has not established specific minimum qualifications for individual candidates, the Nominating and Corporate Governance Committee believes that candidates and director nominees must result in a Board comprised of directors who are predominantly independent, possess high personal and professional ethics and integrity, have qualifications that will increase overall Board effectiveness, meet requirements of applicable rules and regulations, such as financial literacy or financial expertise with respect to Audit Committee members, and are willing and able to represent the best interests of all stockholders of Local Bounti. Currently, our Board evaluates each individual in the context of the Board as a whole with the objective of assembling a group that can best maximize the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

In recommending candidates for nomination, our Nominating and Corporate Governance Committee considers candidates recommended by directors, officers, employees, stockholders, and others. Our Nominating and Corporate Governance Committee has authority under its charter to retain a search firm for identifying potential director candidates. Our Nominating and Corporate Governance Committee will consider suggestions by stockholders of potential director candidates and does not intend to alter its criteria for evaluating potential director candidates, including the criteria described above, in the case of director candidates recommended by stockholders. Proposal 3 – Approval for purposes of complying with the rules of the NYSE, the issuance of shares of our common stock upon the conversion of our outstanding Series A Preferred Stock

Background and Overview

On March 31, 2025, we entered into a securities purchase agreement (the “SPA”) with certain investors (the “Purchasers”), pursuant to which we issued 1,771,586 shares common stock, par value \$0.0001 per share (the “Common Stock”), in an amount up to 19.99% of our outstanding Common Stock, as well as 10,728,414 additional shares of a newly created series of non-voting convertible preferred stock, par value \$0.0001 per share (the “Series A Preferred Stock”), in a “blocker” preferred stock issuance for compliance with NYSE rules (the “Private Placement”). The Private Placement closed on March 31, 2025.

The Series A Preferred Stock will automatically convert to Common Stock upon receipt of stockholder approval in accordance with the NYSE change of control and 20% limitation rules (“Stockholder Approval”). The Series A Preferred Stock is a non-voting preferred stock (except as required by applicable law) with no liquidation preference and is redeemable at the option of the holder at \$2.00 per share, if not automatically converted within one year from the date of issuance.

Pursuant to the Investor Rights Agreement entered into with the Purchasers in connection with the SPA, we intend to file a registration statement with the SEC for purposes of registering the shares of our common stock issuable upon conversion of the Series A Preferred Stock (“Series A Preferred Conversion Shares”) for resale by the Purchasers. The SPA contains customary terms and conditions for a transaction of this type, including certain customary indemnification rights. In addition, we have agreed to use commercially reasonable efforts to obtain such approval as may be required by the applicable rules and regulations of the NYSE from our stockholders with respect to a change of control of Local Bounti resulting from beneficial ownership in excess of 19.99% of our outstanding common stock upon the issuance of the Series A Preferred Conversion Shares.

Reason for Seeking Stockholder Approval

Under Section 312.03 of the NYSE Listed Company Manual, stockholder approval is required prior to the issuance of shares of common stock, or of securities convertible into or exercisable for common stock, in certain circumstances, including (a) if the number of shares of common stock to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the common stock or of securities convertible into or exercisable for common stock and (b) if the issuance will result in a change of control of the issuer (“NYSE Change of Control Provision”).

The aggregate number of shares of Common Stock and of shares of Common Stock underlying the Series A Preferred Stock to be issued as part of the Private Placement exceeds 20% of the 8,862,361 shares of Common Stock outstanding immediately before the issuance of the Series A Preferred Stock on March 31, 2025. However, the Certificate of Designations of Preferences, Rights and Limitations of Series A Non-Voting Convertible Preferred Stock restricts the conversion of the Series A Preferred Stock and issuance of Common Stock underlying the Series A Preferred Stock until such time Stockholder Approval has been obtained. Although the NYSE rules do not define “change of control,” the issuance of the Series A Preferred Conversion Shares pursuant to the SPA may be deemed to trigger the NYSE Change of Control Provision. In order to comply with the with the NYSE Listed Company Manual, we are seeking the approval of stockholders for the potential issuance of the shares underlying the Series A Preferred Stock.

Stockholder approval of this Proposal 3 will constitute stockholder approval for purposes of Section 312.03 of the NYSE Listed Company Manual of the potential issuance of the shares of common stock underlying the Series A Preferred Stock.

In the event that this Proposal 3 is not approved by our stockholders, we will be obligated under the SPA to seek stockholder approval for the issuance equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the common stock or of securities convertible into or exercisable for common stock and for the issuance resulting in a change of control of the issuer again in the future.

