Item 1.01 Entry into a Material Definitive Agreement.

Convertible Note and Warrant Purchase Agreement

On March 13, 2026, Local Bounti Corporation, a Delaware corporation (the “Company”), entered into a Convertible Note and Warrant Purchase Agreement (the “Purchase Agreement”) with U.S. Bounti, LLC (the “Purchaser”), providing for the purchase, sale and issuance of (i) a convertible note with an initial principal balance of \$15.0 million (the “Note”) and (ii) a common stock purchase warrant (the “Warrant”) pursuant to which the Purchaser has the right to purchase and acquire 5,500,000 shares of the Company’s common stock, par value \$0.0001 per share (the “Common Stock”). The Company intends to use the proceeds from the sale of the Note and the Warrant for working capital and general corporate purposes and certain capital expenditures as set forth in the Purchase Agreement.

The Note bears interest at a rate of 7.0% per year, commencing on the date of the initial issuance of the Note (the “Issuance Date”). Interest will accrue semi-annually on each June 30 and December 31, commencing December 31, 2026 (each, a “PIK Interest Payment Due Date”), and will be payable semi-annually in arrears on each PIK Interest Payment Due Date by automatically increasing the principal amount of the Note by the amount of such interest (with such increased amount thereafter accruing interest as well) on each PIK Interest Payment Due Date (“PIK Interest”).

From time to time after the third anniversary of the Issuance Date, interest may be payable quarterly in arrears in cash on each March 31, June 30, September 30 and December 31, commencing December 31, 2029 (each, a “Cash Interest Payment Due Date”), in each case, in an amount equal to interest accrued during the quarter ending on such Cash Interest Payment Due Date, so long as certain conditions are met as set forth in the Note.

During the term of the Note, the Note will be convertible into shares of Common Stock from time to time at the option of the Purchaser, upon delivery on one or more occasions of a written notice to the Company electing to convert all or any portion of Note Obligations Amount. The initial conversion price of the Note is \$2.50 per share of Common Stock (the “Conversion Price”). The Conversion Price is subject to adjustment for stock splits, dividends or distributions, recapitalizations or similar transactions.

On the fourth anniversary of the Issuance Date, fifty percent (50%) of the Note Obligations Amount will be automatically converted into shares of Common Stock at the Conversion Price. The remaining fifty percent (50%) of the Note Obligations Amount will be automatically converted into shares of Common Stock at the Conversion Price on the maturity date of the Note. Notwithstanding the foregoing, however, fifty percent (50%) of the Note Obligations Amount may be payable in cash on the fourth anniversary of the Issuance Date, with the remaining fifty percent (50%) of the Note Obligations Amount repaid in cash on the maturity date of the Note, so long as certain conditions are met as set forth in the Note.

Conversion of the full initial principal amount of the Note would result in the issuance of 6,000,000 shares of Common Stock if converted at \$2.50 per share, which amount is subject to increase by any PIK Interest that is added to the outstanding principal under the terms of the Note.

The Purchase Agreement includes customary representations, warranties and covenants and sets forth standard events of default upon which the Note may be declared immediately due and payable and will be subordinated to the obligations under the Senior Credit Agreement.

The Warrant is exercisable immediately at an exercise price of \$0.125 per share of Common Stock and will expire 10 years from the initial exercise date.

Pursuant to the terms of the Purchase Agreement, the Purchaser will not have the right to receive, upon conversion of the Note or exercise of the Warrant, any shares of Common Stock if the issuance of such shares of Common Stock would exceed 1% of the issued and outstanding Common Stock, except that such limitation will not apply after the date that stockholder approval is obtained and deemed effective, as required by the rules and regulations of the New York Stock Exchange (the “Required Stockholder Approval”). The Company is required to seek the Required Stockholder Approval at an annual or special stockholders meeting not later than June 30, 2026.

The Note, the Warrant and the shares of Common Stock issuable upon conversion of the Note or exercise of the Warrant have not been registered under the Securities Act of 1933, as amended (the “Securities Act”) and may not be offered or sold absent registration or an applicable exemption from registration requirements.

The foregoing descriptions of the Note, the Warrant and the Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to the full texts of the Note, the Warrant and the Purchase Agreement, copies of which are attached hereto as Exhibit 4.1, Exhibit 4.2 and Exhibit 10.1, respectively, and incorporated herein by reference.

Also on March 13, 2026, the Company entered into a letter agreement (the “Letter Agreement”) with Cargill Financial Services International, Inc., a Delaware corporation (“Cargill Financial”), to supplement certain terms of the Credit Agreement dated as of September 3, 2021, by and among Local Bounti Operating Company LLC, a Delaware limited liability company (“Opco”),

each subsidiary of Opco identified as a “Borrower” therein, and Cargill Financial (amended, restated, supplemented or otherwise modified from time to time prior to the Transaction Date, the “Senior Credit Agreement”). Pursuant to the terms of the Letter Agreement the parties agreed, among other things, to revise the minimum liquidity covenant to be \$3.5 million through September 30, 2026 and \$2.0 million from October 1, 2026 forward, to amend the minimum EBITDA covenant to be tested starting on March 31, 2027 instead of March 31, 2026, and Cargill consented to the issuance of the Note and the Warrant.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 of this Current Report is incorporated by reference in this Item 3.02. This Convertible Note (including all Convertible Notes issued in exchange, transfer or replacement hereof) (this “**Note**” or the “**Note**”), is issued pursuant to the Purchase Agreement on the Issuance Date.  - (b) The “**Maturity Date**” shall be March 13, 2031.
-

(c) The “**First Principal Payment Date**” shall be March 13, 2030.

(d) Without limiting any other provision of this Note, the Company shall not make any payments of principal on the Note without first providing the Holder with at least five (5) Business Days’ notice of such payment.

2. INTEREST; INTEREST RATE.

(a) During the term of this Note, Interest shall accrue on the Outstanding Principal Balance of this Note at an annual interest rate of 7.0%, commencing on the Issuance Date.

(b) Subject to Section 2(c), (i) Interest shall accrue semi-annually on each June 30 and December 31, commencing December 31, 2026 (each, a “**PIK Interest Payment Due Date**”), and (ii) Interest shall be payable semi-annually in arrears on each PIK Interest Payment Due Date by automatically increasing the principal amount of this Note by the amount of such Interest (with such increased amount thereafter accruing Interest as well) on each PIK Interest Payment Due Date (“**PIK Interest**”).

