In some cases, you can identify these forward-looking statements by the use of terms such as "expect," "anticipate," "believe," "continue," "estimate," "intend," "may," "plan," "project," "seek," "should," "target," "will," or similar expressions, and variations or negatives of these words, but the absence of these words does not mean that a statement is not forward-looking. These forward-looking statements include, without limitation, statements regarding our ability to raise capital in the future, future financial performance, business strategies including future acquisitions, expansion plans including construction of future facilities, future results of operations, estimated revenues, losses, projected costs, prospects, plans and objectives of management. All statements other than statements of historical fact are statements that could be deemed forward-looking statements. These forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance, or achievements to differ materially from results expressed or implied in this Quarterly Report on Form 10-Q. The following factors, among others, could cause actual results to differ materially from those described in these forward-looking statements:

- the risk that Local Bounti could fail to effectively manage its future growth;
- the risk that Local Bounti will fail to obtain additional necessary capital when needed on acceptable terms or at all;
- Local Bounti's ability to complete the build out of its current or additional facilities in the future;
- Local Bounti's reliance on third parties for construction, the risk of delays relating to material delivery and supply chains, and fluctuating material prices;

- Local Bounti's ability to effectively integrate the acquired operations of any CEA or similar operations which it acquires into its existing operations;
- changes in consumer preferences, perception, and spending habits in the food industry;
- the risk that seasonality may adversely impact Local Bounti's results of operations;
- Local Bounti's ability to repay, refinance, restructure, or extend its indebtedness as it comes due;
- Local Bounti's ability to comply with the continued listing requirements of the New York Stock Exchange ("NYSE") or timely cure any noncompliance thereof;
- Local Bounti's ability to implement any share repurchase program; and
- the other factors discussed in Item 1A, "Risk Factors" of the Company's most recent Annual Report on Form 10-K and any updates to those factors set forth in Local Bounti's subsequent Quarterly Reports on Form 10-Q or Current Reports on Form 8-K.

The forward-looking statements contained herein are based on our current expectations and beliefs concerning future developments and their potential effects on our business. There can be no assurance that future developments affecting our business will be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, the "Risk Factors" identified in Part I, Item 1A of the Company's most recent Annual Report on Form 10-K. Moreover, we operate in a very competitive and rapidly changing environment. New risks and uncertainties emerge from time to time and it is not possible for us to predict all such risk

factors, nor can we assess the effect of all such risk factors on our business or the extent to which any factor or combination of factors may cause actual results to differ materially from those contained in any forward-looking statements. Should one or more of these risks or uncertainties materialize, or should any of the assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements.

In light of these risks and uncertainties, there is no assurance that the events or results suggested by the forward-looking statements will in fact occur, and you should not place undue reliance on these forward-looking statements. The forward-looking statements made by us in this Quarterly Report on Form 10-Q speak only as of the date made. Local Bounti undertakes no obligation, other than as required by applicable law, to update or revise its forward-looking statements, whether as a result of new information, subsequent events, anticipated or unanticipated circumstances or otherwise.

LOCAL BOUNTI CORPORATION
NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

1. Business Description

Description of the Business

Local Bounti Corporation ("Local Bounti" or the "Company") was founded in August 2018 and is headquartered in Hamilton, Montana. The Company is a producer of sustainably grown produce, focused today on living and loose leaf lettuce. The Company is a controlled environment agriculture ("CEA") company that utilizes patented Stack & Flow Technology[®], which is a hybrid of vertical and hydroponic greenhouse farming, to grow healthy food sustainably and affordably. Through the Company's CEA process, its goal is to produce environmentally sustainable products in a manner that will increase harvest efficiency, limit water usage, and reduce the carbon footprint of the production and distribution process.

2. Summary of Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

Management of Local Bounti is responsible for the Unaudited Condensed Consolidated Financial Statements included in this document, which have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Unaudited Condensed Consolidated Financial Statements include the accounts of the Company and its wholly-owned subsidiaries. All significant intercompany accounts and transactions have been eliminated in the statements herein.

The Unaudited Condensed Consolidated Financial Statements do not include all of the disclosures required by GAAP for annual financial statements and should be read in conjunction with the audited Consolidated Financial Statements of the Company for the year ended December 31, 2023 (the "Annual Financial Statements") as filed with the SEC. In the opinion of the Company, the accompanying Unaudited Condensed Consolidated Financial Statements contain all adjustments, consisting of only normal recurring adjustments, necessary to fairly present its financial position as of June 30, 2024, its results of operations for the three and six months ended June 30, 2024 and 2023, its cash flows for the six months ended June 30, 2024 and 2023, and its stockholders' (deficit) equity for the three and six months ended June 30, 2024 and 2023. Results of operations for the interim periods are not necessarily indicative of the results to be expected for the full year ending December 31, 2024 or any future period. The Unaudited Condensed Consolidated Balance Sheet at December 31, 2023 was derived from the Annual Financial Statements but does not contain all of the footnote disclosures from the Annual Financial Statements.

Liquidity

The Company has incurred losses and generated negative cash flows from operations since its inception. At June 30, 2024, the Company had an accumulated deficit of \$352.6 million and cash and cash equivalents and restricted cash of \$16.2 million.

The Ninth Amendment to the credit facilities with Cargill Financial, as described in Note 6, *Debt*, allows for the payment in kind of the quarterly interest payments due and payable for the quarters ending June 30, 2024, September 30, 2024, and December 31, 2024. In addition, the Company expects to close in the third quarter of 2024 on the four previously disclosed Conditional Commitment Letters ("CCLs") from a commercial finance lender that were executed in the second half of 2023. Together, the CCLs will provide financing of approximately \$228 million to fund its facility expansions, its planned greenfield facility in the Midwest, and working capital needs and to repay certain existing construction financing which is expected to lower the Company's cost of capital. The funding expected pursuant to the CCLs is subject to the completion of definitive documents and the satisfaction of customary closing conditions.

The Company believes that the \$228 million from a commercial finance lender, the Company's current cash position, cash generated from product sales, and anticipated additional deferrals of future cash interest and principal payments under the Company's credit facilities with Cargill Financial will be adequate to fund the Company's planned operations over the next 12 months from the issuance of these Unaudited Condensed Consolidated Financial Statements.

The Company also believes additional cash can be secured through other debt or equity financings, if necessary. However, there can be no assurance that equity or debt financing will be available to the Company should it need it or, if available, that the terms will be satisfactory to the Company and not dilutive to existing shareholders. The Company's failure to raise capital as and when needed could have significant negative consequences for its business, financial condition and results of consolidated operations.

Recently Adopted Accounting Pronouncements

In August 2020, the FASB issued ASU 2020-06, *Debt—Debt with Conversion and Other Options (Subtopic 470-20) and Derivatives and Hedging—Contracts in Entity's Own Equity (Subtopic 815-40): Accounting for Convertible Instruments and Contracts in an Entity's Own Equity*, which simplifies the accounting for certain financial instruments with liability and equity characteristics, including convertible instruments and contracts on an entity's own equity. The standard reduces the number of models used to account for convertible instruments, removes certain settlement conditions that are required for equity contracts to qualify for the derivative scope exception, and requires the if-converted method for calculation of diluted earnings per share for all convertible instruments. The Company adopted this guidance on January 1, 2024. The adoption of this guidance did not have a material impact on the Company's Unaudited Condensed Consolidated Financial Statements.

Recently Issued Accounting Pronouncements

In December 2023, the FASB issued ASU 2023-09, *Income Taxes (Topic 740)*, which requires disclosure of specific categories and disaggregation of information in the rate reconciliation table. The ASU also requires disclosure of disaggregated information related to income taxes paid, income or loss from continuing operations before income tax expense or benefit, and income tax expense or benefit from continuing operations. The standard is effective for the Company for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2024. Early adoption is permitted and the amendments should be applied on a prospective basis. The Company is currently evaluating the impact of this standard on its Unaudited Condensed Consolidated Financial Statements.

In November 2023, the FASB issued ASU 2023-07, *Segment Reporting (Topic 280)*, which improves reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. The standard is effective for the Company for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The Company is currently evaluating the impact of this standard on its Unaudited Condensed Consolidated Financial Statements.

Agreements with Cargill Financial

On September 3, 2021, Local Bounti Operating Company LLC and certain subsidiaries entered into (a) a credit agreement (the "Senior Credit Agreement") with Cargill Financial Services International, Inc. ("Cargill Financial") for an up to \$150.0 million multiple-advance term loan (the "Senior Facility") and (b) a subordinated credit agreement (the "Subordinated Credit Agreement" and, together with the Senior Credit Agreement, the "Original Credit Agreements") with Cargill Financial for an up to \$50.0 million multiple-advance term loan (the "Subordinated Facility" and, together with the Senior Facility, the "Facilities").

As previously disclosed in the Company's Annual Financial Statements, Local Bounti Operating Company LLC and certain subsidiaries entered into with Cargill Financial a First Amendment, a Second Amendment, a Third Amendment, Fourth Amendment, a Fifth Amendment, a Sixth Amendment, and a Seventh Amendment to the Original Credit Agreements.

In the first half of 2024, Local Bounti Operating Company LLC, the Company, and certain subsidiaries entered into with Cargill Financial an Eighth Amendment, a Ninth Amendment, and a Tenth Amendment to the Original Credit Agreements (as so amended, collectively referred to as the "Amended Credit Agreements"), as further described below.

Eighth Amendment to Credit Agreements

On January 23, 2024, the Company, along with certain subsidiaries of the Company, entered into an Eighth Amendment to the Original Credit Agreements (the "Eighth Amendment") with Cargill Financial to further amend the Original Credit Agreements. The Eighth Amendment allows for the payment in kind of the quarterly interest payments due and payable for the quarter ending March 31, 2024.

Ninth Amendment to Credit Agreements

On March 26, 2024, the Company, along with certain of its subsidiaries, entered into a Ninth Amendment to the Original Credit Agreements (the "Ninth Amendment") with Cargill Financial to further amend the Original Credit

Agreements. The Ninth Amendment allows for the payment in kind of the quarterly interest payments due and payable for the quarters ending June 30, 2024, September 30, 2024, and December 31, 2024. The Ninth amendment also provides for up to \$15.0 million in working capital for the Company, \$15.0 million of which has been drawn down.

Tenth Amendment to Credit Agreements

On June 28, 2024, the Company, along with certain of its subsidiaries, entered into a Tenth Amendment to the Original Credit Agreements (the "Tenth Amendment") with Cargill Financial to further amend the Original Credit Agreements. The Tenth Amendment adds a new maximum operating expense ratio covenant, to be tested beginning with the fiscal quarter ending September 30, 2024.

General provisions to the Amended Credit Agreements

The interest rate on the Subordinated Facility is 12.5% per annum and the interest rate on the Senior Facility is equal to SOFR plus a margin (which varies between 7.5% to 8.5% depending on the Senior Facility net leverage ratio) per annum, with accrued interest paid quarterly in arrears on the first business day of the subsequent quarter through the maturity date on September 3, 2028. Principal payments under the Senior Facility are payable quarterly, beginning April 1, 2025, based on a 10-year straight line amortization schedule, with the remaining unpaid balance under both the Senior Facility and the Subordinated Facility due on the September 3, 2028 maturity date.

In accordance with the Original Credit Agreements, the Company is required to have a debt service reserve account which is shown as restricted cash on the Consolidated Balance Sheets. The Fifth Amendment and Sixth Amendment, taken together, reduced the minimum balance to maintain in the debt service reserve account to \$0 through March 31, 2025. From and after April 1, 2025, the minimum balance to maintain in the debt service reserve account will be increased to two quarters of scheduled interest payments and two quarters of scheduled principal payments. The Sixth Amendment also added a quarterly minimum production covenant for each facility based on pounds produced and sold during the quarter commencing June 30, 2023.

The Amended Credit Agreements also contain certain financial covenants that become measurable and effective beginning in the third quarter of 2025, including debt coverage, net leverage, and interest coverage ratios. Additional covenants and other provisions exist that may limit or affect the timing of the Company's ability, among other things, to undergo a merger or consolidation, sell certain assets, create liens, guarantee certain obligations of third parties, make certain investments or acquisitions, and declare dividends or make distributions. The Facilities are secured with a first-priority lien against substantially all of the assets of the Company and its subsidiaries, including their intellectual property. The Company was in compliance with all applicable covenants as of June 30, 2024.

7. Fair Value Measurements

The following table sets forth by level within the fair value hierarchy, the accounting of the Company's financial assets and liabilities at fair value on a recurring and nonrecurring basis according to the valuation techniques the Company uses to determine their fair value:

	June 30, 2024		
	Level 1	Level 2	Level 3
	(in thousands)		
Recurring fair value measurements			
Assets:			
Money market funds	\$ 15,871	\$ —	\$ —
Liabilities:			
March 2023 Cargill Warrant Liability	\$ —	\$ —	\$ 10,298
	December 31, 2023		
	Level 1	Level 2	Level 3
	(in thousands)		
Recurring fair value measurements			
Assets:			
Money market funds	\$ 16,322	\$ —	\$ —
Liabilities:			
March 2023 Cargill Warrant Liability	\$ —	\$ —	\$ 7,214

The fair value of the Company's money market funds is determined using quoted market prices in active markets for identical assets.