[TABLE OF CONTENTS](#)

Potential Adverse Effects — Dilution

If our stockholders vote to approve this Proposal 3, the conversion of the Series A Preferred Stock into shares of common stock will have a dilutive effect on current stockholders in that the percentage ownership of Local Bounti held by such other current stockholders will decline as a result of the issuance of such common stock. Issuance of such common stock will also have a dilutive effect on book value per share and any future earnings per share. Dilution of equity interests could also cause prevailing market prices for our common stock to decline.

Required Vote

Approval of the issuance of shares of our common stock upon the conversion of our outstanding Series A Preferred Stock for purposes of complying with the NYSE rules, requires an affirmative vote of a majority of the votes cast affirmatively. If you “ABSTAIN” from voting on Proposal 3, the abstention will have no effect on the outcome of the vote to approve the issuance of shares of our common stock upon the conversion of our outstanding Series A Preferred Stock for purposes of complying with the NYSE rules.

The Board recommends a vote “FOR” Proposal 3.

Proposal 4 – Approval of an Amendment to the 2021 Plan regarding Share Increase**Background**

Our stockholders are being asked to approve an amendment of our 2021 Plan in the form attached to this proxy statement as [Annex A](#). The proposed amendment is referred to herein as the “2021 Plan Amendment.” The Board approved the 2021 Plan Amendment effective March 31, 2025, subject to stockholder approval.

If the 2021 Plan Amendment is not approved by our stockholders, the 2021 Plan Amendment will have no further force or effect, the 2021 Plan will continue in full force and effect, although there would be fewer shares available for issuance under the 2021 Plan.

We strongly believe that an equity incentive program is a necessary and important incentive and retention tool. We do not currently offer a cash bonus plan to employees and instead rely heavily on equity awards as a key compensation element for employees and to better align the interests of employees with the interests of stockholders generally. If the 2021 Plan Amendment is not approved by our stockholders, our ability to recruit and retain employees could be negatively impacted.

As of March 31, 2025, 1,035,326 shares of our common stock remained available under the 2021 Plan for future issuance, which is not sufficient for our needs going forward. If the 2021 Plan Amendment is approved, an additional 2,473,042 shares of our common stock will be reserved for issuance under the 2021 Plan over the current share reserve under the 2021 Plan.

All of the foregoing share numbers may be adjusted for changes in our capitalization and certain corporate transactions, as described below under the heading “—Adjustments.”

The 2021 Plan is not being amended in any material respect other than to reflect the changes described above.

Reasons for the Proposed Amendment

The table below presents information about the number of shares remaining available for issuance under the 2021 Plan and the proposed increase in shares authorized for issuance under the 2021 Plan Amendment, each at March 31, 2025. The table below does not include information about the number of shares that were subject to outstanding equity awards or that may be available for future issuance under our other equity compensation plans.

	Number of Shares	As a % of Shares Outstanding ⁽¹⁾	Dollar Value ⁽²⁾
Shares of common stock available for grant under the 2021 Plan	1,035,326	4.8%	\$2,132,771
Proposed increase to share reserve pursuant to amended and restated 2021 Plan	2,473,042	11.6%	\$5,094,466

(1) Based on 21,362,361 shares of our common stock outstanding as of March 31, 2025, assuming conversion of the 10,728,414 outstanding shares of Series A Preferred Stock.

(2) Based on the closing price of our common stock on March 31, 2025, of \$2.06 per share.

In determining whether to approve the 2021 Plan Amendment, the Board considered that:

- Unless the 2021 Plan Amendment is authorized and approved by our stockholders, we will no longer have sufficient shares available for issuance under the 2021 Plan. As a result, we will be unable to use the 2021 Plan as an incentive and retention tool for employees. Retaining employees benefits all of our stockholders. The increase will enable us to continue our policy of equity ownership by employees as an incentive to contribute to our success.
- We expect the proposed aggregate share reserve under the 2021 Plan Amendment, together with the automatic annual increases, to provide us with sufficient shares in the near term, assuming employee participation consistent with historical levels, depending on the price of our common stock and hiring activity. We cannot predict our future share usage under the 2021 Plan, the future price of our common stock or future hiring activity with any degree of certainty at this time, and the share reserve under the 2021 Plan could last for an unknown amount of time.

TABLE OF CONTENTS

- In setting the size of the share reserve under the 2021 Plan Amendment, as described above, the Board also considered the number of shares issued by our Company under the 2021 Plan since November 19, 2021. Since November 19, 2021, a total of 2,671,911 shares of common stock have been issued under the 2021 Plan. In addition, a total of 2,375,000 shares of common stock have been awarded under the 2021 Plan, assuming amendment by the 2021 Plan Amendment, but which will not be granted until following the approval of Proposal 4 and the filing of a Form S-8 covering the increase in the number of shares being approved in Proposal 4.
- Considering the factors described above, and that granting equity compensation is vital for attracting and retaining employees in the extremely competitive labor markets in which we compete, the Board has determined that the size of the share reserve under the 2021 Plan Amendment is reasonable and appropriate at this time.

