The Company does not have outstanding stockholder purchase rights or "poison pill" or any similar arrangement in effect giving any Person the right to purchase any equity interest in the Company upon the occurrence of certain events.

4.5 Valid Issuance. Such Investor understands that the Securities are characterized as "restricted securities" under the U.S. federal securities laws inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that, under such laws and applicable regulations, such securities may not be resold unless in a registered offering or pursuant to an exemption from the registration requirements under the Securities Act.

5.7 Legends. Subject to Section 6.4, such Investor understands that certificates evidencing the Securities may bear the following or any similar legends:

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND, ACCORDINGLY, MAY NOT BE SOLD, OFFERED FOR SALE OR OTHERWISE TRANSFERRED UNLESS (I) SUCH SECURITIES HAVE BEEN REGISTERED FOR SALE PURSUANT TO THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR ANY APPLICABLE STATE LAW; (II) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE ACT OR APPLICABLE STATE LAW; OR (III) THE COMPANY HAS RECEIVED AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO IT THAT SUCH TRANSFER MAY BE MADE WITHOUT REGISTRATION UNDER THE ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES REPRESENTED HEREBY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.”

If required by the authorities of any state in connection with the issuance or sale of the Securities, certificates evidencing the same may bear the legend required by such state authority.

5.8 Accredited Investor. At the time such Investor was offered the Securities, it was and, as of the date hereof, such Investor is an “accredited investor” within the meaning of Rule 501 under the Securities Act and has executed and delivered to the Company an investor questionnaire, in form acceptable to the Company. Such Investor is a sophisticated institutional investor with sufficient knowledge, sophistication and experience in business, including transactions involving private placements in public equity, to properly evaluate the risks and merits of its purchase of the Securities.

5.9 No General Solicitation. Such Investor did not learn of the investment in the Securities as a result of any general solicitation or general advertising.

5.10 Brokers and Finders. No Person will have, as a result of the transactions contemplated by the Transaction Documents, any valid right, interest or claim against or upon the Company for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of such Investor.

5.11 Short Sales and Confidentiality Prior to the Date Hereof. Other than consummating the transactions contemplated hereunder, such Investor has not, nor has any Person acting on behalf of or pursuant to any understanding with such Investor, directly or indirectly executed any purchases or sales, including Short Sales, of the securities of the Company during the period commencing as of the time that such Investor was first contacted by the Company, or any other Person regarding the transactions contemplated hereby and ending immediately prior to the date hereof. Notwithstanding the foregoing, (i) in the case of an Investor that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Investor’s assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Investor’s assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Securities covered by this Agreement and (ii) in the case of an Investor that is affiliated with other funds or investment vehicles or whose investment advisor or sub-advisor that routinely acts on behalf of or pursuant to an understanding with such Investor is also an investment advisor or sub-advisor to other funds or investment vehicles, the representation set forth above shall only apply with respect to the personnel of such other funds or investment vehicles or such investment advisor or sub-advisor who had knowledge of the transactions contemplated by the Transaction Documents and not with respect to any personnel who have been effectively walled off by appropriate information barriers. The Investor and its authorized representatives and advisors who are aware of the transactions contemplated hereby, maintained the confidentiality of all

disclosures made to it in connection with this transaction (including the existence and terms of this transaction). Notwithstanding the foregoing, for avoidance of doubt, nothing contained herein shall constitute a representation or warranty, or preclude any actions, with respect to the identification of the availability of, or securing of, available shares to borrow in order to effect Short Sales or similar transactions in the future.

5.12 No Government Recommendation or Approval. Such Investor understands that no United States federal or state agency, or similar agency of any other country, has reviewed, approved, passed upon, or made any recommendation or endorsement of the Company or the purchase of the Securities.

5.13 No Intent to Effect a Change of Control; Ownership. Such Investor has no present intent to effect a “change of control” of the Company as such term is understood under the rules promulgated pursuant to Section 13(d) of the Exchange Act and under the rules of the NYSE.

5.14 No Conflicts. The execution, delivery and performance by such Investor of the Transaction Documents and the consummation by such Investor of the transactions contemplated hereby and thereby will not (i) result in a violation of the organizational documents of such Investor; (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Investor is a party; or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to such Investor, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of such Investor to perform its obligations hereunder.

5.15 Residency. Such Investor is a resident of or an entity domiciled under the jurisdiction specified below its address on the Schedule of Investors.