The fair value of the March 2023 Cargill Warrant Liability is determined using a Black-Scholes model. The following table presents changes in the Level 3 fair value measurement for the warrant liability on a recurring basis:

	June 30,	
	2024	
	(in thousands)	
Balance as of December 31, 2023	\$	7,214
Fair value measurement adjustments through other income (expense)		3,084
Balance as of June 30, 2024	\$	10,298
	June 30,	
	2023	
	(in thousands)	
Balance as of March 28, 2023 (initial measurement)	\$	25,697
Fair value measurement adjustments		(15,151)
Balance as of June 30, 2023	\$	10,546

The key inputs into the Black-Scholes model used to determine the fair value of the 2023 Cargill Warrant Liability were as follows at their measurement dates:

Input	June 30,	
	2024	2023
Share price	\$ 2.79	\$ 2.72
Risk-free interest rate	4.33%	4.13%
Volatility	125%	132%
Exercise price	\$ 6.50	\$ 13.00
Warrant life (years)	3.7	4.7
Dividend yield	—%	—%

As of June 30, 2024 and December 31, 2023, the carrying value of the Company's cash and cash equivalents, restricted cash, accounts receivable, accounts payable and accrued expenses approximated their respective fair values due to their short-term maturities. Therefore, no unrealized gains or losses were recorded during the periods presented. There were no transfers of financial instruments between Level 1, Level 2, and Level 3 during the periods presented.

Common Stock Purchase Warrant Amendment

On January 23, 2024, the Company entered into an Amendment to Common Stock Purchase Warrant (the "Warrant Amendment") with Cargill Financial to amend that certain Common Stock Purchase Warrant, dated March 28, 2023, issued by the Company to Cargill Financial (the "Original Warrant" and as amended, the "Warrant") to amend the exercise price under Section 2(b) thereunder from \$13.00 to \$6.50 per share of common stock. The impact of the reduced exercise price was included in the mark-to-market net change in fair value of the warrant liability during the six months ended June 30, 2024.

The Original Warrant was issued by the Company to Cargill Financial to purchase up to 5,353,846 shares of common stock. Pursuant to the Warrant Amendment, the Warrant entitles Cargill Financial to purchase 5,353,846 shares of common stock at an exercise price of \$6.50 per share.

8. Stock-Based Compensation

Restricted Common Stock Awards

A summary of the restricted common stock awards ("RSAs") for the six months ended June 30, 2024 is as follows:

	Number of Shares of Restricted Common Stock Awards	Average Grant-Date Fair Value
Unvested and outstanding at December 31, 2023	135,701	\$ 23.60
Vested	(52,193)	\$ 25.73
Unvested and outstanding at June 30, 2024	<u>83,508</u>	<u>\$ 22.27</u>

Total expense of RSAs for the three and six months ended June 30, 2024 was \$0.1 million and \$0.4 million, respectively. Total expense of RSAs for the three and six months ended June 30, 2023 was \$0.3 million and \$0.5 million, respectively. As of June 30, 2024, the total compensation cost related to unvested RSAs not yet recognized is \$0.3 million. Unvested RSA expense not yet recognized is expected to be recognized over a weighted average period of 0.6 years.

Restricted Stock Units

A summary of the restricted stock units ("RSUs") activity for the six months ended June 30, 2024 is as follows:

	Number of RSUs	Average Grant-Date Fair Value
Unvested and outstanding at December 31, 2023	689,837	\$ 47.43
Granted	1,080,345	\$ 2.94

Total expense of RSUs, net of amounts capitalized, for the three and six months ended June 30, 2024 was \$1.5 million and \$0.3 million, respectively. Total expense of RSUs for the three and six months ended June 30, 2023 was \$4.1 million and \$9.9 million, respectively. As of June 30, 2024, the total compensation cost related to unvested RSUs not yet recognized is \$6.1 million. Unvested RSU expense not yet recognized is expected to be recognized over a weighted average period of 2.0 years.

9. Net Loss Per Share

Net loss per share is computed by dividing net loss by the weighted average number of common shares outstanding during the period. In computing net loss per share, the Company's unvested restricted common stock and warrants are not considered participating securities. Diluted loss per common share is the same as basic loss per common share for the three and six months ended June 30, 2024 and 2023 because the effects of potentially dilutive items were anti-dilutive given the Company's net loss. If and when applicable, diluted net loss per common share represents an adjustment to basic net loss per share attributable to common stockholders giving effect to all potential common shares that were dilutive and outstanding during the period.

The following table sets forth the computation of the Company's net loss per share attributable to common stockholders:

	Three Months Ended June 30,		Six Months Ended June 30,	
	<i>(in thousands, except share and per share data)</i>		<i>(in thousands, except share and per share data)</i>	
	2024	2023	2024	2023
Net loss	\$ (25,267)	\$ (10,676)	\$ (49,317)	\$ (34,203)
Weighted average common shares outstanding, basic and diluted	8,411,226	7,930,371	8,368,596	7,829,673
Net loss per common share, basic and diluted	\$ (3.00)	\$ (1.35)	\$ (5.89)	\$ (4.37)

The following table discloses the weighted-average shares outstanding of securities that could potentially dilute basic net loss per share in the future that were not included in the computation of diluted net loss per share as the impact would be anti-dilutive:

	Three Months Ended June 30,		Six Months Ended June 30,	
	<i>(in thousands, except share and per share data)</i>		<i>(in thousands, except share and per share data)</i>	
	2024	2023	2024	2023

Warrants	6,241,475	6,241,475	6,241,475	3,697,659

10. Commitments and Contingencies

Legal Matters

The Company has and may become party to various legal proceedings and other claims that arise in the ordinary course of business. The Company records a liability when it believes that it is probable that a loss will be incurred, and the amount of loss or range of loss can be reasonably estimated. Management is currently not aware of any matters that it expects will have a material adverse effect on the financial position, results of operations, or cash flows of the Company.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

As discussed in more detail in the section entitled "Cautionary Note Regarding Forward-Looking Statements," this discussion contains forward-looking statements, which involve risks and uncertainties. Our actual results may differ materially from the results discussed in the forward-looking statements.

Our Mission and Vision

Our mission is to revolutionize agriculture, ensuring accessibility to fresh, sustainable, locally grown produce to nourish communities everywhere for generations to come. Our vision is to reimagine freshness. We envision a future where transformative innovation and technology combine to enable us to locally grow produce with minimal food miles, ensuring the freshest and most sustainable offerings for communities everywhere. We believe that happy plants make happy taste buds, and we are committed to reimagining the standards of freshness. We also believe that local is the best kind of business, and we are committed to helping communities thrive for generations to come. We are committed to building empowered local teams. Together, we are capable of extraordinary achievements in sustainable agriculture.

Company Overview

Local Bounti is a controlled environment agriculture ("CEA") company that produces sustainably grown produce, focused today on living and loose leaf lettuce. Founded in 2018, and headquartered in Hamilton, Montana, Local Bounti utilizes its patented Stack & Flow Technology[®] to grow healthy food sustainably and affordably. Our proprietary process is a hybrid growing approach, utilizing vertical farming in early plant growth, followed by greenhouse farming for final grow out. We designed our Stack & Flow Technology[®] to give our products exactly what they need at every step of their growth cycle. Our goal is to grow in an environmentally sustainable manner that not only increases harvest efficiency and enhances unit economics, but also limits water usage and reduces the carbon footprint of the production and distribution process. Controlling the environmental conditions in both the 'Stack' and 'Flow' components of our growing system helps to ensure healthy, nutritious, and consistent products that are non-genetically modified organisms ("non-GMO"). We use 90% less water, 90% less land, and significantly less pesticides and herbicides than traditional outdoor agriculture operations.

Our first facility in Hamilton, Montana (the "Montana Facility") commenced construction in 2019 and reached commercial operation by the second half of 2020. In 2021, we successfully completed the expansion of our Montana Facility, more than doubling our production capacity. The Montana Facility is currently used for commercial production, as well as research-and-development activities. In 2022, we acquired California-based complementary greenhouse farming company Hollandia Produce Group, Inc. and its subsidiaries, which operated under the name Pete's. Through the Pete's Acquisition, we significantly increased our growing footprint to include two then-existing facilities in California and one under-construction facility in Georgia. The Georgia facility initially became operational in July 2022 and was significantly expanded in 2023. In 2024, we completed construction on two new facilities in Washington and Texas, bringing our total facility count to six.

We distribute our products to approximately 13,000 retail locations across 35 U.S. states, primarily through direct relationships with blue-chip retail customers, including Albertsons, Sam's Club, Kroger, Target, Walmart, Whole Foods, Brookshire's, and AmazonFresh. Our primary products include living butter lettuce – for which we are a leading provider with an approximate 80% share of the CEA market within the Western U.S. – as well as packaged leafy greens and cress. We are currently expanding distribution of our Grab & Go Salad Kits and have expanded our baby leaf portfolio by introducing several high-velocity offerings in the second quarter of 2024, including spinach, arugula, and basil. In addition, we are set to introduce 50/50 blend and power greens by the third quarter of 2024. We signed an offtake agreement with Sam's Club in October 2022 for our leafy greens production initially from our Georgia facility and now including both our Georgia and Texas facilities. The offtake agreement provides for the sale of defined minimum quantities of leafy greens from our Georgia and Texas facilities and runs through September 2028.

We intend to continue to increase our production capacity and expand our reach to new markets, new geographies, and new customers through the building of new facilities, the expansion of existing facilities, or the acquisition of existing greenhouse facilities, which we would evaluate to update with our Stack & Flow Technology[®]. We conduct an ongoing build-versus-buy analysis whenever we decide to build a new facility or acquire an existing facility. We also continue to explore expanding our product offerings to new varieties of fresh greens, herbs, berries, and other produce. Additionally, we evaluate commercial opportunities as part of these expansion efforts on an ongoing basis.

Commercial Facility Expansion Update

Now Shipping Product from Mount Pleasant, TX & Pasco, WA Facilities

We commenced operations at both our Texas and Washington facilities and began shipping product to customers in the second quarter. We were able to scale these facilities in less than one-third of the time that it took to scale Georgia given the advantages of the purpose-built design and other efficiencies that were integrated. The Texas facility fortifies our distribution for Sam's Club, which expands our service from three distribution centers to six. The Washington facility bolsters our distribution capabilities with new and existing customers in the Pacific Northwest to serve our expanding customer base.

Capacity Expansion Project Update

Plans remain underway to build additional capacity across our network of facilities enabled with our Stack & Flow Technology[®]. The planned expansions are designed to provide additional capacity and allow for our growing product assortment to meet existing demand from our direct relationships with blue-chip retailers and distributors. The timing and scope of these projects, which includes plans to expand into the Midwest, remain under review pending ongoing discussions with retailers to optimize those facilities for specific products in support of retail commitments and strategies to expand distribution.

Hamilton, Montana Facility Transition to Commercial Production Nearly Complete

The transition of our Montana Facility from a research and development focus to a commercially oriented focus growing produce for sale to customers is nearly complete. This transition follows the capacity enhancements brought about by the completion of the Georgia facility and the commencement of operations at both the Texas and Washington facilities and is expected to help drive us toward our goals of achieving positive adjusted EBITDA in early 2025.

Product Development & Distribution

In the second quarter, we expanded our distribution with Sam's Club for leafy greens production with service commencing from our recently opened facility in Mount Pleasant, Texas. We are now fulfilling shipments to six of Sam's Club's regional distribution centers from two Local Bounty facilities, Mount Pleasant, Texas and Byron, Georgia.

We are also now shipping to Brookshire Grocery Company ("Brookshire's") locations from our new Mount Pleasant, Texas facility. Brookshire's is stocking our full line of produce products – including our Grab-and-Go Salad Kits, living lettuce and baby leaf varieties – to Brookshire's nearly 180 store locations across three states in the Southeast and Southwest United States.

Starting in the second quarter of 2024, we rolled out our Grab-and-Go Salad Kits to customers representing approximately 200 doors throughout the Pacific Northwest and Southern United States; we expect this to expand to a total of approximately 700 doors in the second half of 2024. These product expansions include four unique flavor offerings: Artisanal Chicken Caesar, Memphis Inspired Chicken, Sweet Poppy Power, and Modern Greek Style.

We are set to expand our product assortment in the third quarter of 2024 by introducing several high-velocity offerings including Arugula, Spring Mix & Spinach Blend, Power Greens, and Basil.

Financing Developments

In July 2024, we entered into negotiations for an additional Conditional Commitment Letter ("CCL") for up to \$175 million of potential financing. Combined with the existing \$228 million of previously announced CCLs with the same commercial finance lender, we will have CCLs that could provide up to approximately \$400 million of financing to fund our existing facility expansions, our planned greenfield facility in the Midwest, working capital needs, strategic growth capital and to repay certain existing construction financing which is expected to lower our cost of capital. The funding expected pursuant to the CCLs is subject to the completion of definitive documents and the satisfaction of customary closing conditions which we believe will be complete in the third quarter of 2024. We have also entered into a non-binding letter of intent for a \$55 million sale-lease back of our facility in Byron, GA, subject to the completion of customary diligence and binding documentation.