Description of the 2021 Plan

Below is a summary of the material features of the 2021 Plan. This summary is qualified in its entirety by reference to the 2021 Plan Amendment, a copy of which is attached as Annex A hereto.

Purpose

The 2021 Plan is intended to (i) attract and retain the best available personnel to ensure our success and accomplish our goals; (ii) incentivize employees, directors and independent contractors with long-term equity-based compensation to align their interests with our stockholders; and (iii) promote the success of our business.

Types of Equity Awards

The Equity 2021 Plan permits the grant of incentive stock options, nonstatutory stock options, stock appreciation rights (“SARs”), restricted stock, RSUs, and stock bonus awards (all such types of awards, collectively, “equity awards”).

Share Reserve

Number of Shares

Subject to adjustments as set forth in the 2021 Plan, the maximum aggregate number of shares of common stock that may be issued under the 2021 Plan will not exceed 1,439,380 shares, provided, that if the 2021 Plan Amendment is approved, the current maximum will be increased to 3,912,422 shares of common stock and further adjusted by the automatic increase, as described below. The shares may be authorized, but unissued, or reacquired common stock. Furthermore, subject to adjustments as set forth in the 2021 Plan, in no event will the maximum aggregate number of shares that may be issued under the 2021 Plan pursuant to incentive stock options exceed the number set forth above plus, to the extent allowable under Section 422 of the Code and the regulations promulgated thereunder, any shares that again become available for issuance pursuant to the 2021 Plan.

The number of shares available for issuance under the 2021 Plan will automatically be increased on the first day of each fiscal year beginning with the 2022 fiscal year and ending on (and including) the first day of the 2031 fiscal year, in an amount equal to 4% of the outstanding shares on the last day of the immediately preceding fiscal year, unless the Board determines on or prior to the first day of any fiscal year that there will be no increase in the share reserve for such fiscal year or that the increase in the share reserve for such fiscal year will be a lesser number of shares of common stock.

Lapsed Awards

To the extent an equity award expires or is forfeited or becomes unexercisable for any reason without having been exercised in full, or is surrendered pursuant to an exchange program (as defined in the 2021 Plan), the unissued shares that were subject thereto will continue to be available under the 2021 Plan for issuance pursuant to future equity awards. In addition, any shares which we retain upon exercise of an equity award in order to satisfy the exercise or purchase price for such equity award or any withholding taxes due with respect to such equity award will be treated as not issued and will continue to be available under the 2021 Plan for

TABLE OF CONTENTS

issuance pursuant to future equity awards. Shares issued under the 2021 Plan and later forfeited to us due to the failure to vest or repurchased by us at the original purchase price paid to us for the shares (including without limitation upon forfeiture to or repurchase by us in connection with a participant ceasing to be a service provider) will again be available for future grants under the 2021 Plan. To the extent an equity award under the 2021 Plan is paid out in cash rather than shares, such cash payment will not result in reducing the number of shares available for issuance under the 2021 Plan.

Assumption or Substitution of Awards by Local Bounti.

The Plan Administrator (as defined below), from time to time, may determine to substitute or assume outstanding awards granted by another company, whether in connection with an acquisition, merger or consolidation of such other company or otherwise, by either: (a) assuming such award under the 2021 Plan or (b) granting an award under the 2021 Plan in substitution of such other company's award. Any awards that are assumed or substituted under the 2021 Plan will not reduce the number of shares authorized for grant under the 2021 Plan or authorized for grant to a participant in any fiscal year.

Eligibility

Employees, directors and independent contractors of us or our affiliates are all eligible to participate in the 2021 Plan. Incentive stock options may only be granted to employees of ours or of our parents or subsidiaries. As of March 31, 2025, there were approximately 110 employees and five non-employee directors eligible to participate in the 2021 Plan.

Administration

The 2021 Plan is administered by the Board or a committee thereof, which committee (as in effect from time to time) will be constituted to satisfy applicable laws (the "Plan Administrator"). Awards granted to an officer or director or any other person whose transactions in the common stock are subject to Section 16 of the Exchange Act (each, an "Insider") must be approved by two or more "non-employee directors" of the Board.