(c) From time to time after the third anniversary of the Issuance Date, Interest may be payable quarterly in arrears in cash on each March 31, June 30, September 30 and December 31, commencing December 31, 2029 (each, a “**Cash Interest Payment Due Date**” and such Interest, “**Cash Interest**”), in each case, in an amount equal to Interest accrued during the quarter ending on such Cash Interest Payment Due Date, but only so long as (i) at least thirty (30) days prior to any Cash Interest Payment Due Date, the Holder submits a written request to (A) the Company and (B) if the Senior Obligations have not yet been Paid in Full, to the Senior Creditor, requesting that such Interest be payable in cash (a “**Cash Interest Request**”) and (ii) if the Holder is required to submit a Cash Interest Request to the Senior Creditor pursuant to clause (i)(B) above, the Senior Creditor approves the Cash Interest Request in advance in writing in its sole discretion.

(d) If the Holder has not delivered a Cash Interest Request with respect to a Cash Interest Payment Due Date pursuant to Section 2(c), such Interest shall instead be paid in kind on the next occurring PIK Interest Payment Due Date in the manner set forth in Section 2(b), and the Company shall make a record on its books of such payment in kind.

(e) Interest hereunder will be paid to the Holder as provided in Section 16(b). All Interest will be computed on the basis of a 360-day year of twelve (12) 30-day months.

3. CONVERSION.

(a) Optional Conversion Right. Upon compliance with the provisions of this Section 3, the Holder shall have the right to convert all or any portion of the Note Obligations Amount into shares of Common Stock from time to time at any time prior to 5:00 p.m. New York City time on the Trading Day immediately preceding the Maturity Date, in each case, at the then applicable Conversion Price (the “**Conversion Right**”).

(b) Mechanics of Conversion.

(i) In order to exercise its rights pursuant to the Conversion Right, the Holder shall deliver written notice in the form of Exhibit I to the Company stating that the Holder elects to convert all or part of the Note Obligations Amount represented by this Note. Such notice shall state the Note Obligations Amount which the Holder seeks to convert. The date contained in the notice (which date shall be no earlier than the Trading Day immediately following the date of the notice) shall be the date of conversion of the Note (such date of conversion, the “**Conversion Date**”) and the Holder shall be deemed to be the beneficial owner of the underlying shares of Common Stock as of such date.

(ii) The Holder of this Note shall be deemed to beneficially own the Common Stock underlying this Note as of the applicable Conversion Date. Not later than one (1) Trading Day following the Conversion Date, the Company shall promptly issue and deliver to the Holder a certificate or certificates for the number of shares of Common Stock to which the Holder is entitled and, in the case where only part of this Note is converted, the Company shall execute and deliver (at its own expense) a new Note of any authorized denomination as requested by the Holder in an aggregate principal amount equal to and in exchange for the unconverted portion of the principal amount of the Note so surrendered. In lieu of delivering physical certificates representing the shares of Common Stock issuable upon conversion of Note, provided the Company’s transfer agent is participating in the Depository Trust Company (“**DTC**”) Fast Automated Securities Transfer program, upon request of the Holder, the Company may, at its election (and shall cause its transfer agent to electronically transmit the shares of Common Stock issuable upon conversion of this Note to the Holder, by crediting the account of Holder’s prime broker with DTC through its Deposit Withdrawal Agent Commission (“**DWAC**”) system, if such DWAC system is available for the issuance of such shares of Common Stock under the terms of this Note and the Purchase Agreement. The time periods for delivery described above shall apply to the electronic transmittals through the DWAC system. The parties agree to coordinate with DTC to accomplish this objective. The conversion pursuant to this Section 3 shall be deemed to have been made immediately prior to the opening of business on the applicable Conversion Date. The person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated as the beneficial owner of such shares of Common Stock at the opening of business on the applicable Conversion Date.

(iii) No fractional shares of Common Stock shall be issued upon any conversion of the Note pursuant to this Section 3. In lieu of fractional shares, the Company shall round such fractional shares of the Common Stock up to the nearest whole share.

(c) On the fourth anniversary of the Issuance Date, fifty percent (50%) of the Note Obligations Amount shall be automatically converted into shares of Common Stock at the Conversion Price. The remaining fifty percent (50%) of the Note Obligations Amount shall be automatically converted into shares of Common Stock at the Conversion Price on the Maturity Date. Notwithstanding the foregoing, however, the Holder may elect to be paid fifty percent (50%) of the Note Obligations Amount in cash on the fourth anniversary of the Issuance Date, with the remaining fifty percent (50%) of the Note Obligations Amount repaid in cash on the Maturity Date (each of the fourth anniversary of the Issuance Date and the Maturity Date, a “**Cash Principal Payment Date**”) (unless the Holder elects to convert such amount pursuant to the terms hereof), but only so long as (i) at least thirty (30) days prior to any Cash Principal

(d) Adjustment for Share Splits and Combinations. If the Company shall at any time or from time to time after the Issuance Date effect a subdivision of the outstanding shares of Common Stock, the Conversion Price then in effect immediately before that subdivision shall be proportionately decreased. If the Company shall at any time or from time to time after the Issuance Date combine the outstanding shares of Common Stock, the Conversion Price then in effect immediately before the combination shall be proportionately increased. Any adjustment under this paragraph shall become effective at the close of business on the date the subdivision or combination becomes effective.

(e) Adjustment for Certain Dividends and Distributions. In the event the Company at any time or from time to time after the Issuance Date shall make or issue a dividend or other distribution payable in additional shares of Common Stock, then and in each such event the Conversion Price shall be decreased as of the time of such issuance, by multiplying such Conversion Price by a fraction, the numerator of which shall be the total number of shares of Common Stock outstanding immediately prior to such issuance and the denominator of which shall be the total number of shares of Common Stock outstanding immediately prior to such issuance plus the number of such additional shares of Common Stock issuable in payment of such dividend or distribution. In the event that the Senior Obligations have been Paid in Full and the Company at any time or from time to time after the Issuance Date shall make or issue a dividend or other distribution payable in (x) in cash, then and in each such event, the Conversion Price shall be decreased as of the time of such issuance, by multiplying such Conversion Price by a fraction, the numerator of which shall be the Closing Price of the Common Stock on the Trading Day immediately preceding the ex-dividend date for such dividend and distribution minus the amount in cash per share of Common Stock that the Company dividends or distributes, and the denominator of which shall be the Closing Price of the Common Stock on the Trading Day immediately preceding the ex-dividend date for such dividend and distribution; and (y) shares of Capital Stock, evidences of indebtedness, or any other asset (collectively, the “**Distributed Property**”), then and in each such event, the Conversion Price shall be decreased as of the time of such issuance, by multiplying such Conversion Price by a fraction, the numerator of which shall be the Closing Price of the Common Stock on the Trading Day immediately preceding the ex-dividend date for such dividend and distribution minus the fair market value (as determined in good faith by the Board) of the Distributed Property distributed with respect to each share of Common Stock, and the denominator of which shall be the Closing Price of the Common Stock on the Trading Day immediately preceding the ex-dividend date for such dividend and distribution.