Factors Affecting Our Financial Condition and Results of Operations

We have expended, and we expect to continue to expend, substantial resources as we:

- complete construction and commissioning of new and expanded facilities;
- standardize operating and manufacturing processes across our facilities including increased expenses associated with growing operations;
- identify and invest in future growth opportunities, including new product lines;
- invest in product innovation and development;
- invest in sales and marketing efforts to increase brand awareness, engage customers and drive sales of our products; and
- incur additional general administration expenses

The following sections discuss and analyze the changes in the significant line items in our Unaudited Condensed Consolidated Statements of Operations for the comparative periods in the table above.

Sales

We derive our revenue from the sale of produce grown at our six facilities.

Sales increased by \$2.3 million for the three months ended June 30, 2024, compared to the three months ended June 30, 2023. The increase was due to increased production and growth in sales from our facility in Georgia and, to a lesser extent, sales from our newly opened facilities in Texas and Washington.

Sales increased by \$3.9 million for the six months ended June 30, 2024, compared to the six months ended June 30, 2023. The increase was due to increased production and growth in sales from our facility in Georgia and, to a lesser extent, sales from our newly opened facilities in Texas and Washington.

Cost of Goods Sold

Cost of goods sold is the direct cost of growing produce for sale at our greenhouse facilities, including labor costs, which consists of wages, salaries, benefits, and stock-based compensation, seeds, soil, nutrients and other input supplies, packaging materials, depreciation, utilities and other manufacturing overhead. We expect that, over time, cost of goods sold will decrease as a percentage of sales, as a result of scaling our business.

Cost of goods sold increased by \$1.8 million for the three months ended June 30, 2024, compared to the three months ended June 30, 2023, due primarily to increased production and increased sales of \$2.3 million.

Cost of goods sold increased by \$2.9 million for the six months ended June 30, 2024, compared to the six months ended June 30, 2023, due primarily to increased production and increased sales of \$3.9 million.

Research and Development

Research and development expenses consist primarily of costs related to the continued development of our production, harvesting, and post-harvest packaging methods, techniques, and processes, as well as production surplus costs related to the development and testing of our production processes during the post-commissioning phase at our new facilities. Our research and development efforts are focused on the development of our processes utilizing our facilities, increasing production yields, developing new leafy green SKUs and value-added products such as grab-and-go salads, and exploring new crops, including spinach, arugula, and berries. Research and development is performed at the Montana, Texas, Washington, and Georgia facilities, where we continue to develop our commercial scale Stack & Flow Technology® and processes for implementation throughout our facility footprint.

Research and development costs increased by \$1.0 million for the three months ended June 30, 2024, compared to the three months ended June 30, 2023 and increased by \$0.9 million for the six months ended June 30, 2024, compared to the six months ended June 30, 2023. As explained above, as the Georgia facility expansion has been completed and operations have commenced at both the Texas and Washington facilities, there has been a resulting decrease of investment in personnel, materials, supplies, and facility capacity devoted to research and development.

However, in both periods, we incurred costs for the development of our production, harvesting, and post-harvest packaging techniques and processes, including production surplus costs related to the development and testing of our commercial scale Stack & Flow Technology® and production processes at the Georgia, Washington, and Texas facilities.

Selling, General, and Administrative Expenses

Selling, general, and administrative expenses consist of employee compensation, including salaries, benefits, and stock-based compensation for our executive, legal, finance, information technology, human resources and sales and marketing teams, expenses for third-party professional services, insurance, marketing, advertising, computer hardware and software, and amortization of intangible assets, among others. We expect selling, general, and administrative expenses to decrease significantly in 2024 due primarily to expected salary cost savings of approximately \$5.0 million on an annualized basis as a result of our recent actions to streamline our organizational structure.

Selling, general, and administrative expenses decreased by \$6.0 million for the three months ended June 30, 2024, compared to the three months ended June 30, 2023, related to a \$2.3 million decrease in stock-based compensation expense, a \$1.4 million decrease in salaries, benefits, and payroll related fees, a \$1.3 million decrease in legal, accounting, and professional consulting fees, and a \$0.4 million decrease in transaction costs.

Selling, general, and administrative expenses decreased by \$14.4 million for the six months ended June 30, 2024, compared to the six months ended June 30, 2023, primarily related to a \$8.5 million decrease in stock-based compensation expense that was a result of prior year awards that were issued at a higher fair value, as compared to the fair value of awards being expensed in the current period, that fully vested and expensed in the prior quarter. Additional decreases as compared to the prior year period were a \$2.6 million decrease in legal, accounting, and professional consulting fees, a \$1.7 million decrease in salaries, benefits, and payroll related fees, a \$0.4 million decrease in transaction costs, and a \$0.4 million decrease in marketing and advertising costs.

Change in Fair Value of Warrant Liability

The change in fair value of warrant liability includes the mark-to-market adjustments to the warrant liability to reflect its fair value as of the end of the reporting period. The decrease in the fair value of warrant liability for the three months ended June 30, 2024 is primarily due to the decrease in our closing stock price at June 30, 2024 compared to the closing stock price on the prior measurement date of March 31, 2024. The increase in fair value of the warrant liability for the six months ended June 30, 2024 is primarily due to a net increase in our closing stock price at June 30, 2024 compared to the closing stock price on the prior measurement date of December 31, 2023. The period-end close stock price is a key input to the Black-Scholes model we use to measure and estimate the fair value of the warrant at the end of each reporting period.

Interest Expense, net

Interest expense consists primarily of contractual interest and amortization of debt issuance costs, net of interest capitalized for construction assets, related to the loans from Cargill Financial and also interest recognized per the terms of our financing obligation related to the Montana Facility and the California Facilities. We capitalize interest costs on borrowings during the construction period of major construction projects as part of the cost of the constructed assets.

Interest expense, net increased by \$6.0 million for the three months ended June 30, 2024, compared to the three months ended June 30, 2023. The increase is primarily due to an increase in the principal amount outstanding on the Senior Facility, and, to a lesser extent, a variable rate increase on the Senior Facility period over period, both of which increased interest expense by \$5.7 million over the prior year period. Also contributing to the net increase was \$0.3 million of incremental interest expense for the financing obligations related to the California Facilities. During the three months ended June 30, 2024 and 2023, we capitalized \$4.4 million and \$3.2 million of interest, respectively.

Interest expense, net increased by \$11.3 million for the six months ended June 30, 2024, compared to the six months ended June 30, 2023. The increase is primarily due to an increase in the principal amount outstanding on the Senior Facility, and, to a lesser extent, a variable rate increase on the Senior Facility period over period, both of which increased interest expense by \$10.1 million over the prior year period. Also contributing to the net increase was \$1.2 million of incremental interest expense for the financing obligations related to the California Facilities. During the six months ended June 30, 2024 and 2023, we capitalized \$10.1 million and \$5.3 million of interest, respectively.

Liquidity and Capital Resources

We have incurred losses and generated negative cash flows from operations since our inception. At June 30, 2024, we had an accumulated deficit of \$352.6 million and cash and cash equivalents and restricted cash of \$16.2 million.

The credit facilities with Cargill Financial contain various financial and non-financial covenants and certain restrictions on our business, which include restrictions on additional indebtedness, minimum liquidity and other financial covenants, and material adverse effects, that could cause us to be at risk of default. We are currently in compliance with the financial covenants under the credit facilities, but in the past, we have periodically failed to meet certain quarterly financial covenants. While we were able to obtain permanent waivers for all past covenant violations, there can be no assurances that we will be able to obtain waivers for any future covenant compliance failures. A failure to comply with the covenants and other provisions of these debt instruments, including any failure to make payments when required, would generally result in events of default under such instruments, which could result in the acceleration of a substantial portion of such indebtedness.

The CEA business is capital-intensive. Currently, our primary sources of liquidity and capital resources are cash on hand, cash flows generated from the sale of our products, and the Facilities with Cargill Financial. Cash expenditures over the next 12 months are expected to include general operating costs for employee wages and related benefits, outside services for legal, accounting, IT infrastructure, and costs associated with growing, harvesting and selling our products, such as the purchase of seeds, soil, nutrients and other growing supplies, shipping and fulfillment costs, and facility maintenance costs.

The Ninth Amendment to the credit facilities with Cargill Financial, as described in Note 6, *Debt*, of the Unaudited Condensed Consolidated Financial Statements, allows for the payment in kind of the quarterly interest payments due and payable for the quarters ending June 30, 2024, September 30, 2024, and December 31, 2024. In addition, the Company expects to close in the third quarter of 2024 on the four previously disclosed CCLs from a commercial finance lender that were executed in the second half of 2023. Together, the CCLs will provide financing of approximately \$228 million. In addition, in July 2024, we entered into negotiations for an additional CCL for up to \$175 million of potential financing with the same commercial finance lender. Combined with the existing \$228 million of previously announced CCLs, we will have CCLs that could provide up to approximately \$400 million of financing to fund our existing facility expansions, our planned greenfield facility in the Midwest, working capital needs, strategic growth capital and to repay certain existing construction financing which is expected to lower our cost of capital. The funding expected pursuant to the CCLs is subject to the completion of definitive documents and the satisfaction of customary closing conditions which we believe will be complete in the third quarter of 2024. We have also entered into a non-binding letter of intent for a \$55 million sale-lease back of our facility in Byron, GA, subject to the completion of customary diligence and binding documentation.

The Company believes that financing associated with the CCLs from a commercial finance lender, the Company's current cash position, cash generated from product sales, and anticipated additional deferrals of future cash interest and principal payments under the Company's credit facilities with Cargill Financial will be adequate to fund the Company's planned operations over the next 12 months from the issuance of these Unaudited Condensed Consolidated Financial Statements.

We also believe additional cash can be secured through other debt, equity financings, or sale leaseback financing, if necessary. However, there can be no assurance that equity or debt financing will be available to us should we need it or, if available, that the terms will be satisfactory to us and not dilutive to existing shareholders. Our future capital requirements and the adequacy of available funds will depend on many factors, including those set forth in Part I, Item 1A of the Company's most recent Annual Report on Form 10-K. Our failure to raise capital as and when needed could have significant negative consequences for our business, financial condition and results of consolidated operations.

Cargill Loans

In September 2021, the Company and Cargill Financial entered into the Senior Facility and the Subordinated Facility. Subsequent to the amendments described in Note 6, *Debt*, of the Unaudited Condensed Consolidated Financial Statements, Cargill Financial may in its discretion provide advances under the Facilities of up to \$343.5 million (plus paid-in-kind interest and fees), including capital to fund construction at the Company's facilities in Georgia, Texas, and Washington, subject to certain conditions. As of June 30, 2024, a total of \$358.1 million and \$51.2 million (including paid-in-kind interest and fees) was outstanding on the Senior Facility and the Subordinated Facility, respectively. Also, the credit facilities, as amended, require quarterly principal and interest payments beginning April 1, 2025, which is reflected in the table below, and the funding of a debt service reserve on April 1, 2025 equal to two quarters of principal and interest payments. The Senior Facility and the Subordinated Facility are included in "Short-term debt" and "Long-term debt" on the Unaudited Condensed Consolidated Balance Sheets.

At June 30, 2024, our principal and estimated interest payment obligations for the Senior Facility and the Subordinated Facility are as follows⁽¹⁾:

(in thousands)	
Remainder of 2024	\$ —
2025	66,474
2026	88,632
2027	88,632
2028	423,519
Total	\$ 667,257

⁽¹⁾Interest is calculated based on a 12.5% interest rate for the Subordinated Facility and a 13.83% interest rate for the Senior Facility effective as of April 1, 2024.

Financing Obligations

We have two financing obligations related to sale leaseback transactions that did not qualify for sales treatment of the underlying assets. In June 2020, the Company completed the construction of the Montana Facility. Subsequent to its completion, the Company entered into a sale leaseback transaction of the Montana Facility with Grow Bitterroot, LLC, a related party, for total consideration of \$6.9 million with a current lease term of 20 years. On April 27, 2023, Hollandia Real Estate, LLC, a wholly owned subsidiary of the Company, and STORE Master Funding XXXI, LLC consummated a \$35 million multi-site sale and leaseback transaction with an initial term of 25 years relating to our Carpinteria Facility and our Oxnard Facility (collectively, the "California Facilities").

The following table summarizes future aggregate financing obligation payments by fiscal year for both the California Facilities and the Montana Facility:

	Financing Obligation	
	(in thousands)	
Remainder of 2024	\$	2,468
2025		5,024
2026		5,158
2027		5,297
2028		5,439
Thereafter		121,532
Total financing obligation payments		144,918

Limitations on effectiveness of control and procedures

In designing and evaluating our disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply judgment in evaluating the benefits of possible controls relative to their costs.

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, has evaluated our disclosure controls and procedures, as such term is defined under Exchange Act Rule 13a-15(e) as of the end of the period covered by this Quarterly Report on Form 10-Q. Based on this evaluation, our principal executive officer and principal financial officer concluded that, as of June 30, 2024, our disclosure controls and procedures were effective at the reasonable assurance level.

Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) during the three months ended June 30, 2024 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

The Borrowers have requested that the Lender make a multiple-advance term loan to the Borrowers, and the Lender is willing to do so on the terms and conditions set forth herein. In consideration of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

“Attributable Indebtedness” means, as of any date of determination, (a) in respect of any Capitalized Lease of any Person, the capitalized amount thereof that would appear on a balance sheet of such Person prepared as of such date in accordance with GAAP, and (b) in respect of any Synthetic Lease Obligation, the capitalized amount of the remaining lease payments under the relevant lease that would appear on a balance sheet of such Person prepared as of such date in accordance with GAAP if such lease were accounted for as a capital lease.

“Available Tenor” means, as of any date of determination and with respect to the then-current Benchmark, as applicable, (x) if the then-current Benchmark is a term rate, any tenor for such Benchmark that is or may be used for determining the length of an Interest Period or (y) otherwise, any payment period for interest calculated with reference to such Benchmark, as applicable, pursuant to this Agreement as of such date.

“Benchmark” means, initially, Term SOFR; provided that if a replacement of the Benchmark has occurred pursuant to Section 2.11, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate. Any reference to “Benchmark” shall include, as applicable, the published component used in the calculation thereof.

“Benchmark Replacement” means the sum of:

- (1) the alternate benchmark rate; and
- (2) an adjustment;

where an alternate benchmark and an adjustment (which may be a positive or negative value or zero) has been selected by the Lender as the replacement for relevant tenor giving due consideration to any evolving or then-prevailing market convention, including any applicable recommendations made by the Relevant Governmental Body. In the event the Benchmark Replacement as determined above is less than zero, the Benchmark Replacement shall be deemed to be zero for the purposes of this Agreement and the other Loan Documents.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “ABR,” the definition of “Business Day,” the definition of “Interest Period,” timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Lender (in consultation with the Company) decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Lender in a manner substantially consistent with market practice (or, if the Lender decides that adoption of any portion of such market practice is not administratively feasible or if the Lender determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Lender (in consultation with the Company) decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

(b) *Default Interest.* Notwithstanding paragraph (a), immediately and automatically upon the occurrence and during the continuation of an Event of Default under clauses (a), (b), (h), (i) or (j) of Section 7.1, or immediately after written notice by the Lender to the Company after the occurrence and during the continuation of any other Event of Default (and, to the extent specified in such notice, commencing as of the date of the occurrence of such Event of Default), all outstanding and unpaid Obligations shall bear interest at the Default Rate.

(c) *Interest Computation.* All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(d) *Continuation of Term SOFR Loans.* In the case of any Term SOFR Loan, the Interest Period shall commence on the date of advance of such Term SOFR Loan to the Borrowers and, in the case of immediately successive Interest Periods, each successive Interest Period shall automatically commence on the date on which the immediately preceding Interest Period expires.

Section 2.3 Payment of Principal and Interest.

(a) The Borrowers shall pay accrued interest on the Term Loans in cash on the first Business Day of each calendar quarter (in arrears through the last day of the immediately preceding quarter) and on the Maturity Date. Notwithstanding the foregoing, unless a Default or Event of Default has occurred and is continuing:

(I) the quarterly interest payment of the Borrowers due and payable on January 2, 2023 (for interest accruing for the quarter ending December 31, 2022) may be paid in kind (such interest, the "Specified 2022 PIK Interest"),

(II) the quarterly interest payments of the Borrowers due and payable on (x) April 3, 2023 (for interest accruing for the quarter ending March 31, 2023) and (y) July 3, 2023 (for interest accruing for the quarter ending June 30, 2023) may be paid in kind (such interest, the "Specified Q1/Q2 2023 PIK Interest"),

(III) the quarterly interest payments of the Borrowers due and payable on (x) October 2, 2023 (for interest accruing for the quarter ending September 30, 2023) and (y) January 2, 2024 (for interest accruing for the quarter ending December 31, 2023) may be paid in kind (such interest, the "Specified Q3/Q4 2023 PIK Interest"),

(IV) the quarterly interest payments of the Borrowers due and payable on April 1, 2024 (for interest accruing for the quarter ending March 31, 2024) may be paid in kind (such interest, the “Specified Q1 2024 PIK Interest”), and

(V) the quarterly interest payments of the Borrowers due and payable on (x) July 1, 2024 (for interest accruing for the quarter ending June 30, 2024), (y) October 1, 2024 (for interest accruing for the quarter ending September 30, 2024), and (z) January 2, 2025 (for interest accruing for the quarter ending December 31, 2024) may be paid in kind (such interest, the “Specified Q2/Q4 2024 PIK Interest” and, together with the Specified 2022 PIK Interest, the Specified Q1/Q2 2023 PIK Interest, the Specified Q3/Q4 2023 PIK Interest and the Specified Q1 2024 PIK Interest, the “Specified PIK Interest”);

provided, notwithstanding the foregoing, that the amount of interest paid in kind in respect of the quarter ending June 30, 2023, when combined with any amount of interest paid in kind under the Subordinated Credit Agreement in respect of the quarter ending June 30, 2023, may not exceed \$7,000,000. The Specified PIK Interest shall be deemed paid and discharged, without the taking of any further action by the Borrowers, by automatically adding such Specified PIK Interest to the principal balance of the Term Loans. After such Specified PIK Interest is added to the principal balance, such Specified PIK Interest shall be treated as principal for all purposes hereunder and shall itself bear interest.

(b) In addition to any prepayments made pursuant to Sections 2.4 and 2.5, commencing on April 1, 2025, and on the first Business Day of each calendar quarter thereafter, the Borrowers shall pay the outstanding principal balance of the Term Loans in equal consecutive quarterly installments, with such installments calculated by applying a 10-year amortization schedule to the outstanding principal balance of the Term Loans as of the Term Loan Termination Date; provided, if not sooner paid, the outstanding principal balance of the Term Loans, all accrued interest thereon, any unpaid fees with respect thereto and all other Obligations shall be due and payable in full in cash on the Maturity Date.

(c) Without limiting the foregoing, interest accruing at the Default Rate hereunder shall be due and payable upon the Lender’s demand. Likewise, interest on the principal amount of the Term Loan or other monetary Obligation shall be due and payable on demand after such principal amount or other monetary Obligation becomes due and payable (whether on the stated Maturity Date, upon an accelerated Maturity Date or otherwise).

(d) At the election of the Lender, all payments of principal, interest, fees, premiums, costs, expenses and other Obligations (including, without limitation, all fees, costs and expenses pursuant to Section 8.3), and other sums payable under the Loan Documents, may at any time be deducted by the Lender from the Debt Service Reserve Account or, following an Event of Default, any other deposit account of the Borrowers subject to an Account Control Agreement in favor of the Lender. Without limiting any other provision of this Agreement (including, but not limited to, the Borrowers’ payment obligations hereunder), the Borrowers hereby irrevocably authorize the Lender (but with absolutely no obligation) to charge the Debt Service Reserve Account and, following an Event of Default, any other deposit account of the Borrowers subject to an Account Control Agreement in favor of the Lender for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.

Section 2.4 Voluntary Prepayments. The Borrowers may at any time upon at least five (5) days’ (or such shorter period as is acceptable to the Lender) prior written notice by the Borrowers to the

Lender, prepay the Term Loans in whole or in part (provided, that any partial prepayment shall be in an amount greater than or equal to \$10,000,000) without premium except as provided in Section 2.10. A prepayment notice delivered by the Borrowers to the Lender shall be irrevocable. An optional prepayment of the Term Loans scheduled or anticipated to occur during any month (x) shall be made and effected on the last day of the Interest Period applicable to the Term Loans being prepaid, (y) shall be accompanied by accrued but unpaid interest on the principal amount being prepaid and any Specified Fee, and (z) to the extent such optional prepayment prepays the Term Loans in whole, shall be accompanied by payment in full of all other Obligations. The proceeds of each optional partial prepayment of the Term Loans shall be applied to the principal repayment installments thereof in inverse order of maturity.

Section 2.5 Lender Discretionary Prepayment.

(a) Promptly (and in any event within two (2) Business Days) after the occurrence of any Lender Discretionary Prepayment Event, the Borrowers shall inform the Lender in writing of the occurrence of such Lender Discretionary Prepayment Event and, solely to the extent requested by the Lender in writing in its sole discretion, the Borrowers shall promptly (and in any event within two (2) Business Days after such request) remit to the Lender an amount equal to 100% of the Net Proceeds realized by any Borrower or any other Loan Party or Subsidiary from such Lender Discretionary Prepayment Event. For the purpose of this Section 2.5, a "Lender Discretionary Prepayment Event" means the receipt by any Borrower, any other Loan Party or Subsidiary of proceeds from:

(i) the Disposition of any assets by any Borrower, any other Loan Party or Subsidiary (except for Dispositions to the extent permitted by Section 6.4);

(ii) any casualty or other insurance maintained by any Borrower, any other Loan Party or Subsidiary in excess of \$2,000,000 in the aggregate in any Fiscal Year (provided that such \$2,000,000 minimum threshold shall not apply if any Default or Event of Default has occurred and is continuing); provided, however, that if (A) the Company shall deliver a certificate of a Financial Officer to the Lender at the time of receipt thereof setting forth the Borrowers' intent to reinvest such proceeds in productive assets of a kind then used or usable in the business of the Company and its Subsidiaries (or to repair any property damaged in a casualty event) within 365 days of receipt of such proceeds and (B) no Default or Event of Default shall have occurred and shall be continuing at the time of such certificate or at the time of the application of such proceeds, such proceeds shall not constitute Net Proceeds except to the extent not so used at the end of such 365-day period, at which time such proceeds shall be deemed to be Net Proceeds; provided, further, if any Default or Event of Default shall have occurred and shall be continuing at the time of delivery of the foregoing certificate or at the time of the application of proceeds contemplated thereunder, then 100% of such proceeds (without giving effect to the \$2,000,000 minimum threshold set forth above) shall be applied to the Obligations in accordance with Section 2.5(b);

(iii) any condemnation award with respect to property owned by any Borrower, any other Loan Party or Subsidiary in excess of \$2,000,000 in the aggregate in any Fiscal Year (provided that such \$2,000,000 minimum threshold shall not apply if any Default or Event of Default has occurred and is continuing); provided, however, that if (A) the Company shall deliver a certificate of a Financial Officer to the Lender at the time of receipt thereof setting forth the Borrowers' intent to reinvest such proceeds in productive assets of a kind then used or usable in the business of the Company and its

Subsidiaries within 365 days of receipt of such proceeds and (B) no Default or Event of Default shall have occurred and shall be continuing at the time of such certificate or at the time of the application of such proceeds, such proceeds shall not constitute Net Proceeds except to the extent not so used at the end of such 365-day period, at which time such proceeds shall be deemed to be Net Proceeds; provided, further, if any Default or Event of Default shall have occurred and shall be continuing at the time of delivery of the foregoing certificate or at the time of the application of proceeds contemplated thereunder, then 100% of such proceeds (without giving effect to the \$2,000,000 minimum threshold set forth above) shall be applied to the Obligations in accordance with Section 2.5(b);

(iv) the issuance or incurrence of Indebtedness other than Indebtedness permitted by Section 6.1; and

(v) the issuance of any Equity Interests of any Loan Party or Subsidiary, except for (x) Equity Interests issued to the Company or (y) other Equity Interests (the issuance of such other Equity Interests, the "Permitted Equity Issuances"), but only so long as, in the case of this clause (y), (1) no Default or Event of Default shall have occurred and be continuing at the time of any such Permitted Equity Issuance, (2) such Permitted Equity Issuances do not exceed, individually or in the aggregate, \$150,000,000, and (3) no less than 75% of the Net Proceeds of the Permitted Equity Issuances are used by the Borrowers to pay costs in respect of Farm Projects; it being understood and agreed, for the avoidance of doubt, that (I) the issuance of any Equity Interests (other than issuances described in the preceding clause (x)) after March 31, 2024 shall constitute a Lender Discretionary Prepayment Event, and (II) to the extent any Permitted Equity Issuance, individually or in the aggregate, exceeds \$150,000,000, such excess shall constitute a Lender Discretionary Prepayment Event.

(b) All amounts (if any) remitted to the Lender under this Section 2.5 shall be applied by the Lender to the payment of the Obligations in such order of application as the Lender may in its sole discretion determine. All prepayments pursuant to this Section 2.5 shall be accompanied by accrued and unpaid interest upon the principal amount of each such prepayment and, to the extent applicable, the Specified Fee set forth in Section 2.10. Notwithstanding anything herein to the contrary, any such prepayment shall not constitute or be deemed to be a cure of any Default or Event of Default arising as a result of any Disposition, casualty or condemnation event or otherwise.

Section 2.6 Fees.