The Company acknowledges and agrees that the representations contained in this Section 5 shall not modify, amend or affect such Investor’s right to rely on the Company’s representations and warranties contained in this Agreement or any representations and warranties contained in any other Transaction Document or any other document or instrument executed or delivered in connection with this Agreement or the consummation of the transactions contemplated hereby.

6. Covenants and Agreements of the Company.

6.1 NYSE Listing. Promptly following the execution of this Agreement, the Company shall file a supplemental listing application with the NYSE for the listing of the Securities, a copy of which notification form shall have been made available to the Investors upon request. The Company will use commercially reasonable efforts to continue the listing and trading of its Common Stock on the NYSE and, in accordance therewith, will use commercially reasonable efforts to comply in all respects with the Company’s reporting, filing and other obligations under the bylaws or rules of such market, as applicable. The provisions of this Section 6.1 shall terminate and be of no further force and effect on the date on which the Company’s obligations under the Registration Rights Agreement to register or maintain the effectiveness of any registration covering the Registrable Securities (as such term is defined in the Registration Rights Agreement) shall terminate.

6.2 Form D; Blue Sky Filings. The Company agrees to timely file a Form D with respect to the Securities as required under Regulation D. The Company shall take such commercially reasonable actions as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to the Investors at the Initial Closing and Second Closing under applicable securities or “Blue Sky” laws of the states of the United States.

6.3 Removal of Legends. In connection with the effectiveness of any Registration Statement (as defined in the Registration Rights Agreement), any sale, assignment, transfer or other disposition of the Securities by an Investor pursuant to an effective Registration Statement, Rule 144 or any other exemption under the Securities Act, if requested by the Investor, the Company shall cause the transfer agent for the Common Stock (the “Transfer Agent”) to timely remove any restrictive legends related to the book-entry account holding such Securities and make a new, unlegended entry for such book-entry Securities without restrictive legends within three (3) Trading Days of any such request therefor from the Investor, provided that the Company has received from the Investor customary representations and other documentation. In connection with such a request, the Company shall cause its counsel to deliver to the Transfer Agent one or more blanket opinions to the effect that the removal of such legends in such circumstances may be effected under the Securities Act, and the Company shall be responsible for the fees associated with such legend removal, including the fees of the Transfer Agent, legal counsel to the Company and any DTC fees.

6.4 Pledge of Securities. The Company acknowledges and agrees that its Securities may be pledged by an Investor in connection with a bona fide margin agreement or other loan or financing arrangement that is secured by the Securities. The pledge of Securities shall not be deemed to be a transfer, sale or assignment of the Securities hereunder, and no Investor effecting a pledge of Securities shall be required to provide the Company with any notice thereof or otherwise make any delivery to the Company pursuant to this Agreement or any other Transaction Document; provided that an Investor and its pledgee shall be required to comply with the provisions of the Transaction Documents, including Section 6.4 hereof, in order to effect a sale, transfer or assignment of any Securities to such pledgee.

6.5 Fees. The Company shall be responsible for the payment of any financial advisory fees, or broker’s commissions (other than for Persons engaged by any Investor) relating to or arising out of the transactions contemplated hereby.

6.6 Short Sales and Confidentiality After the Date Hereof. Each Investor covenants that neither it nor any Affiliates acting on its behalf or pursuant to any understanding with it will execute any Short Sales during the period from the date hereof until the earlier of such time as (i) after the transactions contemplated by this Agreement are first publicly announced or (ii) this Agreement is terminated in full. Notwithstanding the foregoing, in the case of an Investor that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Investor’s assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Investor’s assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Securities. Each Investor covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company, such Investor will maintain the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction).

6.7 Disclosure of Transactions. The Company shall, by 9:00 a.m., New York City time, on the Trading Day immediately following the date of this Agreement, issue a press release disclosing all material terms of transactions contemplated by this Agreement and the other Transaction Documents (the “Press Release”) and, by no later than 5:30 p.m. (New York City time) on the fourth Business Day following the date of this Agreement, the Company will file with the SEC a Current Report on Form 8-K attaching copies of the Transaction Documents (the “Form 8-K”). Upon the issuance of the Press Release, no Investor shall be in possession of any material, non-public information received from the Company or