Subject to the terms of the 2021 Plan, the Plan Administrator has the authority, in its discretion, to (i) determine the fair market value in accordance with the 2021 Plan; (ii) select the service providers to whom equity awards may be granted under the 2021 Plan; (iii) determine the number of shares to be covered by each equity award granted under the 2021 Plan; (iv) approve forms of equity award agreements for use under the 2021 Plan; (v) determine the terms and conditions, not inconsistent with the terms of the 2021 Plan, of any equity award granted thereunder; (vi) institute and determine the terms and conditions of an exchange program under the terms of the 2021 Plan (subject to stockholder approval); (vii) construe and interpret the terms of the 2021 Plan and equity awards granted pursuant to the 2021 Plan; (viii) correct any defect, supply any omission or reconcile any inconsistency in the 2021 Plan, any equity award or any equity award agreement; (ix) prescribe, amend and rescind rules and regulations relating to the 2021 Plan; (x) modify or amend each equity award (subject to the terms of the 2021 Plan); (xi) adjust performance goals applicable to a participant with respect to an equity award to take into account changes in applicable laws or in accounting or tax rules, or such other extraordinary events or circumstances; (xii) allow participants to satisfy tax withholding obligations in such manner as prescribed in the 2021 Plan; (xiii) authorize any person to execute on our behalf any instrument required to effect the grant of an equity award previously granted by the Plan Administrator; (xiv) allow a participant to defer the receipt of the payment of cash or the delivery of shares that would otherwise be due to such participant under an equity award; and (xv) make all other determinations deemed necessary or advisable for administering the 2021 Plan.

However, to the extent permitted by applicable law and listing requirements, the Board or a committee thereof may delegate to one or more of our directors or officers who may be (but are not required to be) Insiders, the authority to (a) designate employees who are not Insiders to be recipients of equity awards and determine the number of shares subject to equity awards granted to such designated employees, subject to certain restrictions that are set forth in the 2021 Plan and (b) take any and all actions on behalf of the Board or a committee thereof other than any actions that affect the amount or form of compensation of Insiders or have material tax, accounting, financial, human resource or legal consequences to us or our affiliates.

Members of the Plan Administrator and its delegates are indemnified and held harmless by Local Bounti from any costs that are imposed on or incurred by such persons in connection with claims due to actions or omissions under the 2021 Plan not attributable to willful misconduct.

TABLE OF CONTENTS

Stock Options

Each stock option will be designated in the equity award agreement as either an incentive stock option (which is entitled to potentially favorable tax treatment) or a nonstatutory stock option. However, notwithstanding such designation, to the extent that the aggregate fair market value of the shares with respect to which incentive stock options are exercisable for the first time by the participant during any calendar year exceeds \$100,000, such stock options will be treated as nonstatutory stock options. Incentive stock options may only be granted to employees.

The term of each stock option will be stated in the equity award agreement. In the case of an incentive stock option, the term will be 10 years from the date of grant or such shorter term as may be provided in the equity award agreement. Moreover, in the case of an incentive stock option granted to a participant who owns stock representing more than 10% of the total combined voting power of all classes of our stock or the stock of any of our affiliates, the term of the incentive stock option will be five years from the date of grant or such shorter term as may be provided in the equity award agreement.

The per share exercise price for the shares to be issued pursuant to exercise of a stock option will be determined by the Plan Administrator, subject to the following: in the case of an incentive stock option (i) granted to an employee who, at the time the incentive stock option is granted, owns stock representing more than 10% of the voting power of all classes of our stock or the stock of any of our affiliates, the per share exercise price will be no less than 110% of the fair market value per share on the date of grant; and (ii) granted to any other employee, the per share exercise price will be no less than 100% of the fair market value per share on the date of grant. In the case of a nonstatutory stock option, the per share exercise price will be no less than 100% of the fair market value per share on the date of grant. Notwithstanding the foregoing, stock options may be granted with a per share exercise price of less than 100% of the fair market value per share on the date of grant pursuant to a corporate reorganization, liquidation, etc., described in, and in a manner consistent with, Section 424(a) of the Internal Revenue Code of 1986, as amended (the "Code").

At the time a stock option is granted, the Plan Administrator will fix the period within which the stock option may be exercised and will determine any conditions that must be satisfied before the stock option may vest or be exercised. The Plan Administrator will also determine the acceptable form of consideration for exercising a stock option, including the method of payment. In the case of an incentive stock option, the Plan Administrator will determine the acceptable form of consideration at the time of grant.

If a participant ceases to be a service provider other than for "cause" (as defined in the 2021 Plan), the participant may exercise his or her stock option within such period of time as is specified in the equity award agreement to the extent that the stock option is vested on the date of termination (but in no event later than the expiration of the term of such stock option). In the absence of a specified time in the equity award agreement, to the extent vested as of a participant's termination, the stock option will remain exercisable for 12 months following a termination for death or disability, and three months following a termination for any other reason. Any outstanding stock option (including any vested portion thereof) held by a participant will immediately terminate in its entirety upon the participant being first notified of his or her termination for cause and the participant will be prohibited from exercising his or her stock option from and after the date of such notification.