(f) Adjustment for Reclassification, Exchange or Substitution. If the shares of Common Stock issuable upon the conversion of this Note shall be changed into the same or a different number of shares of any class or classes of shares, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares, share dividend or reorganization, reclassification, merger, consolidation or asset sale provided for elsewhere in this Section 3), then and in each such event the Holder of this Note shall have the right thereafter to convert this Note into the kind and amount of shares and other securities and property receivable upon such reorganization, reclassification, or other change, by holders of the number of shares of Common Stock into which the Note might have been converted immediately prior to such reorganization, reclassification, or change, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof.

(g) Reorganizations, Mergers, Consolidations or Asset Sales. If at any time after the Issuance Date there is a tender offer, exchange offer, merger, consolidation, recapitalization, sale of all or substantially all of the Company's assets or reorganization involving the shares of Common Stock (collectively, a "**Capital Reorganization**") (other than a Fundamental Transaction), as part of such Capital Reorganization, provision shall be made so that the Holder will thereafter be entitled to receive upon conversion of this Note the number of shares or other securities or property of the Company to which a holder of the number of shares of Common Stock deliverable upon conversion immediately prior to such Capital Reorganization would have been entitled on such Capital Reorganization, subject to adjustment in respect to such shares or securities by the terms thereof. In any such case, appropriate adjustment will be made in the application of the provisions of this Section 3 with respect to the rights of the Holder after the Capital Reorganization to the end that the provisions of this Section 3 (including adjustment of the Conversion Price then in effect and the number of shares issuable upon conversion of this Note) and the provisions of the Agreement will be applicable after that event and be as nearly equivalent as practicable. In the event that the Company is not the surviving entity of any such Capital Reorganization, this Note shall become a Note of such surviving entity, with the same powers, rights and preferences as provided herein.

(h) Certificate as to Adjustments or Distributions. Upon the occurrence of each adjustment of the Conversion Price or distribution to holders pursuant to this Section 3, the Company at its expense shall promptly compute such adjustment or distribution in accordance with the terms hereof and furnish to the Holder a certificate setting forth the terms of such adjustment or distribution and showing in detail the facts upon which such adjustment or distribution are based and shall file a copy of such certificate with its corporate records.

(i) Notice of Record Date. In the event: (i) that the Company declares a dividend (or any other distribution) on its Common Stock payable in shares of Common Stock, securities, or other assets, rights or properties; (ii) that the Company subdivides or combines its outstanding shares of Common Stock; (iii) of any reclassification of the shares of Common Stock (other than a subdivision or combination of the Company's outstanding shares of Common Stock or a share dividend or share distribution thereon); (iv) of any Capital Reorganization; or (v) of the involuntary or voluntary dissolution, liquidation or winding up of the Company, then the Company shall notify the Holder in writing, at least ten (10) days prior to the record date specified in (A) below or twenty (20) days prior to the date specified in (B) below, a notice stating: (A) the record date of such dividend, distribution, subdivision or combination, or, if a record is not to be taken, the date as of which the holders of shares of Common Stock of record to be entitled to such dividend, distribution, subdivision or combination are to be determined, or (B) the date on which such reclassification, Capital Reorganization, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of shares of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities or other property deliverable upon such reclassification, Capital Reorganization, dissolution or winding up.

(i) Notice of Adjustment to Conversion Price. The Company will provide prompt written notice to the Holder upon the occurrence of any adjustment to the Conversion Price.

(k) Limitations on Conversion. The Company shall not be obligated to issue, and the Holder shall not have the right to receive, upon conversion of the Note, any shares of Common Stock if the issuance of such shares of Common Stock would exceed the Exchange Cap, except that such limitation shall not apply after the date that Stockholder Approval is approved and deemed effective in accordance with Section 1.2 of the Purchase Agreement.

4. RIGHTS UPON A FUNDAMENTAL TRANSACTION.

(a) Upon the occurrence of a Fundamental Transaction, the Holder may elect to either (i) convert the Note Obligations Amount into shares of Common Stock at the Conversion Price in accordance with Section 3 or (ii) if the Senior Obligations have not yet been Paid in Full, subject to the prior written consent of the Senior Creditor in its sole discretion, require the Company to repurchase all or any part of the Note pursuant to an offer as provided in this Section 4 (the “**Fundamental Transaction Offer**”) at an offer price in cash equal to the Note Obligations Amount as of the Fundamental Transaction Payment Date (the “**Fundamental Transaction Payment**”).

(b) Without limiting the foregoing Section 4(a), on or before the 20th calendar day prior to a Fundamental Transaction, the Company shall give to the Holder notice (the “**Fundamental Transaction Notice**”) of the occurrence of the Fundamental Transaction and of the Holder’s right to receive the Fundamental Transaction Payment arising as a result thereof. Each notice of the Holder’s right to participate in the Fundamental Transaction Offer (the “**Fundamental Transaction Repurchase Right**”) shall state:

(i) the date on which this Note shall be converted or repurchased (the “**Fundamental Transaction Payment Date**”), which date shall be no later than 60 calendar days from the date of the Company’s delivery of the Fundamental Notice;

(ii) the date by which the Fundamental Transaction Repurchase Right must be exercised, which date shall be no earlier than the close of business on the Trading Day immediately prior to the Fundamental Transaction Payment Date;

(iii) the amount of the Fundamental Transaction Payment;

(iv) a description of the procedure which the Holder must follow to exercise the Fundamental Transaction Repurchase Right, and the place or places where this Note is to be surrendered for payment of the Fundamental Transaction Payment; and

(v) the Conversion Price then in effect and the place where this Note may be surrendered for conversion.