any of its officers, directors, or employees or agents, that is not disclosed in the Press Release. In addition, effective upon the issuance of the Press Release, the Company acknowledges and agrees that any and all confidentiality or similar obligations under this Agreement, or an agreement entered into in connection with the transactions contemplated by the Transaction Documents, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, agents, employees or affiliates, on the one hand, and any of the Investors or any of their respective officers, directors, agents, employees or investment advisers, on the other hand, shall terminate unless otherwise specifically agreed in writing by such Investor. Notwithstanding anything in this Agreement to the contrary, the Company shall not publicly disclose the name of any Investor any of its affiliates or advisers, or include the name of any Investor or any of its affiliates or advisers (i) in any press release, public announcement or marketing materials without the prior written consent of such Investor or (ii) in any filing with the SEC (other than any registration statement contemplated by the Registration Rights Agreement) or any regulatory agency without the prior written consent of such Investor, except (a) as required by the federal securities law or (b) to the extent such disclosure is required by law, at the request of the staff of the SEC or regulatory agency or under the regulations of the NYSE, in which case the Company will provide the Investor with prior written notice (including by e-mail) of and an opportunity to review such disclosure under this clause (ii).

6.8 Integration. The Company has not sold, offered for sale or solicited offers to buy and shall not, and shall use its commercially reasonable efforts to ensure that no Affiliate of the Company shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that will be integrated with the offer or sale of the Securities in a manner that would require the registration under the Securities Act of the sale of the Securities to the Investors, or that will be integrated with the offer or sale of the Securities for purposes of the rules and regulations of the NYSE such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

7. Conditions of Closing.

7.1 Conditions to the Obligation of the Investors. The several obligations of each Investor to consummate the transactions to be consummated at such Closing, and to purchase and pay for the Securities being purchased by it at such Closing pursuant to this Agreement, are subject to the satisfaction or waiver in writing by such Investor of the following conditions precedent:

(a) the representations and warranties of the Company contained herein shall be true and correct as of that date hereof and on and as of such Closing Date with the same force and effect as though made on and as of such Closing Date (it being understood and agreed by each Investor that for purposes of this Section 7.1(a), in the case of any representation and warranty of the Company contained herein which is made as of a specific date, such representation and warranty need be true and correct only as of such specific date);

(b) the Company shall have performed in all material respects all obligations and conditions herein required to be performed or observed by the Company on or prior to such Closing Date;

(c) no statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by any court or governmental authority of competent jurisdiction that prohibits the consummation of any of the transactions contemplated by the Transaction Documents, and no such prohibition shall have been threatened in writing;

(d) the Company shall have obtained the consents, permits, approvals, registrations and waivers necessary for the consummation of the purchase and sale of the Securities;

(e) the Company shall have taken the actions and delivered the documents required under Section 3.3 or 3.5, as applicable; and

(f) the Company shall have received such portion of the Financing Amount attributable to such Closing as indicated on Exhibit A;

(g) the listing and trading of the Common Stock on the NYSE shall not have been suspended, nor shall any suspension have been threatened either (i) in writing by the SEC or the NYSE or (ii) by falling below the minimum listing maintenance requirements of the NYSE, and the Company shall have filed with the NYSE notice for the listing of the Securities and shall have received confirmation from staff of the NYSE that it has completed its review of filing with no objections to the transactions contemplated herein.

7.2 Conditions to the Obligation of the Company. The obligation of the Company to consummate the transactions to be consummated at such Closing, and to issue and sell to each Investor the Common Stock to be purchased by it at such Closing pursuant to this Agreement, is subject to the satisfaction or waiver in writing of the following conditions precedent:

(a) the representations and warranties contained herein of each Investor shall be true and correct on and as of such Closing Date, with the same force and effect as though made on and as of such Closing Date;

(b) each Investor shall have performed in all material respects all obligations and conditions herein required to be performed or observed by such Investor on or prior to such Closing Date;

(c) no statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by any court or governmental authority of competent jurisdiction that prohibits the consummation of any of the transactions contemplated by the Transaction Documents, and no such prohibition shall have been threatened in writing; and

(d) each Investor shall have taken the actions and delivered the documents required under Section 3.2 or 3.4, as applicable.

8. Survival and Indemnification; Termination.

8.1 Survival. The representations, warranties, covenants, and agreements contained in this Agreement shall survive each Closing and the delivery of the Securities in accordance with their respective terms.