Stock Appreciation Rights (SARs)

The Plan Administrator will determine the terms and conditions of each SAR, provided that the exercise price for each SAR will be no less than 100% of the fair market value of the underlying shares of common stock on the date of grant. Upon exercise of a SAR, a participant will receive payment from us in an amount determined by multiplying the difference between the fair market value of a share on the date of exercise over the exercise price by the number of shares with respect to which the SAR is exercised. SARs may be paid in cash, in shares of equivalent value, or in some combination thereof, as determined by the Plan Administrator. SARs are exercisable at the times and on the terms established by the Plan Administrator.

Restricted Stock and RSUs

Restricted stock awards are grants of shares of common stock that are subject to various restrictions, including restrictions on transferability and forfeiture provisions. Shares of restricted stock will vest and the restrictions on such shares will lapse in accordance with terms and conditions established by the Plan.

TABLE OF CONTENTS

Administrator. Each RSU is a bookkeeping entry representing an amount equal to the fair market value of one share of common stock. Upon meeting the applicable vesting criteria, the participant will be entitled to receive a payout for his or her earned RSUs as determined by the Plan Administrator in the form of cash, shares, or a combination of both.

In determining whether restricted stock or RSUs should be granted, and/or the vesting schedule for such an equity award, the Plan Administrator may impose whatever conditions on vesting and such other terms as it determines to be appropriate.

During the period of restriction, participants holding restricted stock may exercise full voting rights and will be entitled to receive all dividends and other distributions paid, in each case with respect to such shares unless the Plan Administrator determines otherwise. All such dividends or distributions will be subject to the same restrictions, including without limitation restrictions on transferability and forfeitability, as the shares of restricted stock with respect to which they were paid and shall not be paid or distributed unless and until such related shares have vested and been earned.

During the vesting period, participants holding RSUs will hold no voting rights by virtue of such RSUs. The Plan Administrator may, in its sole discretion, award dividend equivalents in connection with the grant of RSUs that may be settled in cash, in shares of equivalent value, or in some combination thereof. Absent a contrary provision in an award agreement, such dividend equivalents will be subject to the same restrictions and risk of forfeiture as the RSUs with respect to which the dividend equivalents accrue and shall not be paid or settled unless and until the related RSUs have vested and been earned.

Stock Bonus Awards

A stock bonus award is an award of shares to a participant without a purchase price that is not subject to any restrictions. The Plan Administrator will determine the number of shares to be awarded to the participant under a stock bonus award and any other terms applicable to such stock bonus award. A stock bonus award may be paid in cash, whole shares, or a combination thereof, based on the fair market value of the shares subject to the stock bonus award on the date of payment, as determined in the sole discretion of the Plan Administrator.

Performance Awards

The Plan Administrator may grant stock options, SARs, restricted stock and RSUs that are subject to the satisfaction of specified performance criteria. The Plan Administrator determines the terms surrounding performance awards, including the required levels of performance with respect to specified business criteria (including any adjustment(s) thereto that will be applied in determining the achievement of such performance criteria), the corresponding amounts payable upon achievement of such levels of performance, and the termination and forfeiture provisions; provided that all performance criteria must be determined when the achievement of such criteria remains substantially uncertain.

The Plan Administrator in its discretion may make performance goals applicable to a participant with respect to an equity award. In the Plan Administrator's discretion, one or more of the following performance goals may apply: (1) sales or non-sales revenue; (2) return on revenue; (3) operating income; (4) income or earnings including operating income; (5) income or earnings before or after taxes, interest, depreciation and/or amortization; (6) income or earnings from continuing operations; (7) net income; (8) pre-tax income or after-tax income; (9) net income excluding amortization of intangible assets, depreciation and impairment of goodwill and intangible assets and/or excluding charges attributable to the adoption of new accounting pronouncements; (10) raising of financing or fundraising; (11) project financing; (12) revenue or revenue backlog; (13) gross margin; (14) operating margin or profit margin; (15) capital expenditures, cost targets, reductions and savings and expense management; (16) return on assets, return on investment, return on capital, or return on stockholder equity; (17) cash flow, operating cash flow, free cash flow, cash flow return on investment, net cash provided by operations, or cash flow in excess of cost of capital; (18) performance warranty and/or guarantee claims; (19) stock price or total stockholder return; (20) earnings or book value per share; (21) economic value created; (22) pre-tax profit or after-tax profit; (23) strategic business criteria; (24) objective goals relating to divestitures, joint ventures, mergers, acquisitions and similar transactions; (25) objective goals relating to staff management, results from staff attitude and/or opinion surveys, staff satisfaction scores, staff safety, staff accident and/or injury rates, compliance, headcount, performance management, or completion of critical staff training initiatives; (26) objective goals relating to projects; and (27) enterprise resource planning. Equity awards issued to participants may take into account other criteria (including subjective criteria).