No failure by the Company to give the Fundamental Transaction Notice and no defect in any Fundamental Transaction Notice shall limit the Holder’s right to exercise its Fundamental Transaction Repurchase Right or affect the validity of the proceedings for the repurchase of this Note.

(c) To exercise the Fundamental Transaction Repurchase Right, the Holder shall deliver to the Company, on or before the date that is two (2) Trading Days prior to the Fundamental Transaction Payment Date, (i) written notice of the Holder’s exercise of such right, which notice shall set forth the name of the Holder, the Outstanding Principal Balance to be converted or repurchased, and a statement that an election to exercise the Fundamental Transaction Repurchase Right is being made thereby, (ii) the written consent of the Senior Creditor (to the extent required under the foregoing Section 4(a)), and (iii) the Note with respect to which the Fundamental Transaction Repurchase Right is being exercised. Such written notice shall be irrevocable, except that the right of the Holder to convert the Note shall continue until midnight (Eastern Time) the date that is two (2) Trading Days preceding the Fundamental Transaction Repurchase Date.

(d) On the Fundamental Transaction Payment Date, the Company will (i) accept for payment this Note or portions thereof properly tendered pursuant to the Fundamental Transaction Offer and (ii) without limiting the foregoing Section 4(a), deliver cash in the amount of the Fundamental Transaction Payment to each Holder in respect of this Note or portions thereof so tendered.

(e) The Company will comply with the requirements of Rule 14e-1 promulgated under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of this Note as a result of a Fundamental Transaction.

(f) If this Note is to be repurchased only in part, this Note shall be surrendered to the Company and the Company shall execute and make available for delivery to the Holder without service charge, a new Note or Notes, containing identical terms and conditions, each in an authorized denomination in aggregate principal amount equal to and in exchange for the unreurchased portion of the Outstanding Principal Balance so surrendered.

5. [RESERVED].

6. DEFAULT. This Note shall be subject to the Event of Default provisions set forth in Section 6.3 of the Purchase Agreement.

7. REMEDIES. On the occurrence of an Event of Default that has not been timely cured as provided in the Purchase Agreement:

(a) Acceleration of Note. If an Event of Default shall have occurred and be continuing, then the Holder may, at the Holder's option, declare all sums due to the Holder pursuant to this Note to be immediately due and payable, whereupon the same will become forthwith due and payable and the Holder will be entitled to proceed to selectively and successively enforce the Holder's rights under the Purchase Agreement or any other instruments delivered to the Holder in connection with the Purchase Agreement (including this Note); provided, however, that the occurrence of any Event of Default of the type specified in Section 6.3(f) of the Purchase Agreement shall cause the aggregate Note Obligations Amount to be, and the same shall thereupon become, immediately due and payable, without any further notice and without any presentment, demand, or protest of any kind, all of which are hereby expressly waived by the Company. The right to plead any and all statutes of limitations as a defense to any demands hereunder is hereby waived to the full extent permitted by law. No delay by Holder shall constitute a waiver, election or acquiescence by it.

(b) Waiver of Default. The Holder shall, upon execution of an instrument or instruments in writing signed by it, waive (and shall be deemed to have waived) any Event of Default which has occurred together with any of the consequences of such Event of Default and, in such event, the Holder and the Company will be restored to their respective former positions, rights and obligations hereunder. Any Event of Default so waived will, for all purposes of this Note, be deemed to have been cured and not to be continuing, but no such waiver will extend to any subsequent or other Event of Default or impair any consequence of such subsequent or other Event of Default.

(c) Delays, etc. No failure on the part of the Holder to exercise and no delay in exercising any right hereunder will operate as a waiver thereof, nor will any single or partial exercise by the Holder of any right hereunder preclude any other or further right of exercise thereof or the exercise of any other right.

8. RESERVATION OF AUTHORIZED SHARES. So long as this Note is outstanding, the Company shall, on or prior to the date of conversion of this Note, take all action necessary to reserve the requisite number of shares of its authorized and unissued Common Stock, solely for the purpose of effecting the conversion of this Note, such that the number of shares of Common Stock shall be duly and validly reserved and available for issuance at the time of the conversion of this Note, and upon issuance in accordance with the terms of this Note, the Common Stock will be duly and validly issued, fully paid and nonassessable.

9. VOTING RIGHTS. The Holder shall have no voting rights as the holder of this Note, except with respect to the Common Stock issuable upon conversion of this Note.

10. AMENDMENT AND WAIVER. The Holder may waive compliance by the Company with any of the terms hereof.

11. TRANSFER AND RELATED PROVISIONS.

(a) This Note may not be directly or indirectly offered, sold, assigned or transferred by the Holder without the prior written consent of the Company; provided, however, that the Holder shall be permitted to effect Family or Estate-Planning Transfers solely for estate planning purposes without the consent of the Company.

(b) The Company shall maintain and keep updated a register (the “**Register**”) for the recordation of the names and addresses of the holders of this Note and the Outstanding Principal Balance of this Note held by such holders (as registered on the Register, a “**Registered Note**”). The entries in the Register shall be conclusive and binding for all purposes absent manifest error. The Company and the holders of this Note shall treat each Person whose name is recorded in the Register as the owner of this Note for all purposes, including, without limitation, the right to receive payments of principal hereunder, notwithstanding notice to the contrary. Without limiting any other provision of this Note, a Registered Note may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register. The Holder and any transferee, by acceptance of this Note, acknowledge and agree that, by reason of the provisions of Section 12(d) following conversion or redemption of any portion of this Note, the Outstanding Principal Balance represented by this Note may be less than the Outstanding Principal Balance stated on the face of this Note.

(b) Lost, Stolen or Mutilated Note. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Note, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of this Note, the Company shall execute and deliver to the Holder a new Note (in accordance with Section 12(d)) representing the Outstanding Principal Balance.