8.2 Indemnification by the Company. The Company agrees to indemnify and hold harmless each of the Investors, the officers, directors, partners, members, managers, trustees, employees, advisors and agents and other representatives, successors and assigns of each Investor, each Person who controls any such Investor (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, trustees and employees of each such controlling Person (each, an "Indemnified Party"), against any losses, claims, damages, liabilities or expenses, joint or several, to which such Indemnified Party may become subject under the Securities Act, the Exchange Act, or any other federal or state statutory law or regulation (including in settlement of any litigation, if such settlement is effected with the written consent of the Company, provided that such consent shall not be unreasonably withheld, conditioned, or delayed), insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof as contemplated below) arise out of or are based in

whole or in part on the inaccuracy in the representations and warranties of the Company contained in this Agreement or the failure of the Company to perform its obligations hereunder, and will reimburse each Indemnified Party for legal and other expenses reasonably incurred as such expenses are reasonably incurred by such Indemnified Party in connection with investigating, defending, settling, compromising or paying such loss, claim, damage, liability, expense or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability or expense arises out of or is based upon (i) the failure of such Indemnified Party (or its related parties) to comply with the covenants and agreements contained herein, or (ii) the inaccuracy of any representations made by such Indemnified Party (or its related parties) herein.

8.3 Indemnification Procedure. Promptly after any Indemnified Party has received notice of any indemnifiable claim hereunder, or the commencement of any action, suit or proceeding by a third Person, which the Indemnified Party believes in good faith is an indemnifiable claim under this Agreement, the Indemnified Party shall give the Company written notice of such claim or the commencement of such action, suit or proceeding, but failure to so notify the Company will not relieve the Company from any liability it may have to such Indemnified Party hereunder except to the extent that the Company is materially prejudiced by such failure. Such notice shall state the nature and the basis of such claim to the extent then known. The Company shall have the right to defend and settle, at its own expense and by its own counsel who shall be reasonably acceptable to the Indemnified Party, any such matter as long as the Company pursues the same diligently and in good faith. If the Company undertakes to defend or settle, it shall promptly notify the Indemnified Party of its intention to do so, and the Indemnified Party shall cooperate with the Company and its counsel in all commercially reasonable respects in the defense thereof and the settlement thereof. Such cooperation shall include, but shall not be limited to, furnishing the Company with any books, records and other information reasonably requested by the Company and in the Indemnified Party's possession or control. Such cooperation of the Indemnified Party shall be at the cost of the Company. After the Company has notified the Indemnified Party of its intention to undertake to defend or settle any such asserted liability, and for so long as the Company diligently pursues such defense, the Company shall not be liable for any additional legal expenses incurred by the Indemnified Party in connection with any defense or settlement of such asserted liability; provided, however, that the Indemnified Party shall be entitled (i) at its expense, to participate in the defense of such asserted liability and the negotiations of the settlement thereof and (ii) if (A) the Company has failed to assume the defense or employ counsel reasonably acceptable to the Indemnified Party or (B) if the defendants in any such action include both the Indemnified Party and the Company and counsel to the Indemnified Party shall have concluded that there may be reasonable defenses available to the Indemnified Party that are different from or in addition to those available to the Company or if the interests of the Indemnified Party reasonably may be deemed to conflict with the interests of the Company, then the Indemnified Party shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action, with the expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the Company as incurred. Notwithstanding any other provision of this Agreement, the Company shall not settle any indemnified claim without the written consent of the Indemnified Party, unless the settlement thereof imposes no liability or obligation on, and includes a complete release from liability of, and does not include any admission of wrongdoing or malfeasance by, the Indemnified Party.

9. Miscellaneous.

9.1 Successors and Assigns. This Agreement may not be assigned by an Investor party hereto without the prior written consent of the Company or by the Company without the prior written consent of all of the Investors, as applicable; provided, however, that an Investor may assign its rights and delegate its duties hereunder in whole or in part to an Affiliate without the prior written consent of the Company, provided such assignee agrees in writing to be bound by the provisions hereof that apply to Investors. The provisions of this Agreement shall inure to the benefit of and be binding upon the respective permitted successors and assigns of the parties.

9.2 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via electronic mail (including pdf or any electronic signature complying with the U.S. ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

9.3 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

9.4 Notices. All notices and other communications under this Agreement must be in writing and are deemed duly delivered when (i) delivered if delivered personally or by nationally recognized overnight courier service (costs prepaid); (ii) sent, if sent by electronic mail during normal business hours of the recipient, and if not sent during normal business hours, then on the first Business Day following such transmission (with no rejection notice received); or (iii) received by the addressee, if sent by United States of America certified or registered mail, return receipt requested; in each case to the following addresses, facsimile numbers or e-mail addresses and marked to the attention of the individual (by name or title) designated below (or to such other address, facsimile number, e-mail address or individual as a party may designate by notice to the other parties):

9.5 Expenses. Other than as set forth herein, the parties hereto shall pay their own costs and expenses in connection herewith, regardless of whether the transactions contemplated hereby are consummated.