TABLE OF CONTENTS

Performance goals may differ from participant to participant, performance period to performance period and from equity award to equity award. Any criteria used may be measured, as applicable, (i) in absolute terms, (ii) in relative terms (including, but not limited to, any increase (or decrease) over the passage of time and/or any measurement against other companies or financial or business or stock index metrics particular to us), (iii) on a per share and/or share per capita basis, (iv) against the performance of us as a whole or against any of our affiliate(s), particular segment(s), business unit(s) or product(s) of ours or an individual project company, (v) on a pre-tax or after-tax basis, (vi) on a GAAP or non-GAAP basis, and/or (vii) using an actual foreign exchange rate or on a foreign exchange neutral basis.

Outside Director Limitations

Equity awards granted during a single fiscal year under the 2021 Plan or otherwise, taken together with any cash fees paid during such fiscal year for services on the Board, will not exceed (i) \$1,000,000 in total value for any outside director serving as the lead director of the Board or chair of the Board (including with respect to the first year of service) and (ii) \$700,000 in total value for any other outside director, except with respect to the first year of service in which case any equity awards granted and cash fees paid will not exceed \$1,000,000 in total value (calculating the value of any such equity awards, in each case, based on the grant date fair value of such equity awards for financial reporting purposes). Such applicable limit will include the value of any equity awards that are received in lieu of all or a portion of any annual committee cash retainers or other similar cash-based payments. Equity awards granted to an individual while he or she was serving in the capacity as an employee or while he or she was an independent contractor but not an outside director will not count for purposes of these limits.

Leaves of Absence/Transfer Between Locations; Time Commitment Change

The Plan Administrator has the discretion to determine at any time whether and to what extent the vesting of equity awards will be suspended during any leave of absence; provided that in the absence of such determination, vesting of equity awards will continue during any paid leave and will be suspended during any unpaid leave (unless otherwise required by applicable laws). A participant will not cease to be an employee in the case of (i) any leave of absence approved by the participant's employer or (ii) transfers between our locations or between us and any of our affiliates. If an employee holds an incentive stock option and such leave exceeds three months then, for purposes of incentive stock option status only, such employee's service as an employee will be deemed terminated on the first day following such three month period and the incentive stock option will thereafter automatically be treated for tax purposes as a nonstatutory stock option in accordance with applicable laws, unless reemployment upon the expiration of such leave is guaranteed by contract or statute, or unless provided otherwise pursuant to a written Company policy.

If a participant's regular level of time commitment in performing services to us or an affiliate of ours is reduced after an equity award is granted, the Plan Administrator has the discretion, subject to applicable laws, to (i) proportionately reduce the number of shares or cash amount subject to equity awards that vest or become payable after such change in time commitment, and (ii) in lieu of or in combination with such a reduction, extend the vesting schedule of the equity award. If the Plan Administrator makes such a reduction, the participant will no longer have any rights to the portion of the equity award that is so reduced.

Nontransferability of Equity Awards

Unless determined otherwise by the Plan Administrator, an equity award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will, by the laws of descent or distribution, or if we so permit, by beneficiary designation, and may be exercised, during the lifetime of the participant, only by the participant. If the Plan Administrator makes an equity award transferable, such equity award will contain such additional terms and conditions as the Plan Administrator deems appropriate provided, however, that in no event may any equity award be transferred for consideration to a third-party financial institution.

Clawback/Recovery

The Plan Administrator may specify in an equity award agreement that the participant's rights, payments, and/or benefits with respect to an equity award will be subject to reduction, cancellation, forfeiture, and/or recoupment upon the occurrence of certain specified events, in addition to any applicable vesting, performance or

TABLE OF CONTENTS

other conditions and restrictions of an equity award. Notwithstanding any provisions to the contrary under the 2021 Plan, an equity award granted under the 2021 Plan will be subject to any clawback policy as may be established and/or amended from time to time by us. The Plan Administrator may require a participant to forfeit or return to and/or reimburse us for all or a portion of the equity award and/or shares issued under the equity award, any amounts paid under the equity award, and any payments or proceeds paid or provided upon disposition of the shares issued under the equity award, pursuant to the terms of such Company policy or as necessary or appropriate to comply with applicable laws.