(a) Unused Commitment Fee. Accruing from the Closing Date until (and including) the Sixth Amendment Effective Date, the Borrowers agree to pay to the Lender a nonrefundable unused commitment fee (the "Unused Commitment Fee") equal to the Unused Commitment Fee Rate (computed on the basis of a year of 360 days and actual days elapsed) multiplied by the average daily difference between (i) the Term Loan Amount and (ii) the aggregate principal amount of Term Loans actually funded under the Term Loan Facility. All Unused Commitment Fees shall be payable quarterly in cash on the first Business Day of each calendar quarter (in arrears through the last day of the immediately preceding quarter) and on April 3, 2023. Notwithstanding the foregoing, unless a Default or Event of Default has occurred and is continuing, the Unused Commitment Fee of the Borrowers due and payable on April 3, 2023 (for the fee accruing for the quarter ending March 31, 2023) may be paid in kind (such fee, the

“Specified PIK Fee”). The Specified PIK Fee shall be deemed paid and discharged, without the taking of any further action by the Borrowers, by automatically adding such Specified PIK Fee to the principal balance of the Term Loans. After such Specified PIK Fee is added to the principal balance, such Specified PIK Fee shall be treated as principal for all purposes hereunder and shall itself bear interest.

(b) Other Fees. The Borrowers agree to pay to the Lender such other fees as agreed in the Fee Letters.

Section 2.7 Evidence of Debt. The Lender shall maintain in accordance with its usual practice records evidencing the Term Loans. The entries made in the records maintained pursuant to this Section shall be prima facie evidence absent manifest error of the existence and amounts of the obligations recorded therein. Any failure of the Lender to maintain such records or make any entry therein or any error therein shall not in any manner affect the obligations of the Borrowers under this Agreement and the other Loan Documents. Upon the request of the Lender at any time, the Borrowers shall prepare, execute and deliver to the Lender a Term Loan Note.

Section 2.8 Payments Generally.

(a) Payments by Borrowers. All payments to be made by the Borrowers hereunder and under the other Loan Documents shall be made on the date when due without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived by the Borrowers, and without condition or deduction (except as required under Section 2.8(c)) for any counterclaim, defense, recoupment or setoff. All payments shall be made to the Lender in U.S. Dollars in immediately available funds not later than 2:00 p.m. on the date specified herein. All amounts received by the Lender after such time on any date shall be deemed to have been received on the next succeeding Business Day and any applicable interest or fees shall continue to accrue. If any payment to be made by the Borrowers shall fall due on a day that is not a Business Day, payment shall be made on the next succeeding Business Day and such extension of time shall be reflected in computing interest or fees, as the case may be; provided that, if such next succeeding Business Day would fall after the Maturity Date, payment shall be made on the immediately preceding Business Day.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Lender to pay fully all amounts of principal, interest, fees and other amounts then due hereunder, such funds shall be applied in such order of application as the Lender in its sole discretion determines.

(c) Taxes. Any and all payments by or on account of any Obligation shall be made free and clear of and without deduction or withholding for any Taxes, except as required by any Law. If payor shall be required by any Laws to deduct or withhold any Taxes from or in respect of any sum payable under any Obligation, (i) if the Tax in question is an Indemnified Tax or Other Tax, then the sum payable shall be increased as necessary so that after making all required deductions or withholding (including deductions or withholding applicable to additional sums payable under this Section 2.8(c)), each payee receives an amount equal to the sum it would have received had no such deductions or withholding been made, (ii) the payor shall make such deductions or withholding, (iii) the payor shall pay the full amount deducted or withheld to the relevant taxation authority or other authority in accordance with Applicable Laws, and (iv) within 30 days after the date of such payment (or, if receipts or evidence are not available within 30 days, as soon as possible thereafter), the payor shall furnish to such payee the original or a copy

of a receipt evidencing payment thereof or other evidence acceptable to such payee. In addition, the Borrowers agree to pay any Other Taxes. If the Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document, the Lender shall deliver to the Borrowers, at the time or times reasonably requested by the Borrowers, such properly completed and executed documentation reasonably requested by the Borrowers as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, if reasonably requested by the Borrowers, the Lender shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrowers as will enable the Borrowers to determine whether or not the Lender is subject to backup withholding or information reporting requirements. For purposes of this Section 2.8(c), the terms "Law" and "Applicable Law" shall include FATCA (and any amendments made thereto after the date of this Agreement).

(d) Tax Indemnity. The Borrowers and each Guarantor agree to indemnify the Lender for (i) the full amount of Indemnified Taxes and Other Taxes payable by the Lender (including Indemnified Taxes and Other Taxes imposed on or attributable to amounts payable under this Section 2.8(d)) and (ii) any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Lender, accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error.

Section 2.9 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, the Lender, (ii) subject the Lender to any Taxes (other than Indemnified Taxes and Excluded Taxes) on its loans, loan principal or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or (iii) impose on the Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or the Term Loans made by the Lender; and the result of any of the foregoing shall be to increase the cost to the Lender of making, continuing or maintaining the Term Loans, or to reduce the amount of any sum received or receivable by the Lender hereunder (whether of principal, interest or any other amount) then, upon request of the Lender, the Borrowers will pay to the Lender such additional amount or amounts as will compensate the Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If the Lender determines that any Change in Law affecting the Lender regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Lender's capital as a consequence of this Agreement or the Term Loans to a level below that which the Lender could have achieved but for such Change in Law (taking into consideration the Lender's policies with respect to capital adequacy), then from time to time the Borrowers will pay to the Lender such additional amount or amounts as will compensate the Lender for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of the Lender setting forth the amount or amounts necessary to compensate the Lender as specified in this Section 2.9 and delivered to the Borrowers shall be conclusive absent manifest error. The Borrowers shall pay

the Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of the Lender to demand compensation pursuant to this Section 2.9 shall not constitute a waiver of the Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate the Lender pursuant to this Section 2.9 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that the Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9)-month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.10 Specified Fees. The Borrowers shall pay to the Lender:

(a) with respect to any Fee Determination Date occurring prior to the second (2nd) anniversary of the First Amendment Funding Date, a fee equal to the present value (such present value shall be computed using a discount rate equal to the Treasury Rate plus fifty (50) basis points) of the amount (to the extent positive) of interest that would have accrued on the Term Loan Facility in accordance with this Agreement had a principal balance equal to the Term Loan Amount remained outstanding during the period commencing on such Fee Determination Date and ending on the Maturity Date, taking into account all interest accrued and paid prior to such Fee Determination Date;

(b) with respect to any Fee Determination Date occurring on or after the second (2nd) anniversary of the First Amendment Funding Date but prior to the third (3rd) anniversary of the First Amendment Funding Date, a fee equal to the present value (such present value shall be computed using a discount rate equal to the Treasury Rate plus fifty (50) basis points) of the amount (to the extent positive) of interest that would have accrued on the outstanding principal balance of the Term Loans as of such Fee Determination Date in accordance with this Agreement had such principal balance remained outstanding during the period commencing on such Fee Determination Date and ending on the Maturity Date, taking into account all interest accrued and paid prior to such Fee Determination Date and the outstanding principal balance of the Term Loans as of the Fee Determination Date;

(c) with respect to any Fee Determination Date occurring on or after the third (3rd) anniversary of the First Amendment Funding Date but prior to the fourth (4th) anniversary of the First Amendment Funding Date, a fee equal to 5.00% of the aggregate principal amount of the Term Loans being prepaid as of such Fee Determination Date;

(d) with respect to any Fee Determination Date occurring on or after the fourth (4th) anniversary of the First Amendment Funding Date but prior to the fifth (5th) anniversary of the First Amendment Funding Date, a fee equal to 3.00% of the aggregate principal amount of the Term Loans being prepaid as of such Fee Determination Date; and

(e) with respect to any Fee Determination Date occurring on or after the fifth (5th) anniversary of the First Amendment Funding Date but prior to the sixth (6th) anniversary of the First Amendment Funding Date, a fee equal to 2.00% of the aggregate principal amount of the Term Loans being prepaid as of such Fee Determination Date;

(the fees described in the foregoing clauses (a), (b), (c), (d) and (e), the “Specified Fees”); provided, that no Specified Fee shall apply to prepayments of the Term Loans made on or after the sixth (6th) anniversary of the First Amendment Funding Date. The Borrowers agree that each Specified Fee is a fee that, as of a Fee Determination Date, is deemed fully earned. Each Specified Fee shall be due and payable in full in immediately available funds on the applicable Fee Determination Date. Once paid, no Specified Fee or any portion thereof shall be refundable under any circumstance.

Section 2.11 Benchmark Replacement Setting. Notwithstanding anything to the contrary herein or in any other Loan Document:

(a) [Reserved].

(b) Replacing Future Benchmarks. Upon the occurrence of a Benchmark Transition Event, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Borrowers without any amendment to this Agreement or any other Loan Document, or further action or consent of the Borrowers. At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Borrowers may revoke any request for a borrowing of, conversion to or continuation of Term Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Borrowers’ receipt of notice from the Lender that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Borrowers will be deemed to have converted any such request into a request for a borrowing of or conversion to ABR Loans. During the period referenced in the foregoing sentence, the component of ABR based upon the Benchmark (if any) will not be used in any determination of ABR.

(c) Benchmark Replacement Conforming Changes. In connection with the implementation and administration of a Benchmark Replacement, the Lender, in consultation with the Borrowers, will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) Notices; Standards for Decisions and Determinations. The Lender will promptly notify the Borrowers of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Lender pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section.

(e) Unavailability of Tenor of Benchmark. At any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a

term rate (including Term SOFR), then the Lender may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (ii) the Lender may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.

ARTICLE III REPRESENTATIONS AND WARRANTIES

Each Borrower represents and warrants to the Lender that:

Section 3.2 Authorization; No Contravention. The execution, delivery and performance by each Loan Party of each Loan Document to which it is party have been duly authorized by all necessary corporate or other organizational action, and do not and will not (a) contravene the terms of its Organizational Documents, (b) conflict with or result in any breach or contravention of, or the creation of any Lien under, or require any payment to be made under, (i) any Contractual Obligation (including, without limitation, any Material Agreement or any Contractual Obligation relating to borrowed money) to which any Loan Party or Subsidiary is a party or affecting any Loan Party or Subsidiary or the properties of any Loan Party or any Subsidiary or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which any Loan Party or Subsidiary or its property is subject, or (c) violate any Law other than any violation, in the case of this clause (c), that could not reasonably be expected to result in a Material Adverse Effect.

Section 3.3 Governmental Authorization; Other Consents. No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document or is then necessary or required in connection with any Material Agreement, except for such approvals, consents, exemptions, authorizations or other actions, notices or filings that have already been duly obtained or made and that are in full force and effect.

Section 3.4 Execution and Delivery; Binding Effect. This Agreement has been, each other Loan Document, when delivered hereunder, will have been, and each Material Agreement has been, duly executed and delivered by the Loan Parties party thereto. Each Loan Document and each Material Agreement constitutes a legal, valid and binding obligation of the Loan Parties party thereto, enforceable against such Loan Parties in accordance with its terms, except as such enforceability may be limited by

bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

Section 3.5 Financial Statements; No Material Adverse Effect.

(a) *Financial Statements.* The financial statements delivered to the Lender on or before the Closing Date in accordance with Section 4.1 and thereafter most recently delivered in accordance with Section 5.1 (i) were prepared in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein, (ii) fairly present in all material respects the financial condition of the Company and its Subsidiaries (or, following the Qualified SPAC Transaction Effective Date, of Holdings and its Subsidiaries) as of the date thereof and their results of operations and cash flows for the period covered thereby in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein and (iii) show all material Indebtedness and other liabilities, direct or contingent, of the Company and its Subsidiaries (or, following the Qualified SPAC Transaction Effective Date, of Holdings and its Subsidiaries) as of the date thereof, including liabilities for Taxes, material commitments and Indebtedness.

(b) *No Material Adverse Effect.* Since December 31, 2020, there has been no event or circumstance that, either individually or in the aggregate, has had or could reasonably be expected to have a Material Adverse Effect.

Section 3.6 Outstanding Indebtedness. Except for the Obligations and the other Permitted Indebtedness, no Loan Party nor any Subsidiary has any Indebtedness.

Section 3.7 Litigation. Except as disclosed on Schedule 3.7, there are no actions, suits, proceedings, claims, disputes or investigations pending or, to the knowledge of the Borrowers, threatened in writing, at Law, in equity, in arbitration or before any Governmental Authority, by or against any Loan Party or Subsidiary or against any of their properties or revenues that (a) either individually or in the aggregate could reasonably be expected to have a Material Adverse Effect, (b) either individually or in the aggregate could reasonably be expected to result in losses, claims, damages, expenses or liabilities exceeding \$2,000,000 or (c) purport to affect or pertain to this Agreement or any other Loan Document or any of the transactions contemplated hereby.

Section 3.8 No Material Adverse Effect; No Default. No Loan Party or Subsidiary is (a) in material default under or with respect to any Material Agreement or (b) in default under or with respect to any other Contractual Obligation that, in the case of this clause (b), either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing or would result from the consummation of the transactions contemplated by this Agreement or any other Loan Document.

Section 3.9 Property; Licenses; Margin Regulations.

(a) *Ownership of Properties.* Each Loan Party and Subsidiary has good legal and marketable title in fee simple (in the case of real property) and good title (in the case of personal property) to, or valid leasehold interests in, all real and personal property necessary in the ordinary conduct of its business, in each case free and clear of all Liens other than Liens in favor of the Lender and other Permitted Liens.