9.6 Amendments and Waivers. Any term of this Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the written consent of the Company and each Investor.

9.7 Publicity. Except as set forth in Section 6.7, no public release or announcement concerning the transactions contemplated hereby shall be issued by any of the Investors without the prior written consent of the Company (in the case of a release or announcement by the Investors) or by the Company without the prior written consent of the Investors. Notwithstanding the foregoing, each Investor may identify the Company and the value of such Investor's security holdings in the Company in accordance with applicable investment reporting and disclosure regulations or internal policies without prior notice to or consent from the Company (including, for the avoidance of doubt, filings pursuant to Sections 13 and 16 of the Exchange Act).

9.8 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof but shall be interpreted as if it were written so as to be enforceable to the maximum extent permitted by applicable law, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the parties hereby waive any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

9.9 Entire Agreement. This Agreement, including the signature pages, exhibits and schedules thereto, and the other Transaction Documents constitute the entire agreement among the parties hereof with respect to the subject matter hereof and thereof and supersede all prior agreements, understandings and representations, both oral and written, between the parties with respect to the subject matter hereof and thereof.

9.10 Further Assurances. The parties shall execute and deliver all such further instruments and documents and take all such other actions as may reasonably be required to carry out the transactions contemplated hereby and to evidence the fulfillment of the agreements herein contained.

9.11 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement (including all matters concerning the construction, validity, enforcement and interpretation hereof) shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the conflicts of law principles thereof. Each of the parties hereto irrevocably submits to the exclusive jurisdiction of the courts of the State of Delaware and the United States District Court for the District of Delaware (together, the "Delaware Courts") for the purpose of any suit, action, proceeding or judgment relating to or arising out of this Agreement and the transactions contemplated hereby. Service of process in connection with any such suit, action or proceeding may be served on each party hereto anywhere in the world by the same methods as are specified for the giving of notices under this Agreement. Each of the parties hereto irrevocably consents to the jurisdiction of any Delaware Court in any such suit, action or proceeding and to the laying of venue in such court. Each party hereto irrevocably waives any objection to the laying of venue of any such suit, action or proceeding brought in such courts and irrevocably waives any claim that any such suit, action or proceeding brought in any Delaware Court has been brought in an inconvenient forum. To the extent that the Company has or hereafter may acquire any immunity (on the grounds of sovereignty or otherwise) from the jurisdiction of any court or from any legal process with respect to itself or its property, the Company irrevocably waives, to the fullest extent permitted by law, such immunity in respect of any such suit, action or proceeding. EACH OF THE PARTIES HERETO WAIVES ANY RIGHT TO REQUEST A TRIAL BY JURY IN ANY LITIGATION WITH RESPECT TO THIS AGREEMENT AND REPRESENTS THAT COUNSEL HAS BEEN CONSULTED SPECIFICALLY AS TO THIS WAIVER.

9.12 Independent Nature of Investors' Obligations and Rights. The obligations of each Investor under any Transaction Document are several and not joint with the obligations of any other Investor, and no Investor shall be responsible in any way for the performance of the obligations of any other Investor under any Transaction Document. The decision of each Investor to purchase Securities pursuant to the Transaction Documents has been made by such Investor independently of any other Investor. Nothing contained herein or in any Transaction Document, and no action taken by any Investor pursuant thereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Investor acknowledges that no other Investor has acted as agent for such Investor in connection with making its investment hereunder and that no Investor will be acting as agent of such Investor in connection with monitoring its investment in the Securities or enforcing its rights under the Transaction Documents. Each Investor shall be entitled to independently protect and enforce its rights, including the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Investor to be joined as an additional party in any proceeding for such purpose.

9.13 Interpretation. Wherever required by the context of this Agreement, the singular shall include the plural and vice versa, and the masculine gender shall include the feminine and neuter genders and vice versa, and references to any agreement, document or instrument shall be deemed to refer to such agreement, document or instrument as amended, supplemented or modified from time to time. All article, section, paragraph or clause references not attributed to a particular document shall be references to such parts of this Agreement, and all exhibit, annex, letter and schedule references not attributed to a particular document shall be references to such exhibits, annexes, letters and schedules to this Agreement. In addition, the word "or" is not exclusive; the words "including," "includes," "included" and "include" are deemed to be followed by the words "without limitation"; and the terms "herein," "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular section, paragraph or subdivision.