(d) Issuance of New Notes. Whenever the Company is required to issue a new Note pursuant to the terms of this Note, such new Note (i) shall be of like tenor with this Note, (ii) shall represent, as indicated on the face of such new Note, the remaining Outstanding Principal Balance (or in the case of a new Note being issued pursuant to Section 12(a) or Section 12(c), the Outstanding Principal Balance which, when added to the aggregate Outstanding Principal Balance represented by the other new Notes issued in connection with such issuance, does not exceed the remaining Outstanding Principal Balance under this Note immediately prior to such issuance of new Notes), (iii) shall have an issuance date, as indicated on the face of such new Note, which is the same as the Issuance Date of this Note, (iv) shall have the same rights and conditions as this Note, (v) shall represent accrued and unpaid Interest on the Outstanding Principal Balance of this Note, if any, from the Issuance Date, (vi) shall contain in a conspicuous manner a legend, substantially in the form of the legend contained in this Note, stating that the indebtedness evidenced thereby is subordinated to the Senior Debt, and (vii) shall be timely prepared and issued by the Company, but in no event shall the Company issue such new Note more than five (5) Business Days after surrender of this Note or the receipt of the evidence reasonably satisfactory to the Company pursuant to Section 12(b), as the case may be.

13. REMEDIES. No right or remedy herein conferred upon or reserved to the Holder is intended to be exclusive of any other right or remedy, and every right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise, including injunctive relief or specific performance. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

14. CONSTRUCTION; HEADINGS. This Note shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Note are for convenience of reference and shall not form part of, or affect the interpretation of, this Note.

(b) Payments. Whenever any payment of cash is to be made by the Company to any Person pursuant to this Note, such payment shall be made in cash via wire transfer of immediately available funds to such account as may be provided to the Company by Holder. Whenever any amount expressed to be due by the terms of this Note is due on any day which is not a Business Day, the same shall instead be due on the next succeeding day which is a Business Day and, in the case of any PIK Interest Payment Due Date or Cash Interest Payment Due Date, as applicable, which is not the date on which this Note is paid in full, the extension of the due date thereof shall not be taken into account for purposes of determining the amount of Interest due on such date. All payments to be made by the Company under this Note to any Holder shall be paid free and clear of and without any deduction or withholding for or on account of, any and all taxes, unless such deduction or withholding is required by law, in which case Company shall withhold such taxes and such withheld amounts shall be treated as paid to the Holder to extent they are remitted to the appropriate taxing authority, and no additional amounts shall be required to be made by the Company to such person with respect to such taxes deducted or withheld; provided, however, all payments to be made by the Company under this Note to any Holder who has timely provided a properly completed and valid Internal Revenue Service Form W-9 certifying that such person is not subject to United States federal income tax withholding shall be paid free and clear of and without any deduction or withholding for or on account of, any and all United States federal and income taxes, unless otherwise required by a change in applicable law (or interpretation thereof) after the date hereof or pursuant to a “determination” within the meaning of Section 1313(a) of the Code (or similar provision of any state, local or foreign law). In the event that a taxing authority determines that a payment made by Company under this Note should have been subject to withholding (or to additional withholding) for taxes, and the Company remits such withholding tax to the taxing authority, the Company will have the right to offset such amount (including Interest and penalties that may be imposed thereon) against future payment obligations of the Company to such person under this Note. The Company agrees to keep any tax forms or certifications provided by Holder pursuant to this Section 16(b) of the Purchase Agreement confidential, except as the Company reasonably determines in good faith to be necessary to comply with applicable law.

17. WAIVER OF NOTICE. To the extent permitted by law, the Company hereby waives demand, notice, protest and all other demands and notices in connection with the delivery, acceptance, performance, default or enforcement of this Note and the Purchase Agreement.

18. GOVERNING LAW, JURISDICTION AND SEVERABILITY. The Company hereby submits to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, solely if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware) for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. In the event that any provision of this Note is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any such provision which may prove invalid or unenforceable under any law shall not affect the

validity or enforceability of any other provision of this Note. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder.

Within the earlier of (i) two Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined in Section 2(d)(i) herein) following the date of exercise as aforesaid, the Holder shall deliver the aggregate Exercise Price for the Warrant Shares specified in the applicable Notice of Exercise by wire transfer or cashier’s check drawn on a United States bank, in either case in immediately available funds, unless the cashless exercise procedure specified in Section 2(c) below is specified in the applicable Notice of Exercise. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. The Company shall have no obligation to inquire with respect to or otherwise confirm the authenticity of the signature(s) contained on any Notice of Exercise nor the authority of the person so executing such Notice of Exercise. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three Trading Days of the date on which the final Notice of Exercise is delivered to the Company. c) Cashless Exercise. If at the time of exercise hereof there is no effective registration statement registering, or the prospectus contained therein is not available for the issuance of the Warrant Shares by the Holder, or if otherwise elected by the Holder at any time, then this Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of “regular trading hours” (as defined in Rule 600(b) of Regulation NMS promulgated under the Exchange Act) on such Trading Day, (ii) at the option of the Holder, either (y) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise or (z) the Bid Price of the Common Stock on the principal Trading Market as reported by Bloomberg L.P. (“Bloomberg”) as of the time of the Holder’s execution of the applicable Notice of Exercise if such Notice of Exercise is executed during “regular trading hours” on a Trading Day and is delivered within two hours thereafter (including until two hours after the close of “regular trading hours” on a Trading Day) pursuant to Section 2(a) hereof or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of “regular trading hours” on such Trading Day;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Warrant Shares shall take on the registered characteristics of the Warrants being exercised. The Company agrees not to take any position contrary to this Section 2(c).

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal

at Custodian system (“DWAC”) if the Company’s transfer agent is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) this Warrant is being exercised via cashless exercise, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is the earliest of (i) two Trading Days after the delivery to the Company of the Notice of Exercise, (ii) one Trading Day after delivery of the aggregate Exercise Price to the Company and (iii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares, provided that the Company shall have received payment of the aggregate Exercise Price (other than in the case of a cashless exercise) within the earlier of (i) two Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period following delivery of the Notice of Exercise. If the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the Warrant Share Delivery Date, the Company shall pay to the Holder, in shares of Common Stock calculated as the amount to be paid pursuant to this sentence for each Trading Day divided by the VWAP for such Trading Day, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the VWAP of the Common Stock on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the fifth Trading Day after the Warrant Share Delivery Date) for each Trading Day after such Warrant Share Delivery Date until such Warrant Shares are delivered or Holder rescinds such exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, “Standard Settlement Period” means the standard settlement period, expressed in a number of Trading Days, on the Company’s primary Trading Market with respect to the Common Stock as in effect on the date of the delivery of the Notice of Exercise.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares remaining available under this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise; provided, however, that the Holder shall be required to return any Warrant Shares subject to any such rescinded exercise notice concurrently with

the return to Holder of the aggregate Exercise Price paid to the Company for such Warrant Shares and the restoration of Holder's right to acquire such Warrant Shares pursuant to this Warrant (including, issuance of a replacement warrant certificate evidencing such restored right).