(b) *Intellectual Property.* Each Loan Party and Subsidiary owns, licenses or possesses the right to use all of the trademarks, trade names, service marks, copyrights, patents,

franchises, licenses and other intellectual property rights that are necessary for the operation of their respective businesses, as currently conducted, and the use thereof by the Loan Parties and Subsidiaries does not conflict with the rights of any other Person, except to the extent that such failure to own, license or possess or such conflicts, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. The conduct of the business of the Loan Parties and Subsidiaries as currently conducted or as contemplated to be conducted does not infringe upon or violate any rights held by any other Person, except to the extent that such infringements and violations, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. No claim or litigation regarding any of the foregoing is pending or, to the knowledge of the Borrowers, threatened in writing that could reasonably be expected to have a Material Adverse Effect.

(c) *Licenses.* Each Loan Party and Subsidiary is in compliance with, and has procured and is now in possession of, all Licenses then required by any Applicable Law for the operation of its business in each jurisdiction wherein it is now conducting or proposes to conduct business, and each such License then required to be issued has been validly issued to the relevant Loan Party or Subsidiary. No Loan Party or Subsidiary has any knowledge of any basis upon which the renewal of any material License would be denied in the future. (z) any cessation in the construction of any Farm Project shall have occurred for more than thirty (30) days, regardless of the cause, except to the extent such cessation could not reasonably be expected to have a Material Adverse Effect with respect to the Borrowers or any other Loan Party; or

(aa) any material portion of any Farm Project is destroyed, condemned or seized, or the Borrowers suffer a total loss with respect to any Farm Project; or

(bb) the Final Completion Date applicable to a Farm Project shall not have occurred on prior to the Completion Deadline applicable to such Farm Project; provided, that any such event described in this Section 7.1(bb) shall not be an Event of Default so long as (i) such failure to meet the applicable Completion Deadline could not reasonably be expected to have a Material Adverse Effect with respect to the Borrowers or any other Loan Party, (ii) the Borrowers are proceeding with all requisite diligence and in good faith to Complete the applicable Farm Project, and (iii) such Farm Project is Completed not later than sixty (60) days after the applicable Completion Deadline;

then, and in every such event and at any time thereafter during the continuance of such event, the Lender shall have no further obligation to offer any credit accommodations and the Lender may, by notice to the Borrowers, take any or all of the following actions, at the same or different times, in each case in the Lender's sole discretion:

(i) declare the Term Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Term Loans so declared to be due and payable, together with accrued interest thereon and all fees (including, without limitation, any Specified Fees set forth in Section 2.10) and other Obligations of the Borrowers accrued hereunder, shall become due and payable

immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers;

(ii) apply for the appointment of, or taking possession by, a trustee, receiver, liquidator or other similar official of the Borrowers with respect to the operations of any Loan Party or to hold or liquidate all or any substantial part of the properties or assets of any Loan Party (and each Loan Party hereby consents to such appointment and agrees to execute and deliver any and all documents requested by the Lender relating to the appointment of such trustee, receiver, liquidator or other similar official, whether by joining in a petition for the appointment of such an official, by entering no contest to a petition for the appointment of such an official, or otherwise, as appropriate under Applicable Law);

(iii) setoff and apply any and all obligations at any time owing by the Lender or any of its Affiliates to the Borrowers or any other Loan Party (including, if applicable, any obligations owing by CRM to any Borrower under a Swap Contract) against any or all of the Obligations, irrespective of whether or not the Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or such other Loan Party may be contingent or unmatured; and

(iv) exercise all rights and remedies available to it under the Loan Documents and Applicable Law;

provided that, in case of any event with respect to the Borrowers described in clause (h), (i) or (j) of this Section, the principal of the Term Loan then outstanding, together with accrued interest thereon and all fees (including, without limitation, any Specified Fees set forth in Section 2.10) and other Obligations accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers.

Section 7.2 Application of Payments. Notwithstanding anything herein to the contrary, following the occurrence and during the continuance of an Event of Default, all payments received on account of the Obligations shall be applied in such order as the Lender shall, in its sole discretion, determine.

Section 8.2 Amendments; Waivers. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrowers therefrom, shall be effective unless in writing executed by the Borrowers and the Lender, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure or delay by the Lender in exercising any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege, or any abandonment or discontinuance of steps to enforce such a right, remedy, power or privilege, preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Lender are cumulative and are not exclusive of any rights, remedies, powers or privileges that the Lender would otherwise have.

Section 8.3 Expenses; Indemnity; Damage Waiver

(a) *Costs and Expenses*. The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Lender and its Affiliates (including the reasonable and documented fees, charges and disbursements of the Project Consultant and of outside counsel for the Lender) in connection with the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents and the Warrant Agreements (including, if applicable, any warrant issued thereunder), or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all out-of-pocket expenses incurred by the Lender (including the fees, charges and disbursements of the Project Consultant and of outside counsel for the Lender) in connection with (A) the enforcement or protection of its rights, including, without limitation, any expenses incurred in connection with the hiring of consultants or advisors, (I) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (II) in connection with the Term Loans, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of the Term Loans, and (B) any bankruptcy or other insolvency proceeding with respect to any Loan Party or any Subsidiary of any Loan Party.

(b) *Indemnification*. The Borrowers shall indemnify the Lender, the Project Consultant, each Swap Party and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all actual costs and expenses, losses, claims, damages, liabilities and related expenses (including the out-of-pocket costs, expenses, fees, charges and disbursements of outside counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including any Borrower) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) the Term Loans or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or

operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrowers, the other Loan Parties or any of their Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrowers, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrowers against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrowers has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) *Waiver of Consequential Damages, Etc.* To the fullest extent permitted by Applicable Law, no party to this Agreement shall assert, and each such party hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, the Term Loans or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(d) *Payments.* All amounts due under this Section shall be payable not later than three (3) days after demand therefor.

(e) *Survival.* Each party's obligations under this Section shall survive the termination of the Loan Documents and payment of the Obligations hereunder.

Section 8.4 Engagement of Project Consultant, Other Agents. In addition to, and not in limitation of Sections 5.1, 5.11 and 8.3 of this Agreement, the Borrowers acknowledge that the Lender may from time to time engage the Project Consultant and other agents on terms and conditions acceptable to the Lender. The Borrowers shall at all times cooperate with reasonable requests for information from the Project Consultant and each such agent, and the Borrowers acknowledge and agree that the Borrowers shall, promptly after demand therefor, reimburse the Lender for all costs, fees, charges and disbursements of the Project Consultant each such agent; provided, notwithstanding the foregoing, that the Borrowers' reimbursement obligations under this Section in respect of all costs, fees, charges and disbursements of the Project Consultant shall not exceed \$300,000 in the aggregate.

Section 8.5 Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written consent of the Lender. The Lender may at any time assign to one or more assignees all or a portion of its rights or obligations under this Agreement (including all or a portion of the Term Loans or commitments of the Lender under the Term Loan Facility), provided that such assignment shall be subject to the consent of the Borrowers (such consent not to be unreasonably withheld or delayed) unless an Event of Default has occurred and is continuing. Notwithstanding the foregoing, the Lender may participate all or a portion of its rights and obligations

under this Agreement (including all or a portion of the Term Loans) without the prior written consent of the Borrowers. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Section 8.6 Survival. All covenants, agreements, representations and warranties made by the Borrowers herein and in any Loan Document or other documents delivered in connection herewith or therewith or pursuant hereto or thereto shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery hereof and thereof and the making of the Term Loans hereunder, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lender may have had notice or knowledge of any Default or Event of Default at the time of the Term Loans, and shall continue in full force and effect until Payment in Full. The provisions of Sections 8.3 and 8.14 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, Payment in Full or the termination of this Agreement or any provision hereof.

Section 8.7 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (e.g., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 8.8 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 8.9 Governing Law; Jurisdiction; Etc.

(a) *Governing Law*. This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the internal law of the State of New York (without giving effect to the conflict of laws principles thereof other than Sections 5-1401 and 5-1402 of the New York General Obligations Law, which shall apply to this Agreement and all documentation hereunder).

(b) *Jurisdiction*. Each Borrower irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than a state court located in the County of New

York, State of New York or a federal court located in the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York state court or, to the fullest extent permitted by Applicable Law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) *Waiver of Venue.* Each Borrower irrevocably and unconditionally waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) *Service of Process.* Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 8.1. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by Applicable Law.

Section 8.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 8.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 8.12 PATRIOT Act. The Lender hereby notifies the Loan Parties that, pursuant to the requirements of the PATRIOT Act, it may be required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow the Lender to identify the Loan Parties in accordance with the PATRIOT Act. The Borrowers will, promptly following a request by the Lender, provide all documentation and other information, including, without limitation, the certification regarding beneficial ownership of legal entity customers (the "Beneficial Ownership Certification") (if any Borrower is a "legal entity customer" under the Beneficial Ownership Regulation), that the Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 8.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to the Term Loans, together with all fees, charges and other amounts that are treated as interest on the Term Loans under Applicable Law (collectively, “charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender in accordance with Applicable Law, the rate of interest payable in respect of the Term Loans hereunder, together with all charges payable in respect thereof, shall be limited to the Maximum Rate. Any amount collected by the Lender that exceeds the maximum amount collectible at the Maximum Rate shall be applied to the reduction of the principal balance of the Term Loans or refunded to the Borrowers so that at no time shall the interest and charges paid or payable in respect of the Term Loans exceed the maximum amount collectible at the Maximum Rate.

Section 8.14 Payments Set Aside; Reinstatement of Liens. To the extent that any payment by or on behalf of the Borrowers is made to the Lender and such payment or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceedings under any Debtor Relief Law or otherwise, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred. In addition, in the event that the Lender is required to return funds received after Payment in Full and release of the Liens to any Loan Parties or estates thereof or Persons claiming through the foregoing, in connection with a proceeding under Debtor Relief Laws or otherwise, then the Liens granted pursuant to the Loan Documents shall automatically be reinstated without further action of the Loan Parties. This Section 8.14 shall survive termination of this Agreement and the other Loan Documents.

Section 8.15 Joint and Several Liability. EACH BORROWER AGREES THAT IT IS LIABLE, JOINTLY AND SEVERALLY, WITH EACH OTHER BORROWER FOR THE PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS OF THE BORROWERS UNDER THIS AGREEMENT, AND THAT THE LENDER CAN ENFORCE SUCH OBLIGATIONS AGAINST ANY OR ALL BORROWERS, IN THE LENDER’S SOLE AND UNLIMITED DISCRETION. Each Borrower represents and warrants to the Lender that it has established adequate means of obtaining from every other Borrower on a continuing basis financial and other information relating to the financial condition of such other Borrower, and each Borrower agrees to keep adequately informed by such means of any facts, events or circumstances which might in any way affect its risks hereunder. Each Borrower further agrees that the Lender shall have no obligation to disclose to it any information or material about any other Borrower which is acquired by the Lender in any manner. Until Payment in Full has occurred, each Borrower waives any right to enforce any remedy which the Lender now has or may hereafter have against any other Borrower or any other Person, and waives any benefit of, or any right to participate in, any security now or hereafter held by the Lender.

Section 8.16 The Company as Agent for Borrowers. Each Borrower hereby irrevocably appoints the Company as the borrowing agent and attorney-in-fact for all Borrowers (the “Administrative Borrower”) which appointment shall remain in full force and effect unless and until the Lender shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (a) to provide the Lender with all notices with respect to Term Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and the other Loan Documents (and any notice or instruction provided by Administrative Borrower shall be deemed to be given by all Borrowers hereunder and shall bind each Borrower), (b) to receive notices and instructions from the Lender (and any notice or instruction provided by the Lender to the Administrative Borrower in accordance with the terms hereof shall be deemed to

have been given to each Borrower), (c) to execute, deliver and perform any Loan Document on behalf of such Borrower (it being understood and agreed that any Loan Document that is binding on the Administrative Borrower will be deemed binding on all Borrowers), and (d) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Term Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement and the other Loan Documents. Each Borrower agrees that any action taken by the Administrative Borrower in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Administrative Borrower of its powers set forth herein or therein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers. Each Borrower hereby jointly and severally agrees to indemnify the Lender and hold the Lender harmless against any and all liability, expense, loss or claim of damage or injury, made against the Lender by any Borrower or by any third party whatsoever, arising from or incurred by reason of (x) the handling of any Collateral of the Borrowers as provided in this Section 8.16, or (y) the Lender relying on any instructions of the Administrative Borrower.