Adjustment

In the event of a stock split, reverse stock split, stock dividend, combination, consolidation, recapitalization or reclassification of the shares, subdivision of the shares, a rights offering, a reorganization, merger, spin-off, split-up, repurchase, or exchange of the common stock or other securities of us or other significant corporate transaction, or other change affecting the common stock occurs, the Plan Administrator, in order to prevent dilution, diminution or enlargement of the benefits or potential benefits intended to be made available under the 2021 Plan, will, in such manner as it may deem equitable, adjust the number, kind and class of securities that may be delivered under the 2021 Plan and/or the number, class, kind and price of securities covered by each outstanding equity award; provided that all such adjustments will be made in a manner that does not result in taxation under Section 409A of the Code (“Section 409A”).

Dissolution or Liquidation

In the event of the proposed winding up, dissolution or liquidation of us, the Plan Administrator will notify each participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised or settled, an equity award will terminate immediately prior to the consummation of such proposed action.

Corporate Transaction

In the event of (i) a transfer of all or substantially all of our assets, (ii) a merger, consolidation or other capital reorganization or business combination transaction of us with or into another corporation, entity or person, (iii) the consummation of a transaction, or series of related transactions, in which any person becomes the beneficial owner directly or indirectly, of more than 50% of our then outstanding capital stock, or (iv) a “Change in Control” (as defined in the 2021 Plan) each outstanding equity award (vested or unvested) will be treated as the Plan Administrator determines, which determination may provide for one or more of the following: (a) the continuation of such outstanding equity awards (if we are the surviving corporation); (b) the assumption of such outstanding equity awards by the surviving corporation or its parent; (c) the substitution by the surviving corporation or its parent of new stock options or other equity awards for such equity awards; (d) the cancellation of such equity awards in exchange for a payment to the participants equal to the excess of (1) the fair market value of the shares subject to such equity awards as of the closing date of such corporate transaction over (2) the exercise price or purchase price paid or to be paid (if any) for the shares subject to the equity award; provided that such payment may be subject to the same conditions that apply to the consideration that will be paid to holders of shares in connection with the transaction, (subject to applicable laws); (e) the full or partial acceleration of vesting, exercisability, payout or accelerated expiration of an outstanding equity award, lapse of our right to repurchase or re-acquire shares acquired under an equity award or lapse of forfeiture rights with respect to shares acquired under an equity award; (f) the opportunity for participants to exercise their stock options and/or SARs prior to the occurrence of the corporate transaction and the termination (for no consideration) upon the consummation of such corporate transaction of any stock options not exercised prior thereto or (g) the cancellation of such outstanding equity awards in exchange for no consideration.

Change in Control

An equity award may be subject to additional acceleration of vesting and exercisability upon or after a “change in control” (as defined in the 2021 Plan) as may be provided in the equity award agreement for such equity award or as may be provided in any other written agreement between us or any of our affiliates and the participant, but in the absence of such provision, no such acceleration will occur (unless otherwise determined by the Plan Administrator in connection with a corporate transaction).

TABLE OF CONTENTS

Amendment, Termination and Duration of the 2021 Plan

The 2021 Plan will continue in effect unless terminated earlier under the terms of the 2021 Plan. The Plan Administrator may at any time amend, alter, suspend or terminate the 2021 Plan. No incentive stock options may be granted after October 18, 2031. No awards may be granted under the 2021 Plan while the 2021 Plan is suspended or after it is terminated.

U.S. Federal Tax Aspects

A participant who receives a stock option or SAR will not have taxable income upon the grant of the stock option or SAR. For nonstatutory stock options and SARs, the participant will recognize ordinary income upon exercise in an amount equal to the excess of the fair market value of the shares over the exercise price — the appreciation value — on the date of exercise. Any additional gain or loss recognized upon any later disposition of the shares generally will be long-term or short-term capital gain or loss, depending on whether the shares are held for more than one year.

The purchase of shares upon exercise of an incentive stock option will not result in any taxable income to the participant, except for purposes of the alternative minimum tax. Gain or loss recognized by the participant on a later sale or other disposition of the shares will be capital gain or loss and/or ordinary income depending upon whether the participant holds the shares transferred upon exercise for a specified period. If the shares are held for the specified period, any gain generally will be taxed at long-term capital-gain rates. If the shares are not held for the specified period, generally any gain up to the excess of the fair market value of the shares on the date of exercise over the exercise price will be treated as ordinary income. Any additional gain generally will be taxable at long-term or short-term capital-gain rates, depending on whether the participant held the shares for more than one year after the exercise date.