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay, in shares of Common Stock calculated as the amount to be paid pursuant to this sentence divided by the VWAP for the first Trading Day after the Warrant Share Delivery Date, to the Holder the amount, if any, by which (x) the Holder's total purchase price (including reasonable and customary brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other

incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the assignment form attached hereto as Annex B (the “Assignment Form”) duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

vii. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

Section 3. Certain Adjustments.

i) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

ii) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time while this Warrant is outstanding the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the “Purchase Rights”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights; provided, that such Purchase Right shall terminate on, and shall not be held in abeyance for any period subsequent to the Termination Date.

iii) Pro Rata Distributions. During such time as this Warrant is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise

(including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “Distribution”), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution; provided, that such Purchase Right shall terminate on, and shall not be held in abeyance for any period subsequent to the Termination Date.

iv) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company (and all of its Subsidiaries, taken as a whole), directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person (other than for the purpose of changing the Company’s name and/or the jurisdiction of incorporation of the Company or a holding company for the Company), (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock or 50% or more of the voting power of the common equity of the Company, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off, merger or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires 50% or more of the outstanding shares of Common Stock or 50% or more of the voting power of the common equity of the Company (each a “Fundamental Transaction”), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction.

Notwithstanding anything to the contrary, in the event of a Fundamental Transaction (other than (x) any stock split or reverse stock split, (y) any transaction effected solely for the purpose of changing the jurisdiction of incorporation of the Company, or (z) any holding company reorganization or parent-subsidiary merger not requiring stockholder approval pursuant to Sections 251(g) or 253 of the Delaware General Corporation Law (or any successor provisions thereof), and for the avoidance of doubt, the Fundamental Transaction is approved by the Company's Board of Directors and within the control of the Company), the Company or any Successor Entity (as defined below) shall, at the Holder's option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction (or, if later, the date of the public announcement of the applicable Fundamental Transaction), purchase this Warrant from the Holder by paying to the Holder an amount of cash equal to the Black Scholes Value (as defined below) of the remaining unexercised portion of this Warrant on the date of the consummation of such Fundamental Transaction; provided, however, if the Fundamental Transaction is not within the Company's control, including not approved by the Company's Board of Directors, Holder shall only be entitled to receive from the Company or any Successor Entity, as of the date of consummation of such Fundamental Transaction, the same type or form of consideration (and in the same proportion), at the Black Scholes Value of the unexercised portion of this Warrant, that is being offered and paid to the holders of Common Stock of the Company in connection with the Fundamental Transaction, whether that consideration be in the form of cash, stock or any combination thereof, or whether the holders of Common Stock are given the choice to receive from among alternative forms of consideration in connection with the Fundamental Transaction; provided, further, that if holders of Common Stock of the Company are not offered or paid any consideration in such Fundamental Transaction, such holders of Common Stock will be deemed to have received common stock of the Successor Entity (which Successor Entity may be the Company following such Fundamental Transaction) in such Fundamental Transaction. "Black Scholes Value" means the value of this Warrant based on the Black Scholes Option Pricing Model obtained from the "OV" function on Bloomberg determined as of the day of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable Fundamental Transaction and the Termination Date, (B) an expected volatility equal to the 100 day volatility obtained from the HVT function on Bloomberg (determined utilizing a 365-day annualization factor) as of the Trading Day immediately following the public announcement of the applicable Fundamental Transaction, (C) the underlying price per share used in such calculation shall be the highest VWAP during the period beginning on the Trading Day immediately preceding the public announcement of the applicable contemplated Fundamental Transaction (or the consummation of the applicable Fundamental Transaction, if earlier) and ending on the Trading Day of the Holder's request pursuant to this Section 3(d) and (D) a remaining option time equal to the time between the date of the public announcement of the applicable Fundamental Transaction and the Termination Date. The payment of the Black Scholes Value will be made by wire transfer of immediately available funds within five Trading Days of the Holder's election (or, if later, on the effective date of the Fundamental Transaction). The Company shall require any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant and the other Transaction Documents in accordance with the provisions of this Section 3(d) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially

similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

v) Calculations. All calculations under this Section 3 shall be made by the Company to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

vi) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company (and all of its Subsidiaries, taken as a whole) is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email or other address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend,

distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

a) **Restricted Securities.** The Holder understands that neither this Warrant nor the Warrant Shares have been registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act. The Holder understands that the Warrant and the Warrant Shares are “restricted securities” under applicable U.S. federal and state securities laws and that, pursuant to these laws, the Holder must hold the Warrant and the Warrant Shares indefinitely unless they are registered with the Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available. The Holder understands that this Warrant and the Warrant Shares and any securities issued in respect of or exchange for such securities, may bear one or all of the following legends (in substantially the form set forth below):

“THE SECURITIES REPRESENTED HEREBY AND THE SECURITIES ISSUABLE UPON CONVERSION HEREOF HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO SUCH TRANSFER MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT.”

and, any legend required by the securities laws of any state to the extent such laws are applicable to the Securities represented by the certificate so legended.

b) **Transferability Generally.** Subject to the restrictions of Section 4(a), this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations

specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three Trading Days of the date on which the Holder delivers a duly executed Assignment Form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

c) Family or Estate-Planning Transfers. Notwithstanding the restrictions of Sections 4(a) and 4(b), the Holder shall be permitted to effect Family or Estate-Planning Transfers solely for estate planning purposes without the consent of the Company.

d) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the initial issuance date of this Warrant and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

e) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “Warrant Register”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

Section 5. Facilitation of Sales Pursuant to Rule 144. For as long as any Holder holds Warrant Shares, to the extent it shall be required to do so under the Exchange Act, the Company shall use reasonable efforts to timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144) and submit all required Interactive Data Files (as defined in Rule 11 of Regulation S-T of the Commission), and shall use reasonable efforts to take such further necessary action as any holder of Warrant Shares may reasonably request in connection with the removal of any restrictive legend on the Warrant Shares being sold, all to the extent required from time to time to enable such holder to sell the Warrant Shares without registration under the Securities Act within the limitations of the exemption provided by Rule 144.

Section 6. Limitations on Exercise. The Company shall not be obligated to issue, and the Holder shall not have the right to receive, upon exercise of the Warrant, any Warrant Shares if the issuance of such Warrant Shares would exceed the Exchange Cap, except that such limitation shall not apply after the date that Stockholder Approval is approved and deemed effective in accordance with Section 1.2 of the Purchase Agreement.