Section 8.17 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that (a) no fiduciary, advisory or agency relationship between such Borrower and its Subsidiaries and the Lender is intended to be or has been created in respect of the transactions contemplated hereby or by the other Loan Documents, irrespective of whether the Lender has advised or is advising such Borrower or any Subsidiary on other matters and irrespective of any Equity Interest of such Borrower held by the Lender (if any), (b) the services regarding this Agreement provided by the Lender are arm's-length commercial transactions between such Borrower and its Affiliates, on the one hand, and the Lender, on the other hand, (c) such Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent that it has deemed appropriate, (d) such Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents, (e) the Lender has no obligation to such Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents, and (f) the Lender and its Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of such Borrower and its Affiliates, and the Lender has no obligation to disclose any of such interests to such Borrower or its Affiliates. To the fullest extent permitted by Law, each Borrower hereby waives and releases any claims that it may have against the Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 8.18 CALIFORNIA JUDICIAL REFERENCE. IF ANY ACTION OR PROCEEDING IS FILED IN A COURT OF THE STATE OF CALIFORNIA BY OR AGAINST ANY PARTY HERETO IN CONNECTION WITH ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, (A) THE COURT SHALL, AND IS HEREBY DIRECTED TO, MAKE A GENERAL REFERENCE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 638 TO A REFEREE (WHO SHALL BE A SINGLE ACTIVE OR RETIRED JUDGE) TO HEAR AND DETERMINE ALL OF THE ISSUES IN SUCH ACTION OR PROCEEDING (WHETHER OF FACT OR OF LAW) AND TO REPORT A STATEMENT OF DECISION, PROVIDED THAT AT THE OPTION OF ANY PARTY TO SUCH PROCEEDING, ANY SUCH ISSUES PERTAINING TO A "PROVISIONAL REMEDY" AS DEFINED IN CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 1281.8 SHALL BE HEARD AND DETERMINED BY THE COURT, AND (B) WITHOUT LIMITING THE GENERALITY OF SECTION 8.3, THE BORROWERS

SHALL BE SOLELY RESPONSIBLE TO PAY ALL FEES AND EXPENSES OF ANY REFEREE APPOINTED IN SUCH ACTION OR PROCEEDING.

(iii) any condemnation award with respect to property owned by any Borrower, any other Loan Party or Subsidiary in excess of \$2,000,000 in the aggregate in any Fiscal Year (provided that such \$2,000,000 minimum threshold shall not apply if any Default or Event of Default has occurred and is continuing); provided, however, that if (A) the Company shall deliver a certificate of a Financial Officer to the Lender at the time of receipt thereof setting forth the Borrowers' intent to reinvest such proceeds in productive assets of a kind then used or usable in the business of the Company and its Subsidiaries within 365 days of receipt of such proceeds and (B) no Default or Event of Default shall have occurred and shall be continuing at the time of such certificate or at the time of the application of such proceeds, such proceeds shall not constitute Net Proceeds except to the extent not so used at the end of such 365-day period, at which time such proceeds shall be deemed to be Net Proceeds; provided, further, if any Default or Event of Default shall have occurred and shall be continuing at the time of delivery of the foregoing certificate or at the time of the application of proceeds contemplated thereunder, then 100% of such proceeds (without giving effect to the \$2,000,000 minimum threshold set forth above) shall be applied to the Obligations in accordance with Section 2.5(b);

(iv) the issuance or incurrence of Indebtedness other than Indebtedness permitted by Section 6.1; and

(v) the issuance of any Equity Interests of any Loan Party or Subsidiary, except for (x) Equity Interests issued to the Company or (y) other Equity Interests (the issuance of such other Equity Interests, the "Permitted Equity Issuances"), but only so long as, in the case of this clause (y), (1) no Default or Event of Default shall have occurred and be continuing at the time of any such Permitted Equity Issuance, (2) such Permitted Equity Issuances do not exceed, individually or in the aggregate, \$150,000,000, and (3) no less than 75% of the Net Proceeds of the Permitted Equity Issuances are used by the Borrowers to pay costs in respect of Farm Projects; it being understood and agreed, for the avoidance of doubt, that (I) the issuance of any Equity Interests (other than issuances described in the preceding clause (x)) after March 31, 2024 shall constitute a Lender Discretionary Prepayment Event, and (II) to the extent any Permitted Equity

Issuance, individually or in the aggregate, exceeds \$150,000,000, such excess shall constitute a Lender Discretionary Prepayment Event.

(b) All amounts (if any) remitted to the Lender under this Section 2.5 shall be applied by the Lender to the payment of the Obligations in such order of application as the Lender may in its sole discretion determine. All prepayments pursuant to this Section 2.5 shall be accompanied by accrued and unpaid interest upon the principal amount of each such prepayment and, to the extent applicable, the Specified Fee set forth in Section 2.10. Notwithstanding anything herein to the contrary, any such prepayment shall not constitute or be deemed to be a cure of any Default or Event of Default arising as a result of any Disposition, casualty or condemnation event or otherwise.

Section 2.6 Fees.

(a) Unused Commitment Fee. Accruing from the Closing Date until the Term Loan Commitment Termination Date, the Borrowers agree to pay to the Lender a nonrefundable unused commitment fee (the "Unused Commitment Fee") equal to the Unused Commitment Fee Rate (computed on the basis of a year of 360 days and actual days elapsed) multiplied by the average daily difference between (i) the Term Loan Amount and (ii) the aggregate principal amount of Term Loans actually funded under the Term Loan Facility. All Unused Commitment Fees shall be payable quarterly in cash on the first Business Day of each calendar quarter (in arrears through the last day of the immediately preceding quarter) and on the Term Loan Commitment Termination Date. Notwithstanding the foregoing, unless a Default or Event of Default has occurred and is continuing, the Unused Commitment Fee of the Borrowers due and payable on April 3, 2023 (for the fee accruing for the quarter ending March 31, 2023) may be paid in kind (such fee, the "Specified PIK Fee"). The Specified PIK Fee shall be deemed paid and discharged, without the taking of any further action by the Borrowers, by automatically adding such Specified PIK Fee to the principal balance of the Term Loans. After such Specified PIK Fee is added to the principal balance, such Specified PIK Fee shall be treated as principal for all purposes hereunder and shall itself bear interest.

(b) Other Fees. The Borrowers agree to pay to the Lender such other fees as agreed in the Fee Letters.

Section 2.7 Evidence of Debt. The Lender shall maintain in accordance with its usual practice records evidencing the Term Loans. The entries made in the records maintained pursuant to this Section shall be prima facie evidence absent manifest error of the existence and amounts of the obligations recorded therein. Any failure of the Lender to maintain such records or make any entry therein or any error therein shall not in any manner affect the obligations of the Borrowers under this Agreement and the other Loan Documents. Upon the request of the Lender at any time, the Borrowers shall prepare, execute and deliver to the Lender a Term Loan Note.

Section 2.8 Payments Generally.

(a) Payments by Borrowers. All payments to be made by the Borrowers hereunder and under the other Loan Documents shall be made on the date when due without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived by the Borrowers, and without condition or deduction (except as required under Section 2.8(c)) for any counterclaim, defense, recoupment or setoff. All payments shall be made to the Lender in U.S. Dollars in immediately available funds not later than 2:00 p.m. on the date specified herein. All amounts received by the Lender after such time on any date shall be deemed to have been

received on the next succeeding Business Day and any applicable interest or fees shall continue to accrue. If any payment to be made by the Borrowers shall fall due on a day that is not a Business Day, payment shall be made on the next succeeding Business Day and such extension of time shall be reflected in computing interest or fees, as the case may be; provided that, if such next succeeding Business Day would fall after the Maturity Date, payment shall be made on the immediately preceding Business Day.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Lender to pay fully all amounts of principal, interest, fees and other amounts then due hereunder, such funds shall be applied in such order of application as the Lender in its sole discretion determines.

(c) Taxes. Any and all payments by or on account of any Obligation shall be made free and clear of and without deduction or withholding for any Taxes, except as required by any Law. If payor shall be required by any Laws to deduct or withhold any Taxes from or in respect of any sum payable under any Obligation, (i) if the Tax in question is an Indemnified Tax or Other Tax, then the sum payable shall be increased as necessary so that after making all required deductions or withholding (including deductions or withholding applicable to additional sums payable under this Section 2.8(c)), each payee receives an amount equal to the sum it would have received had no such deductions or withholding been made, (ii) the payor shall make such deductions or withholding, (iii) the payor shall pay the full amount deducted or withheld to the relevant taxation authority or other authority in accordance with Applicable Laws, and (iv) within 30 days after the date of such payment (or, if receipts or evidence are not available within 30 days, as soon as possible thereafter), the payor shall furnish to such payee the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such payee. In addition, the Borrowers agree to pay any Other Taxes. If the Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document, the Lender shall deliver to the Borrowers, at the time or times reasonably requested by the Borrowers, such properly completed and executed documentation reasonably requested by the Borrowers as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, if reasonably requested by the Borrowers, the Lender shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrowers as will enable the Borrowers to determine whether or not the Lender is subject to backup withholding or information reporting requirements. For purposes of this Section 2.8(c), the terms "Law" and "Applicable Law" shall include FATCA (and any amendments made thereto after the date of this Agreement).

(d) Tax Indemnity. The Borrowers and each Guarantor agree to indemnify the Lender for (i) the full amount of Indemnified Taxes and Other Taxes payable by the Lender (including Indemnified Taxes and Other Taxes imposed on or attributable to amounts payable under this Section 2.8(d)) and (ii) any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Lender, accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error.

Section 2.9 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, the Lender, (ii) subject the Lender to any Taxes (other than Indemnified Taxes and Excluded Taxes) on its loans, loan principal or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or (iii) impose on the Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or the Term Loans made by the Lender; and the result of any of the foregoing shall be to increase the cost to the Lender of making, continuing or maintaining the Term Loans, or to reduce the amount of any sum received or receivable by the Lender hereunder (whether of principal, interest or any other amount) then, upon request of the Lender, the Borrowers will pay to the Lender such additional amount or amounts as will compensate the Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If the Lender determines that any Change in Law affecting the Lender regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Lender's capital as a consequence of this Agreement or the Term Loans to a level below that which the Lender could have achieved but for such Change in Law (taking into consideration the Lender's policies with respect to capital adequacy), then from time to time the Borrowers will pay to the Lender such additional amount or amounts as will compensate the Lender for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of the Lender setting forth the amount or amounts necessary to compensate the Lender as specified in this Section 2.9 and delivered to the Borrowers shall be conclusive absent manifest error. The Borrowers shall pay the Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of the Lender to demand compensation pursuant to this Section 2.9 shall not constitute a waiver of the Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate the Lender pursuant to this Section 2.9 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that the Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9)-month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.10 Specified Fees. The Borrowers shall pay to the Lender:

(a) with respect to any Fee Determination Date occurring prior to the second (2nd) anniversary of the First Amendment Funding Date, a fee equal to the present value (such present value shall be computed using a discount rate equal to the Treasury Rate plus fifty (50) basis points) of the amount (to the extent positive) of interest that would have accrued on the Term Loan Facility in accordance with this Agreement had a principal balance equal to the Term Loan Amount remained outstanding during the period commencing on such Fee Determination Date and ending on the Maturity Date, taking into account all interest accrued and paid prior to such Fee Determination Date;

(b) with respect to any Fee Determination Date occurring on or after the second (2nd) anniversary of the First Amendment Funding Date but prior to the third (3rd) anniversary of the First Amendment Funding Date, a fee equal to the present value (such present value shall be computed using a discount rate equal to the Treasury Rate plus fifty (50) basis points) of the amount (to the extent positive) of interest that would have accrued on the outstanding principal balance of the Term Loans as of such Fee Determination Date in accordance with this Agreement had such principal balance remained outstanding during the period commencing on such Fee Determination Date and ending on the Maturity Date, taking into account all interest accrued and paid prior to such Fee Determination Date and the outstanding principal balance of the Term Loans as of the Fee Determination Date;

(c) with respect to any Fee Determination Date occurring on or after the third (3rd) anniversary of the First Amendment Funding Date but prior to the fourth (4th) anniversary of the First Amendment Funding Date, a fee equal to 5.00% of the aggregate principal amount of the Term Loans being prepaid as of such Fee Determination Date;

(d) with respect to any Fee Determination Date occurring on or after the fourth (4th) anniversary of the First Amendment Funding Date but prior to the fifth (5th) anniversary of the First Amendment Funding Date, a fee equal to 3.00% of the aggregate principal amount of the Term Loans being prepaid as of such Fee Determination Date; and

(e) with respect to any Fee Determination Date occurring on or after the fifth (5th) anniversary of the First Amendment Funding Date but prior to the sixth (6th) anniversary of the First Amendment Funding Date, a fee equal to 2.00% of the aggregate principal amount of the Term Loans being prepaid as of such Fee Determination Date;

(the fees described in the foregoing clauses (a), (b), (c), (d) and (e), the “Specified Fees”); provided, that no Specified Fee shall apply to prepayments of the Term Loans made on or after the sixth (6th) anniversary of the First Amendment Funding Date. The Borrowers agree that each Specified Fee is a fee that, as of a Fee Determination Date, is deemed fully earned. Each Specified Fee shall be due and payable in full in immediately available funds on the applicable Fee Determination Date. Once paid, no Specified Fee or any portion thereof shall be refundable under any circumstance.

(b) VALID ISSUANCE OF SECURITIES. The 2023 Warrant, when issued, sold and delivered in accordance with the terms and for the consideration set forth therein, will be validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under the 2023 Warrant or the applicable securities, applicable state and federal securities laws and Permitted Liens. The execution, delivery and performance of the 2023 Warrant and the consummation of the transactions contemplated thereunder will not result in any such violation or be in conflict with or constitute, with or without the passage of time and giving of notice, either (i) a default under any provision, instrument, judgment, order, writ, decree, contract or agreement of Holdings, in each case as would have a material impact on Holdings, or (ii) an event which results in the creation of any Lien upon any assets of Holdings or the suspension, revocation, forfeiture, or nonrenewal of any License applicable to Holdings.