A participant who receives restricted stock will not have taxable income until vesting unless the participant timely files an election under Section 83(b) of the Code to be taxed at the time of grant. The participant will recognize ordinary income equal to the fair market value of the shares at the time of vesting less the amount paid for such shares (if any) if no such election is made. Any additional gain or loss recognized upon any later disposition of the shares generally will be long-term or short-term capital gain or loss, depending on whether the shares are held for more than one year. If a participant timely files a Section 83(b) election, the participant will recognize ordinary income equal to the fair market value of the shares at the time of purchase or grant less the amount paid for such shares (if any).

A participant who receives RSUs will not have taxable income upon grant of the equity award; instead the participant will be taxed upon settlement of the equity award. The participant will recognize ordinary income upon settlement equal to the fair market value of the shares or the amount of cash received by the participant. In addition, Section 409A imposes certain restrictions on deferred compensation arrangements. Equity awards that are treated as deferred compensation under Section 409A are intended to meet the requirements of this section of the Code.

Prior to the delivery of any shares or cash pursuant to an equity award (or exercise thereof) or prior to any time the equity award or shares are subject to taxation or other tax-related items, we and/or the participant's employer will have the power and the right to deduct or withhold, or require a participant to remit to us, an amount sufficient to satisfy any tax-related items or other items that are required to be withheld or deducted or otherwise applicable with respect to such equity award.

The Plan Administrator may, at its discretion and pursuant to such procedures as it may specify from time to time, permit a participant to satisfy such withholding or deduction obligations or any other tax-related items, in whole or in part by (without limitation) paying cash, electing to have us withhold otherwise deliverable cash or shares, or delivering to us already-owned shares; provided that, unless the Plan Administrator permits otherwise, any proceeds derived from a cashless exercise must be an approved broker-assisted cashless exercise or the cash or shares withheld or delivered must be limited to avoid financial accounting charges under applicable accounting guidance or shares must have been previously held for the minimum duration required to avoid financial accounting charges under applicable accounting guidance. The fair market value of the shares to be withheld or delivered will be determined based on such methodology that we deem to be reasonable and in accordance with applicable laws.

TABLE OF CONTENTS

We will be entitled to a tax deduction in connection with an equity award under the 2021 Plan only in an amount equal to the ordinary income realized by the participant and at the time the participant recognizes the income. Section 162(m) of the Code places a limit of \$1 million on the amount of compensation that we may deduct as a business expense in any year with respect to certain of our most highly paid executive officers. While the Plan Administrator considers the deductibility of compensation as one factor in determining executive compensation, the Plan Administrator retains the discretion to award and pay compensation that is not deductible as it believes that it is in the best interests of our stockholders to maintain flexibility in our approach to executive compensation and to structure a program that we consider to be the most effective in attracting, motivating and retaining key employees.

2021 Plan Benefits

Awards granted under the 2021 Plan Amendment will be subject to the Administrator's discretion, and the Administrator has not determined future awards under the 2021 Plan Amendment or who might receive them. As a result, as of the record date, the benefits that will be awarded or paid under the 2021 Plan Amendment are not determinable. As of March 31, 2025, each of our named executive officers and the other groups identified below have been awarded the following shares under the 2021 Plan since November 19, 2021:

	# of Shares or Units Granted⁽¹⁾
Craig Hurlbert, Co-Founder and Executive Chairman	273,846
Kathleen Valiasek, President, Chief Executive Officer, and Chief Financial Officer	460,594
Margaret McCandless, General Counsel and Corporate Secretary	53,846
All named executive officers as a group (3 persons)	788,286
All current directors who are not named executive officers as a group (6 persons)	283,397
All employees who are not named executive officers as a group	1,883,625

(1) Comprises restricted shares and restricted stock units. No stock options have been granted under the 2021 Plan. In addition, (i) restricted stock units for 1,400,000 shares of common stock and (ii) restricted stock units for 700,000 shares of common stock have been awarded under the 2021 Plan, assuming amendment by the 2021 Plan Amendment, to Ms. Valiasek and Mr. Hurlbert, respectively, but which will not be granted until following the approval of Proposal 4 and the filing of a Form S-8 covering the increase in the number of shares being approved in Proposal 4

Effect of the Proposed Amendment

Approval of this Proposal 4 constitutes approval of the 2021 Plan Amendment as set forth above. If approved by stockholders, an additional 2,473,042 shares of our common stock will be reserved for issuance under the 2021 Plan over the current share reserve under the 2021 Plan.

Required Vote

Approval of the 2021 Plan Amendment requires an affirmative vote of a majority of the voting power of the outstanding shares of our common stock present in person or represented by proxy who are entitled to vote at the meeting. If you "ABSTAIN" from voting on Proposal 4, the abstention will have no effect on the outcome of the vote to approve the 2021 Plan Amendment.

The Board recommends a vote "FOR" Proposal 4.