Section 7. Miscellaneous.

a) No Rights as Stockholder Until Exercise; No Settlement in Cash. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3. Without limiting any rights of a Holder to receive Warrant Shares on a “cashless

exercise” pursuant to Section 2(c) or to receive cash payments pursuant to Section 2(d)(i) and Section 2(d)(iv) herein, including if the Company is for any reason unable to issue and deliver Warrant Shares upon exercise of this Warrant as required pursuant to the terms hereof, in no event shall the Company be required to net cash settle an exercise of this Warrant or cash settle in any other form.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Trading Day, then such action may be taken or such right may be exercised on the next succeeding Trading Day.

d) Authorized Shares.

The Company covenants that during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such

authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. The Company and, by accepting this Warrant, the Holder each agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Warrant (whether brought against the Company or the Holder or their respective affiliates, directors, officers, stockholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. The Company and, by accepting this Warrant, the Holder each hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. The Company and, by accepting this Warrant, the Holder each hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to it at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If the Company or the Holder shall commence an action, suit or proceeding to enforce any provisions of this Warrant, the prevailing party in such action, suit or proceeding shall be reimbursed by the other party for their reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any and all notices or other communications or deliveries to be provided by the Holder hereunder including, without limitation, any Notice of Exercise, shall be

in writing and delivered personally, by email or sent by a nationally recognized overnight courier service, addressed to the Company, at 490 Foley Lane, Hamilton, MT 59840, Attention: General Counsel, or such other email address or address as the Company may specify for such purposes by notice to the Holder with a copy (which shall not constitute notice) to Orrick, Herrington & Sutcliffe LLP, 222 Berkeley Street, Suite 2000, Boston, MA 02116, Attention: Albert Vanderlaan. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service addressed to the Holder, at CHS Management Group, LLC, PO Box 2226, Palm Beach, FL 33480, Attention: Rebecca E. Renzas with a copy (which shall not constitute notice) to McDermott Will & Schulte LLP, One Vanderbilt Avenue, New York, NY 10017-3852, Attention: Todd Kornfeld. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the time of transmission, if such notice or communication is delivered via email at the email address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the time of transmission, if such notice or communication is delivered via email at the email address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given. To the extent that any notice provided by the Company hereunder constitutes, or contains, material, non-public information regarding the Company or any subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by such Holder.

l) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the holders of at least a majority of the Common Stock issuable upon the exercise of the then outstanding Warrants (determined without giving effect to Section 2(e) of the Warrants); provided such modification, amendment or waiver applies to all of the then outstanding Warrants.

m) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be

ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

n) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

o) Electronic Signatures. Electronically scanned and transmitted signatures, including by email attachment, shall be deemed originals for all purposes of this Warrant.

The parties hereby agree as follows:

1. Purchase and Sale of the Convertible Note and Warrant Issuance.
 - 1.1. Issuance of Note and Warrant.
 - (a) Subject to the terms and conditions of this Agreement, the Purchaser agrees to purchase at the Closing and the Company agrees to sell and issue to the Purchaser (i) a convertible note in the form attached hereto as Exhibit A (the “Note”), and (ii) a Common Stock purchase warrant, in the form attached hereto as Exhibit B, registered in the name of the Purchaser, pursuant to which the Purchaser shall have the right to purchase and acquire 5,500,000 shares of Common Stock (the “Warrant”), for a combined purchase price of \$15,000,000.00 (the “Purchase Price”).
 - (b) The shares of Common Stock of the Company issued upon (A) conversion of the Note are referred to herein as “Conversion Shares” and (B) exercise of the Warrant are referred to herein as the “Warrant Shares.” The Note, Warrant, the Conversion Shares and the Warrant Shares are sometimes collectively referred to herein as the “Securities.”
 - 1.2. Issuance Limitations. The Company shall not be obligated to issue, and the Purchaser shall not have the right to receive, upon conversion of the Note or exercise of the Warrant, any shares of Common Stock if the issuance of such shares of Common Stock would exceed that number of shares of Common Stock which the Company may issue in the aggregate pursuant to the transactions contemplated under this Agreement without breaching the Company’s obligations under the rules or regulations of the NYSE (the “Exchange Cap”), except that such limitation shall not apply after the date that Stockholder Approval is approved and deemed effective. The Company will use reasonable best efforts to obtain and effect the Stockholder Approval at its annual meeting of stockholders or a special meeting of stockholders, in either case, to be held no later than June 30, 2026 (the “Stockholders Meeting”), and shall cause the Board of Directors of the Company to recommend to the stockholders that they approve such matter. If, despite the Company’s reasonable best efforts, Stockholder Approval is not effected at the Stockholders Meeting, the Company shall cause an additional meeting of stockholders to be held every four (4) months thereafter, and shall use reasonable best efforts to obtain and effect the Stockholder Approval at each such meeting, including at a minimum engaging a national-standing proxy solicitation firm to assist in soliciting the requisite votes, and shall cause the Board of Directors of the Company to recommend to the stockholders that they approve such matter at each such meeting, until the Stockholder Approval is obtained.

1.3. Closings; Delivery.

- (a) The purchase and sale of the Note and the Warrant (the “Closing”) shall take place remotely via the exchange of final documents and signature pages on the Agreement Date (or such other date as the Company and the Purchaser shall agree); provided, that all the conditions to closing set forth in Sections 4 and 5 hereof are satisfied or waived as of such date (the date on which the closing occurs is referred to as the “Closing Date”).
- (b) On the Closing Date, the Company shall execute and deliver to the Purchaser the Note in a principal amount equal to the Purchase Price and the Warrant in exchange for such Purchaser delivering an amount equal to the Purchase Price by wire transfer to a bank account designated in writing by the Company on or before the Agreement Date.

The Company does not have outstanding stockholder purchase rights or “poison pill” or any similar arrangement in effect giving any Person the right to purchase any equity interest in the Company upon the occurrence of certain events.