For the avoidance of doubt, unless Holdings is in full compliance with the covenant in the preceding sentence, Holdings shall not reserve any additional shares of common stock that become authorized after the Sixth Amendment Effective Date for any other purposes, including as shares underlying equity incentive awards for issuance to any persons.

(i) STOCK EXCHANGE LISTING; SUPPLEMENTAL LISTING APPLICATION. Holdings shall use its reasonable best efforts to maintain the listing of the common stock on The New York Stock Exchange. (bb) the Final Completion Date applicable to a Farm Project shall not have occurred on prior to the Completion Deadline applicable to such Farm Project; provided, that any such event described in this Section 7.1(bb) shall not be an Event of Default so long as (i) such failure to meet the applicable Completion Deadline could not reasonably be expected to have a Material Adverse Effect with respect to the Borrowers or any other Loan Party, (ii) the Borrowers are proceeding with all requisite diligence and in good faith to Complete the applicable Farm Project, and (iii) such Farm Project is Completed not later than sixty (60) days after the applicable Completion Deadline;

(i) declare the Term Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Term Loans so declared to be due and payable, together with accrued interest thereon and all fees (including, without limitation, any Specified Fees set forth in Section 2.10) and other Obligations of the Borrowers accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers;

(ii) apply for the appointment of, or taking possession by, a trustee, receiver, liquidator or other similar official of the Borrowers with respect to the operations of any Loan Party or to hold or liquidate all or any substantial part of the properties or assets of any Loan Party (and each Loan Party hereby consents to such appointment and agrees to execute and deliver any and all documents requested by the Lender relating to the appointment of such trustee, receiver, liquidator or other similar official, whether by joining in a petition for the appointment of such an official, by entering no contest to a petition for the appointment of such an official, or otherwise, as appropriate under Applicable Law);

(iii) setoff and apply any and all obligations at any time owing by the Lender or any of its Affiliates to the Borrowers or any other Loan Party (including, if applicable, any obligations owing by CRM to any Borrower under a Swap Contract) against any or all of the Obligations, irrespective of whether or not the Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or such other Loan Party may be contingent or unmatured; and

(iv) exercise all rights and remedies available to it under the Loan Documents and Applicable Law;

provided that, in case of any event with respect to the Borrowers described in clause (h), (i) or (j) of this Section, the principal of the Term Loan then outstanding, together with accrued interest thereon and all fees (including, without limitation, any Specified Fees set forth in Section 2.10) and other Obligations accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers.

Section 8.2 Amendments; Waivers. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrowers therefrom, shall be effective unless in writing executed by the Borrowers and the Lender, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure or delay by the Lender in exercising any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege, or any abandonment or discontinuance of steps to enforce such a right, remedy, power or privilege, preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Lender are cumulative and are not exclusive of any rights, remedies, powers or privileges that the Lender would otherwise have.

Section 8.3 Expenses; Indemnity; Damage Waiver.

(a) *Costs and Expenses*. The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Lender and its Affiliates (including the reasonable and documented fees, charges and disbursements of the Project Consultant and of outside counsel for the Lender) in connection with the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents and the Warrant Agreements (including, if applicable, any warrant issued thereunder), or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all out-of-pocket expenses incurred by the Lender (including the fees, charges and disbursements of the Project Consultant and of outside counsel for the Lender) in connection with (A) the enforcement or protection of its rights, including, without limitation, any expenses incurred in connection with the hiring of consultants or advisors, (I) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (II) in connection with the Term Loans, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of the Term Loans, and (B) any bankruptcy or other insolvency proceeding with respect to any Loan Party or any Subsidiary of any Loan Party.

(b) *Indemnification*. The Borrowers shall indemnify the Lender, the Project Consultant, each Swap Party and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all actual costs and expenses, losses, claims, damages, liabilities and related expenses (including the out-of-pocket costs, expenses, fees, charges and disbursements of outside counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including any Borrower) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) the Term Loans or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrowers, the other Loan Parties or any of their Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrowers,

and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrowers against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrowers has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) *Waiver of Consequential Damages, Etc.* To the fullest extent permitted by Applicable Law, no party to this Agreement shall assert, and each such party hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, the Term Loans or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(d) *Payments.* All amounts due under this Section shall be payable not later than three (3) days after demand therefor.

(e) *Survival.* Each party's obligations under this Section shall survive the termination of the Loan Documents and payment of the Obligations hereunder.

Section 8.4 Engagement of Project Consultant, Other Agents. In addition to, and not in limitation of Sections 5.1, 5.11 and 8.3 of this Agreement, the Borrowers acknowledge that the Lender may from time to time engage the Project Consultant and other agents on terms and conditions acceptable to the Lender. The Borrowers shall at all times cooperate with reasonable requests for information from the Project Consultant and each such agent, and the Borrowers acknowledge and agree that the Borrowers shall, promptly after demand therefor, reimburse the Lender for all costs, fees, charges and disbursements of the Project Consultant each such agent; provided, notwithstanding the foregoing, that the Borrowers' reimbursement obligations under this Section in respect of all costs, fees, charges and disbursements of the Project Consultant shall not exceed \$300,000 in the aggregate.

Section 8.5 Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written consent of the Lender. The Lender may at any time assign to one or more assignees all or a portion of its rights or obligations under this Agreement (including all or a portion of the Term Loans or commitments of the Lender under the Term Loan Facility), provided that such assignment shall be subject to the consent of the Borrowers (such consent not to be unreasonably withheld or delayed) unless an Event of Default has occurred and is continuing. Notwithstanding the foregoing, the Lender may participate all or a portion of its rights and obligations under this Agreement (including all or a portion of the Term Loans) without the prior written consent of the Borrowers. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the

extent expressly contemplated hereby, the Related Parties of the Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Section 8.6 Survival. All covenants, agreements, representations and warranties made by the Borrowers herein and in any Loan Document or other documents delivered in connection herewith or therewith or pursuant hereto or thereto shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery hereof and thereof and the making of the Term Loans hereunder, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lender may have had notice or knowledge of any Default or Event of Default at the time of the Term Loans, and shall continue in full force and effect until Payment in Full. The provisions of Sections 8.3 and 8.14 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, Payment in Full or the termination of this Agreement or any provision hereof.

Section 8.7 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (e.g., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 8.8 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 8.9 Governing Law; Jurisdiction; Etc.

(a) *Governing Law*. This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the internal law of the State of New York (without giving effect to the conflict of laws principles thereof other than Sections 5-1401 and 5-1402 of the New York General Obligations Law, which shall apply to this Agreement and all documentation hereunder).

(b) *Jurisdiction*. Each Borrower irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than a state court located in the County of New York, State of New York or a federal court located in the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action,

litigation or proceeding may be heard and determined in such New York state court or, to the fullest extent permitted by Applicable Law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) *Waiver of Venue.* Each Borrower irrevocably and unconditionally waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) *Service of Process.* Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 8.1. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by Applicable Law.

Section 8.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 8.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 8.12 PATRIOT Act. The Lender hereby notifies the Loan Parties that, pursuant to the requirements of the PATRIOT Act, it may be required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow the Lender to identify the Loan Parties in accordance with the PATRIOT Act. The Borrowers will, promptly following a request by the Lender, provide all documentation and other information, including, without limitation, the certification regarding beneficial ownership of legal entity customers (the "Beneficial Ownership Certification") (if any Borrower is a "legal entity customer" under the Beneficial Ownership Regulation), that the Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 8.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to the Term Loans, together with all fees, charges and other amounts

that are treated as interest on the Term Loans under Applicable Law (collectively, “charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender in accordance with Applicable Law, the rate of interest payable in respect of the Term Loans hereunder, together with all charges payable in respect thereof, shall be limited to the Maximum Rate. Any amount collected by the Lender that exceeds the maximum amount collectible at the Maximum Rate shall be applied to the reduction of the principal balance of the Term Loans or refunded to the Borrowers so that at no time shall the interest and charges paid or payable in respect of the Term Loans exceed the maximum amount collectible at the Maximum Rate.

Section 8.14 Payments Set Aside; Reinstatement of Liens. To the extent that any payment by or on behalf of the Borrowers is made to the Lender and such payment or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceedings under any Debtor Relief Law or otherwise, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred. In addition, in the event that the Lender is required to return funds received after Payment in Full and release of the Liens to any Loan Parties or estates thereof or Persons claiming through the foregoing, in connection with a proceeding under Debtor Relief Laws or otherwise, then the Liens granted pursuant to the Loan Documents shall automatically be reinstated without further action of the Loan Parties. This Section 8.14 shall survive termination of this Agreement and the other Loan Documents.

Section 8.15 Joint and Several Liability. EACH BORROWER AGREES THAT IT IS LIABLE, JOINTLY AND SEVERALLY, WITH EACH OTHER BORROWER FOR THE PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS OF THE BORROWERS UNDER THIS AGREEMENT, AND THAT THE LENDER CAN ENFORCE SUCH OBLIGATIONS AGAINST ANY OR ALL BORROWERS, IN THE LENDER’S SOLE AND UNLIMITED DISCRETION. Each Borrower represents and warrants to the Lender that it has established adequate means of obtaining from every other Borrower on a continuing basis financial and other information relating to the financial condition of such other Borrower, and each Borrower agrees to keep adequately informed by such means of any facts, events or circumstances which might in any way affect its risks hereunder. Each Borrower further agrees that the Lender shall have no obligation to disclose to it any information or material about any other Borrower which is acquired by the Lender in any manner. Until Payment in Full has occurred, each Borrower waives any right to enforce any remedy which the Lender now has or may hereafter have against any other Borrower or any other Person, and waives any benefit of, or any right to participate in, any security now or hereafter held by the Lender.

Section 8.16 The Company as Agent for Borrowers. Each Borrower hereby irrevocably appoints the Company as the borrowing agent and attorney-in-fact for all Borrowers (the “Administrative Borrower”) which appointment shall remain in full force and effect unless and until the Lender shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (a) to provide the Lender with all notices with respect to Term Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and the other Loan Documents (and any notice or instruction provided by Administrative Borrower shall be deemed to be given by all Borrowers hereunder and shall bind each Borrower), (b) to receive notices and instructions from the Lender (and any notice or instruction provided by the Lender to the Administrative Borrower in accordance with the terms hereof shall be deemed to have been given to each Borrower), (c) to execute, deliver and perform any Loan Document on behalf of such Borrower (it being understood and agreed that any Loan Document that is binding on the

Administrative Borrower will be deemed binding on all Borrowers), and (d) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Term Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement and the other Loan Documents. Each Borrower agrees that any action taken by the Administrative Borrower in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Administrative Borrower of its powers set forth herein or therein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers. Each Borrower hereby jointly and severally agrees to indemnify the Lender and hold the Lender harmless against any and all liability, expense, loss or claim of damage or injury, made against the Lender by any Borrower or by any third party whosoever, arising from or incurred by reason of (x) the handling of any Collateral of the Borrowers as provided in this Section 8.16, or (y) the Lender relying on any instructions of the Administrative Borrower.

Section 8.17 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that (a) no fiduciary, advisory or agency relationship between such Borrower and its Subsidiaries and the Lender is intended to be or has been created in respect of the transactions contemplated hereby or by the other Loan Documents, irrespective of whether the Lender has advised or is advising such Borrower or any Subsidiary on other matters and irrespective of any Equity Interest of such Borrower held by the Lender (if any), (b) the services regarding this Agreement provided by the Lender are arm's-length commercial transactions between such Borrower and its Affiliates, on the one hand, and the Lender, on the other hand, (c) such Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent that it has deemed appropriate, (d) such Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents, (e) the Lender has no obligation to such Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents, and (f) the Lender and its Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of such Borrower and its Affiliates, and the Lender has no obligation to disclose any of such interests to such Borrower or its Affiliates. To the fullest extent permitted by Law, each Borrower hereby waives and releases any claims that it may have against the Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 8.17 CALIFORNIA JUDICIAL REFERENCE. IF ANY ACTION OR PROCEEDING IS FILED IN A COURT OF THE STATE OF CALIFORNIA BY OR AGAINST ANY PARTY HERETO IN CONNECTION WITH ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, (A) THE COURT SHALL, AND IS HEREBY DIRECTED TO, MAKE A GENERAL REFERENCE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 638 TO A REFEREE (WHO SHALL BE A SINGLE ACTIVE OR RETIRED JUDGE) TO HEAR AND DETERMINE ALL OF THE ISSUES IN SUCH ACTION OR PROCEEDING (WHETHER OF FACT OR OF LAW) AND TO REPORT A STATEMENT OF DECISION, PROVIDED THAT AT THE OPTION OF ANY PARTY TO SUCH PROCEEDING, ANY SUCH ISSUES PERTAINING TO A "PROVISIONAL REMEDY" AS DEFINED IN CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 1281.8 SHALL BE HEARD AND DETERMINED BY THE COURT, AND (B) WITHOUT LIMITING THE GENERALITY OF SECTION 8.3, THE BORROWERS SHALL BE SOLELY RESPONSIBLE TO PAY ALL FEES AND EXPENSES OF ANY REFEREE APPOINTED IN SUCH ACTION OR PROCEEDING.