- 2.5. Valid Issuance. The Note and the Warrant have been duly authorized by all necessary corporate action of the Company. When issued and sold against receipt of the consideration therefor, the Note and the Warrant will be valid and legally binding obligations of the Company, enforceable in accordance with their terms, subject to the limitation of such enforcement by the Enforceability Exceptions. The Company has taken all action necessary to exempt (a) the issuance and sale of the Note and the Warrant and (b) the other transactions contemplated by the Transaction Documents from the provisions of any stockholder rights plan or other “poison pill” arrangement, any anti-takeover, business combination or control share law or statute binding on the Company or to which the Company or any of its assets and properties is subject that is or could reasonably be expected to become applicable to the Purchaser as a result of the transactions contemplated hereby, including without limitation, the issuance of the Securities and the ownership, disposition or voting of the Securities by the Purchaser or the exercise of any right granted to the Purchaser pursuant to this Agreement or the other Transaction Documents. The issuance and sale of the Securities hereunder does not contravene the rules and regulations of the NYSE.

Since December 31, 2021, the Company has filed all reports, schedules, forms, statements and other documents required to be filed by the Company under the Securities Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) thereof. At the time of filing thereof, such SEC Filings complied as to form in all material respects with the requirements of the Securities Act or Exchange Act, as applicable, and, as of their respective dates, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

The execution, delivery and performance by the Company of this Agreement and the other Transaction Documents to which it is a party, the issuance and sale of the Securities and the consummation by it of the transactions contemplated hereby and thereby do not and will not: (a) conflict with or violate any provision of the Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, (b) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of the Company or any Subsidiary, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing a Company or Subsidiary debt or otherwise) or other understanding to which the Company or any Subsidiary is a party or by which any property or asset of the Company or any Subsidiary is bound or affected, or (c) conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company or a Subsidiary is subject (including federal and state securities laws and regulations), or by which any

property or asset of the Company or a Subsidiary is bound or affected; except in the case of each of clauses (b) and (c), such as would not have or reasonably be expected to result in a Material Adverse Effect. The Purchaser agrees to indemnify and to hold harmless the Company from any liability for any commission or compensation in the nature of a finder's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which the Purchaser or any of its officers, employees, or representatives is responsible. The Company agrees to indemnify and hold harmless the Purchaser from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which the Company or any of its officers, employees or representatives is responsible.

- 8.7. Amendments and Waivers. Any term of this Agreement may be amended or waived subsequent to the execution hereof only upon the mutual written consent of (i) the Company and (ii) the Holder. Any amendment or waiver effected in accordance with this Section 8.7 shall be binding upon the Purchaser and the Holder and transferee of the Note and Warrant and the Company.
- 8.8. Costs and Expenses. The Company shall pay all reasonable and documented out-of-pocket expenses (including reasonable and documented legal fees) incurred by the Holder in connection with the preparation, negotiation, execution and delivery of this Agreement and the documents delivered in connection herewith, or any amendments, modifications or waivers of the provisions hereof or thereof, in an amount not to exceed, in the aggregate, \$25,000.
- 8.9. Severability. If one or more provisions of this Agreement are held to be unenforceable under applicable Law, such provision shall be excluded from this Agreement, and the balance of the Agreement shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms, so long as this Agreement as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).
- 8.10. Delays or Omissions. No delay or omission to exercise any right, power or remedy accruing to any party under this Agreement, upon any breach or default of any other party under this Agreement, shall impair any such right, power or remedy of such non-breaching or non-defaulting party nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded to any party, shall be cumulative and not alternative.
- 8.11. Entire Agreement. This Agreement and the other Transaction Documents constitute the entire agreement between the parties hereto pertaining to the subject matter hereof, and any and all other written or oral agreements relating to the subject matter hereof existing between the parties hereto are expressly canceled.
- 8.12. Governing Law; Waiver of Jury Trial; Dispute Resolution.
- (a) THE INTERNAL LAW OF THE STATE OF DELAWARE WILL GOVERN AND BE USED TO CONSTRUE THE TRANSACTION DOCUMENTS WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW. EACH OF THE COMPANY AND EACH PURCHASER HEREBY IRREVOCABLY WAIVES, TO

THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY.

- (b) Each of the parties hereto irrevocably agrees that any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder brought by the other party hereto or its successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, solely if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each Party hereby submits to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, solely if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware) for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper.
- (c) Each party hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to the Transaction Documents in any court referred to in the preceding paragraph. Each party hereto irrevocably waives, to the fullest extent permitted by Law, the defense of an inconvenient forum to the maintenance of any such suit, action or proceeding in any such court.
- (d) Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 8.5. Nothing in the Transaction Documents will affect the right of any party hereto to serve process in any other manner permitted by Law.

8.13. Corporate Opportunity. The Company acknowledges that the Purchaser and its Affiliates are engaged in the business of investing in private and public companies in a wide range of industries, including the industry segment in which the Company operates. Accordingly, the Company and the Purchaser acknowledge and agree that the Purchaser and its Affiliates shall:

- (a) have no obligation or duty (contractual or otherwise) to the Company to refrain from participating as a director, investor or otherwise with respect to any company or other person or entity that is engaged in the Company's industry segment or is otherwise competitive with the Company, and
- (b) in connection with making investment decisions, to the fullest extent permitted by law, have no obligation or duty (contractual or otherwise) to

the Company to refrain from using any information, including, but not limited to, market trend and market data, which comes into the Purchaser's or its Affiliate's possession, whether as a director of, or investor in, the Company or otherwise.

- 8.14. No Publicity. Each of the Company and the Purchaser agrees that it will not, and shall cause each of its Subsidiaries to not, without the prior written consent of the other party, use in advertising, publicity, or otherwise the name of the other party, or any partner or employee of the other party, nor any trade name, trademark, trade device, service mark, symbol or any abbreviation, contraction or simulation thereof owned by the other party, or any of its Affiliates, in each case other than pursuant to required securities filings. Each of the Company and the Purchaser further agrees that it shall obtain the written consent of the other party prior to the issuance of any public statement identifying or specifying that the Purchaser or any of its Affiliates has purchased the Note and Warrant pursuant to this Agreement, in each case other than pursuant to required securities filings.
- 8.15. Use of Proceeds. The Company shall use the proceeds from the sale of the Note and Warrant for working capital and general corporate purposes. Notwithstanding the foregoing, the Company acknowledges and agrees that, at Closing, Purchaser will remit \$2,000,000.00 of proceeds from the sale of the Note and Warrant directly to the Senior Creditor (on behalf of the Company) to repay \$2,000,000.00 of principal outstanding under the Senior Credit Agreement.

The parties have executed this Convertible Note and Warrant Purchase Agreement as of the date first written above.
